4-H Horse Project Camp: General Information & Rules

PLEASE READ THIS INFORMATION CAREFULLY TO PREPARE FOR CAMP

Violation of camp rules could result in the camper and their animal being sent home.

GENERAL INFORMATION

1. There is a minimum expectation of members to have walk/trot riding ability. This is not a "learn to ride" with no previous experience type of camp. The camp committee reserves the right to dismiss those not deemed qualified to ride.
2. Participants must be 8 years of age by January 1, 2026 and must be a Michigan 4-H member (youth may join 4-H for free at any time throughout the year).
3. Horse campers/owners are liable for the welfare of their horse.
4. If parents need to contact camp staff in an emergency, they may contact the Fair office during normal working hours (8:00 am - 5:00 pm) 517-676-2428. For after-hours emergencies, contact a Camp staff member (cell phone numbers will be shared with camp details).
5. If at any time a horse camp representative feels that a child is ill, a parent will be required to come to camp to attend to their child. Our camp nurse is Debbie Bingham 517-488-1340.
6. A current, negative Coggins must accompany the camp registration form.
7. Campers will be required to bring their own lunches and snacks. There will be a limited number of snacks and water available throughout the days. If your child has food allergies, please indicate them in when registering for camp.
8. Please use only PINE shavings in stalls. Shavings are available for purchase from Crest View Tack or participants may bring their own shavings. Please use an appropriate amount of shavings for the comfort of your horse.
9. All stalls will need to be completely cleaned and approved by a 4-H Camp Staff member before leaving the fairgrounds, unless a camper is staying for the Leader's Show. Any fees charged by the fairgrounds for unclean stalls will be passed on to the camper assigned to the stall. Please indicate in the online registration form if you are planning on attending the Leader's Open Show. The staff will attempt to keep your stalls in the same barn.
10. Participants and teen volunteers may not leave the grounds from 7:30 am to 5:30 pm without permission from one of the camp staff members. For those camping, see camping rules.
11. Bicycles, skateboards, or wheeled vehicles of any kind are strictly forbidden.
12. Drugs, alcoholic beverages, and smoking materials will not be allowed. Appropriate measures, including notifying parents and/or police intervention will be taken.
13. Parents, instructors, personal trainers, and other family members are NOT TO INTERFERE with the instructors or riders during riding sessions. If there are problems or concerns, PLEASE direct them to any member of the camp staff. Anyone interfering will be asked to leave the fairgrounds.
14. The care of the horse, (i.e. water, feed, stall cleaning, cooling down the horse) is the CAMPER'S RESPONSIBILITY. If at any time, a camp representative feels that a horse may be ill, the owner will be called and will be required to come to camp and check on the animal. If it is deemed an emergency, the emergency veterinary contact indicated on the registration form will be contacted.
15. Friends are discouraged from visiting participants during camp.
