

The background is a solid purple color. It is decorated with faint, light purple silhouettes of various leaves and flowers, primarily along the left and right edges, creating a decorative border effect.

Building the Bird

The Assembly of Wilbir

2013

Cool Facts

- Originally built in 1989
- Director Will Carlson saw a similar structure in Kalamazoo
- Instructed Doug Bagero to build one!
- Original frame was repaired and strengthened this year

More cool facts:

- Wilbir contains over 3 yards of soil
- Wrapping with burlap and stuffing the bird took 58 hours

More cool facts:

- Begonias work best for us
- 2300 begonias in body
- 2280 begonias in the tail
