(Parent/Guardian)

Please submit to the Ingham County 4-H Extension office (weissgle@msu.edu) by
October 18th after you have made a copy for your records. (over)

What is this for and who is eligible??

Any Cloverbud 4-H member, ages 5-7, as of Jan 1, 2021 is eligible.

You can fill this out every year you are a Cloverbud to receive a certificate.

Why? This will introduce the Cloverbud to the process of applications and record keeping. By doing this every year and by entering things into your '4honline' account, you will have all your year's activities, participation, and achievements available for later applications and reference. Come scholarship time, this will be VERY valuable!

The 4-H Council hopes that this is a fun way to review the past year - to remember how much fun it was, and to tell others how much you learned from 4-H!!
