

Professional Greenhouse Grower

Location: Jonker's Garden, Holland, Michigan

Deadline: April 1, 2019

Job type: Full-Time, Career-Focused

Compensation: Based on experience, lots of potential for growth

Jonker's Garden is a 65+ year-old family-owned garden center currently managed by a third-generation family member.

Located in beautiful West Michigan, we grow annuals, perennials and rose bushes in our 35,000-square foot of greenhouses and cold frames. These we sell retail in our indoor/outdoor garden center, along with lots more that we purchase from local growers, as well as nursery stock, tropical plants (year-round) and indoor and outdoor garden art and gifts. As Holland's premier garden center, we enjoy a sterling reputation regionally for quality, value, selection and fun, thanks in large part to our many long-term employees.
