# MICHIGAN GARDEN CLUBS, INC.

MEMBER OF NATIONAL GARDEN CLUBS, INC.

FYI

November 10, 2018

The National Garden Clubs, Inc. (NGC) is pleased to announce the Scholarship Program for the 2019-2020 Academic year. College juniors, seniors who will be graduating after June 2019, and graduate students pursuing a Master's Degree are encouraged to apply. Doctoral candidates are not eligible. Last year 41 scholarships, of \$4,000 each, were awarded. A student from Michigan State University was the winner for Michigan. The deadline for applications is February 1, 2019. All necessary information and forms (Instructions and Guidelines and the Scholarship Application and Financial Aid Form) are available in pdf on [www.gardenclub.org](http://www.gardenclub.org), the official National Garden Club website.

One candidate will be selected from the state of Michigan to receive a \$1,000 scholarship from Michigan Garden Clubs. The winning application will then be forwarded and become eligible to receive one of the NGC \$4,000 grants. If this winner is selected the scholarship would total \$5,000. Michigan has produced many winners and I encourage your students to apply. Please let's keep one of those big scholarships in Michigan!

NGC is proud of its scholarship program. Students must be Michigan and US citizens, and must be majoring in a field, and planning a career, related to gardening, landscape design, environmental issues, floral design or horticulture. A complete list will be found on the website.

Please share this information with all qualified students and encourage them to apply. Also, please share with relevant student organizations and faculty. Should there be any questions or concerns please feel free to contact me.

Sincerely,

Ann Campbell
