University Policy on Discrimination, Relationship Violence and Sexual Misconduct:

Michigan State University is committed to creating and maintaining an inclusive community in which students, faculty, and staff can work together in an atmosphere free from all forms of discrimination and harassment. The Office of Institutional Equity (OIE) reviews concerns related to discrimination and harassment based on age, color, gender, gender identity, disability status, height, marital status, national origin, political persuasion, race, religion, sexual orientation, veteran status, and weight under the University's Anti-Discrimination Policy (ADP) and Policy on Relationship Violence and Sexual Misconduct (RVSM). OIE staff are available to provide information on the policies, connect MSU community members to resources, investigate complaints, and provide training. Reports can be filed at <https://oie.msu.edu/>.

Furthermore, Michigan State University is committed to maintaining a learning and working environment for all students, faculty, and staff that is fair, humane, and responsible - an environment that supports career and educational advancement on the basis of job and academic performance. Relationship violence, stalking, and sexual misconduct are not tolerated at Michigan State University. The University will respond to complaints, reports, or information about these incidents to stop the prohibited conduct, eliminate any hostile environment, take steps to prevent the recurrence, and address any effects on campus or in any University programs and activities regardless of location. The University also prohibits relationship violence, stalking, and sexual misconduct by third parties towards members of the University community, including when the third party has been brought into contact with the member of the University community through a University program or activity.
