# Learn the Fundamentals of Judging Horses

## Join

## The Ingham County 4-H Horse Judging Team

- Learn what a judge is looking for when placing your classes
- It's a great way to learn about different horse breeds and riding disciplines and start a foundation for becoming a future professional judge
- Understand what qualities to look for before purchasing or leasing a horse of your own
- Take field trips to horse farms and talk to trainers about their experiences
- Increase your decision-making skills and improve your organizational and communication skills

The team meets once a week from October/November-March. At the workouts, youth learn the fundamentals of judging horses and how to compete in a horse judging contest. In March, they will compete at the State 4-H Horse Judging Contest. **Anyone of 4-H age (8-19) can join and it's not necessary to own a horse, so ask your horse-crazy friends from school!**

## **Michigan 4-H to participate in Giving Tuesday**

On Nov. 30, Michigan 4-H is once again participating in the global day of giving, Giving Tuesday. The ultimate goal is to engage Michigan 4-H alumni and friends in an online effort to make real-time, fast, easy and secure gifts in support of Michigan 4-H.

From 12 a.m. to 11:59 p.m. EST, Michigan 4-H supporters are invited to participate in Giving Tuesday by giving their support financially or helping spread the word via social media channels and word of mouth. All funds raised will support county 4-H endowments.

County 4-H endowments are funds created by gifts from one or more donors to the Michigan 4-H Foundation. These endowments provide a perpetual source of income for county 4-H programs, where the principal amount remains intact and the investment income supports annual needs for a county 4-H program.

During the 24-hour period, Michigan 4-H members, volunteers and supporters will have the chance to support Michigan 4-H through various challenges published on social media. Follow along using #GivingTuesday on your social media channels. Learn more about Giving Tuesday at <https://mi4hfdtn.org/giving-tuesday>.

## STATEWIDE NEWS AREA

### New indoor masking guidelines for MSU Extension events

As the COVID-19 pandemic continues to shift and change, Michigan State University issued new guidance for the broader MSU community on October 13. These changes impact attendees of MSU Extension programs occurring on non-MSU property. Effective immediately, the following guidelines apply to *indoor* MSU Extension or Michigan 4-H programs or events:

- Those who participate in MSU Extension programming indoors on **MSU property or any property reserved/rented for an MSU event** are **required** to wear a face covering. This applies to anyone over the age of 2, regardless of vaccination status (unless they have a medical exemption).
- Those who participate in MSU Extension programming indoors on **non-MSU property** are **encouraged but not required** to wear masks unless required by local regulations or the venue. This may include off-site Michigan 4-H programs hosted by MSU Extension volunteer groups. MSU Extension personnel in attendance are required to wear a face covering.

For the purpose of MSU Extension events and programs, indoor events are considered those in an enclosed building with limited airflow. Barns and other outbuildings that have multiple doors that can be fully opened to maximize air flow are considered an outdoor, open air facility.

#### Who must wear a mask?

The following chart may be useful to clarify masking requirements for MSU Extension professionals and program participants. For the purpose of this chart, MSU Extension volunteers and 4-H members are considered participants.

		Is the event being held on an MSU property or on a property that is being rented/reserved exclusively for an MSU activity?	
		Yes	No
Is MSU a sponsor of the event or program?	Yes	✓ MSU Extension personnel ✓ Participants	✓ MSU Extension personnel o Participants are encouraged, but not required to wear masks unless required by local regulations or the venue.
	No	✓ MSU Extension personnel ✓ Participants	o All MSU Extension personnel and participants are encouraged, but not required to wear masks unless required by local regulations or the venue.

✓ Indicates that a mask must be worn.

Although these new guidelines provide recommendations for indoor events, MSU Extension still encourages groups to meet outdoors whenever possible. Additional information about COVID-19 best practices and mask exceptions can be found at [extension.msu.edu/approvedactivities](http://extension.msu.edu/approvedactivities). As always, this site will continue to host the most up-to-date information about in-person event requirements.

Thank you for all you do in support of Michigan's young people and for helping to protect public health while meeting face-to-face.
