## Preparing youth to be Beyond Ready

## Beyond Ready

4-H's approach to readiness begins with participation in high-quality positive youth development programs.

4-H has historically helped young people prepare for work and life through the development of competencies, skills and tangible assets, resulting in youth who are healthy, productive and engaged.

The complex landscape youth face today calls us to go a step further in preparing them to navigate their readiness pathway during and after their 4-H experience.

Is your club intentionally preparing youth to be Beyond Ready for the changing world? Watch here for tips to use with your club.

Online applications to host can be found at: <https://www.states4hexchange.org/apply/host/>. For more information, contact Michigan 4-H International Exchange Program Coordinator Jan Brinn [brinn@msu.edu](mailto:brinn@msu.edu).
