## 2019 Ingham County Fair Swine Project Identification Submission Card

**2019 Ingham County Fair**  
July 29-August 3, 2019

4-H swine project must be in exhibitor's possession by May 1st. Identification cards for swine must be submitted by May 15th to the 4-H Office along with Swine Health Affidavit. Complete this card and submit with hair root/follicle sample (10 to 15) in a Ziploc bag (1 bag per pig). Please put Exhibitor Name, 4-H Club, Ear Notch, Gender, and Breed on Ziploc Bag. All pigs will be tagged during weigh-in at fair. See fair book for 2019 identification, tagging, weigh-in, and show procedures.

If your pig has an ear notch, indicate its ear notch here and mark the pig below.

See back of this card for additional information

If you need instructions for collecting a hair follicle sample from your pig please see this web link: <http://www.asi.k-state.edu/doc/youth/swinehairinstructions.pdf>. For Ingham County Fair, you will need 10-15 hairs with root/follicles from each pig listed. You will put the samples in a Ziploc bag, not an envelope.

Ingham County 4-H & Fair reserve the right to test any of the hair follicles submitted to match to pigs actually shown at the fair. Exhibitors should keep in mind that the intent of the 4-H project is a learning experience; the member should be keeping records on the specific pigs identified throughout the learning process. The purpose of possession dates and identifying animals is to pinpoint which animals are the exhibitors 4-H project for the current year.

Fair registration tips:

- If you have 2 individual pigs you register for market class twice (class 10101)
- All exhibitors are highly encouraged to register for showmanship for their age category.
- Only those qualified should register for home grown class; these pigs must be shown in class 10101 also.
- Exhibitors encouraged to register for record keeping and Tom Stid Award. Please note that these projects can be exhibited in swine department as well as record keeping department during Still Exhibit judging.
- Members must have a current LQCA or PQA number to show/sell at fair.
- A \$5 fee will be charged when turning in hair follicles for each exhibitor for hair follicle testing.
- Exhibitor will receive their swine NEUS tags when they arrive at Fair. If needed for other shows, NEUS tags are available in the 4-H Office.

## Record Keeping Books

As a 4-H member you may find it very beneficial to keep a personal record of your 4-H experiences. A 4-H record book can be useful to you for planning your 4-H career. It also allows you to document your development and accomplishments during your time in 4-H. Additionally, when shared with parents and leaders it can help them guide the you through decision making experiences.

Record keeping ensures that you have accurate documentation of your experiences and the skills you have learned through 4-H. Completed records will allow you to easily recall information in the future when completing applications for jobs, scholarships, or awards. Record keeping also allows you to track how your interests, goals, and responsibilities have changed over your 4-H career. It will be fun in the future to remember your 4-H activities and share them with others.

## Horse Project May 1st Form

The Horse Registration Form that is due annually on May 1st can be found at the link below. All horse exhibitors are required to complete and submit the form with their negative Coggins test and color photos. Please note that the Coggins test that you submit with your registration form must be valid through August 31st.

Registration forms should be submitted to your club leader in a timely manner to allow the club leader enough time to get forms turned in by May 1st. Club leaders may bring the forms to the office anytime before May 1st. If you have any questions, please contact your club leader, superintendent Steve Taylor, or the 4-H office.

Form may be found at:  
<https://www.canr.msu.edu/ingham/4-h/animal-projects/horses>

Please note that Cloverbud exhibitors will also turn in a form-- this will allow superintendents committee to distinguish which youth are borrowing horses and which are bringing their own. Be sure to indicate on the form that the child is a Cloverbud and whose horse they are borrowing.

## Fairgrounds Spring Clean-up— May 18, 2019

**When: Sat, May 18<sup>th</sup>**  
**Time: 9:00-11:30 am**  
**and/or 5:30-7:30 pm**

It's time to do some spring cleaning and get the fairgrounds ready for the summertime, and of course Fair! We will be performing a variety of activities, such as landscaping, trash pick-up, minor maintenance repairs, etc. Please come ready to work and get a little dirty, wear old clothes, and closed toe shoes, optional to bring work gloves or other tools you may find useful.

### Community Leaders:

Please plan a club community service project for this event. Let's all work together to give back to the Fair for use of their facilities throughout the year.

We have split into two different timeframes to attract more helpers. **Please RSVP** with Ashleigh Apel, [apelashl@msu.edu](mailto:apelashl@msu.edu) or call 887-4581.

**#DaretoServeChallenge** Keeping with the theme, as many of you may know April is National Service Month and 4-H members all over are pledging their hands to larger service and participating in the #DaretoServeChallenge. During Exploration Days this year 4-H STEAM Corps AmeriCorps Members from all over the state are coming together to host a service scavenger hunt for members of exploration days to participate in. During this event we will be collecting supplies to make personal hygiene kits to donate to homeless shelters in Lansing. But how are we going to collect enough supplies? That's where 4-H members come in. The 4-H STEAM Corps member for Ingham, Ashleigh Apel will be collecting donated supplies for this event for Ingham County. This is a simple way, you as a 4-H member can participate in the #DaretoServeChallenge. All you have to do is bring in one, or more hygiene kits and drop it off at the MSU Extension office. Each kit consists of; a toothbrush, toothpaste, deodorant, hand sanitizer, mouthwash, one non-perishable food item, and a refillable water bottle. We will be collecting supplies until Monday, June 17<sup>th</sup>.

**Angel House** Ingham County 4-H and **Angel House** in Mason has partnered together to provide 4-H programming to the youth within the facilities. Angel House is a therapeutic mother/baby residential program for pregnant and parenting teen girls who are in foster care or are referred through the courts. Angel House uses a trauma informed approach to end cycles of abuse and neglect by providing mothers with the support they need to transition to independent living, nurture their children, and be successful members of the community.

This summer 4-H will be providing these teen mothers with an animal therapy SPIN club to help achieve goals Angel House has for them. The meetings will be held on Thursday nights from 6-7pm at the Fairgrounds starting June 27<sup>th</sup> and running until the end of August, no meeting July 4<sup>th</sup> or fair week. We are looking for 4-Hers to volunteer to bring their animals to the meetings and teach the girls about the basic care and neeZZZZZZZZZZds each species has and allow the girls to work with the animals as well, grooming, walking, etc. These girls have never been exposed to this type of programming before, and probably have never been exposed to many of the animals as well.

This is a great opportunity for both you as a 4-Her to be able to teach the skills you have learned in your 4-H project as well as for the girls of Angel House. I still need volunteers for the following dates; **July 25<sup>th</sup>, Aug 8<sup>th</sup>, Aug 15<sup>th</sup>, and Aug 22<sup>nd</sup>**. The species we already have volunteers for is horse and pony, dogs, and cats. We still need volunteers for any of the following species, rabbits/cavies, poultry, sheep, goats, and cattle (beef or dairy).. To secure the date you would like to volunteer, please contact Ashleigh Apel at [apelashl@msu.edu](mailto:apelashl@msu.edu) or give her a call at 517-887-4581. First come, first serve basis for date availability.

## **IMPORTANT: 2019 Fair Book Distribution - May 1, 2019**

Distribution of the fair books to each club will take place on Thursday, May 2 anytime between 5-7 pm at the Ingham County Fairgrounds Community Hall. If you are unable to be there, please select one representative from your club to be at the pick-up. Our 4-H staff will be on hand to answer questions that you may have. Note that each family will receive only one fair book. It will be your responsibility to ensure that each of the families in your club receives their book.

## **4-H Donation Request Form**

If you are interested in donating proceeds from the sale of your livestock /still life to a charity/cause, please complete the donation request form on the website at <https://www.canr.msu.edu/ingham/4-h/fair-info/auctions>.

This form is due by June 15, 2019 to the 4-H Office.

**Club Leader & Volunteer:**  
Sara Jaruzel; 810-881-2355;  
[sara\\_jaruzel@yahoo.com](mailto:sara_jaruzel@yahoo.com)

**TARGET AUDIENCE:** This program is offered to youth interested in learning more about gardening and the way a garden functions and produces healthy food. The suggested age for this program is youth between 10-14 years of age as of Jan 1, 19. Limited spots available, flexibility of age if not in age range and would still like to join.

**PROGRAM SUMMARY:** The Foster Community Garden 4-H SPIN Club series is designed to help youth learn, grow, and expand their knowledge of gardening and all the aspects there is to it. Youth can choose to participate in all, one, or any combination of the SPIN club series. Although each club is designed to concentrate on a specific topic youth will still be able to build up and will not lose any value to the clubs if they are not able to attend every club and the club meetings. Youth will have hands on opportunities to work in the garden that is supplemented with the educational components in the club. Youth will also get the chance to earn their Junior Master Gardener certification if they choose by completing some core requirements. Contact Sara Jaruzel for more information.

**Soil Science Club:** Soil isn't dirt! Explore the vital roles soils play in supporting life on our planet and in the vegetable garden. Investigate soil samples, get to know worms, and plant part of the garden.

**Seed Science Club:** Explore the anatomy of seeds, life cycle of plants, seed viability, how to plant and care for a garden, edible seeds and more!

**Pollinators Club:** What is a pollinator? Who does it and how? Why is it important and how can we support pollinators? Learn to identify pollinators, including bees and butterflies in the garden and the plants they like most!

**Food and Nutrition Camp:** Work in the garden and learn how to harvest and prepare produce into delicious recipes. Get an overview of storage and preservation methods. Gain understanding in nutrient profiles and health benefits of the fresh garden foods you are eating.

## 4-H Partners with JOANN for ‘Clovers for Kids’ Campaign

JOANN stores are helping 4-H bring more hands-on programs to local communities across the nation to inspire kids to lead lives with their head, hands, and hearts. Between March 1 – April 30, 2019 visit your local JOANN store and purchase a clover tear away at the register for either \$1 or \$4. \$4 purchases come with a \$4 off coupon for a later purchase. 100% of the funds donated go back to 4-H with 70% going back to the local states’ 4-H program.

In addition, JOANN wants to support individual 4-H’ers involvement by providing a rewards card for 4-H members, leaders, staff, and parents. The rewards card gives holders 15% off their purchase every day. To sign up go to <https://www.joann.com/4-h/>

## Raise Your Hand for Michigan 4-H!

Until May 15, Michigan 4-H members, parents, volunteers, alumni and friends have the opportunity to help Michigan 4-H win \$20K as part of the Raise Your Hand campaign.

Do your part to help grow experiences for Michigan 4-H youth by voting for Michigan at [4-H.org/RaiseYourHand](http://4-H.org/RaiseYourHand). Even if you have previously registered, your vote still counts this year so raise your hand again to help Michigan take the lead!

Want to help further? Encourage your friends and family to raise their hands as well! Email your networks or tweet, post and share your #4HGrown experiences on social media, asking your fellow 4-H supporters for their help.
