4-H Tack Sale

January 19, 2019
11:00 am —3:00 pm
Fairgrounds

4-H STEAM Sundays begin February 3

STEAM Sunday's are designed to give youth ages 8-19 the opportunity to participate in STEAM themed programs without having to join a formal 4-H club. On each scheduled Sunday, youth will dive deep into topics that explore a variety of discipline's. Youth are free to pick and choose which workshops they would like to attend or attend them all.

COST:

- Current 4-H member: **Free**
- Non 4-H member: one-time \$20 annual participation fee. (Scholarships available)
- May be a small material fee associated with individual STEAM Sunday activities.

To participate in STEAM Sunday workshops, youth must be registered by the Monday prior to the workshop date. To register go into 4honline.com and add each workshop as an additional club, or email Ashleigh Apel at apelashl@msu.edu to RSVP your spot. Agendas for each workshop will be sent out Tuesday morning prior to workshop date to registered youth only to inform you of any potential supply fees and what youth need to bring for that day.

For class descriptions, please see the flyer on page 3 of the Cloverleaf. Also, take a look at other spin class sessions being offered.

For more information, contact SPIN Club Coordinator Ashleigh Apel, 517-887-4581 or apelashl@msu.edu

or contact the 4-H Office at 676-7207.

2018 Award Winner—Caleb Reeder, Sandhill 4-H Club

Shooting Sport Committee Youth Elections

The 4-H Shooting Sports Committee will be holding adult and youth elections on Thursday, January 24, at 6pm in room A of the Hilliard Building. Six committee members will be voted in, three representing the archery disciplines and three representing the firearms disciplines. Those eligible to vote on the committee members are: 4-H Shooting Sports instructors; VSP approved 4-H leaders/volunteers involved in shooting sports; and any youth enrolled in Ingham County 4-H Shooting Sports.

After the six adult and youth committee members have been voted in, officers will be elected by the youth and adult committee members. The officer positions include: Chair, Secretary, Treasurer, and Certification Coordinator.

4-H STEAM Basketball SPIN Club

When: Fridays
January 25– March 1, 2019
From 6pm-7pm

Where:
The Peoples Church
200 W Grand River Ave,
East Lansing, MI 48823

For more information
contact the SPIN club
coordinator Ashleigh
Apel via email
apelashl@msu.edu or
by phone 517-887-4581

TARGET AUDIENCE: Any youth ages 6-13 as of January 1, 2019 interested in learning the basic fundamentals of basketball and discovering the math and science behind the sport.

PROGRAM SUMMARY: By the end of the 6 week program, youth will have the opportunity to learn the basic fundamentals as well as the math and science behind the sport of basketball. Youth will gain great listening skills, how to carefully pay attention to detail and become a team player. The importance of living a healthy lifestyle and incorporating physical activity in a fun and interactive way will also be touched upon.

ABOUT YOUR LEADER: The program will be instructed by Joshua Klein, a sophomore at Michigan State University studying actuarial science. Joshua has many years of experience with the game of basketball, as he has played on teams in middle school and high school. Additionally, he has 2 years of coaching experience on the high school level, and has refereed Community Ed. Basketball for 4 years.

HOW TO APPLY: Must be a registered 4-H member to join. Go to mi.4honline.com to register. Look for the STEAM Basketball SPIN Club when signing up.
Current 4-H member: Free

Non 4-H member: One time \$20 annual 4-H participation fee that includes access to all 4-H activities and clubs. Scholarships available, contact the SPIN Club Coordinator for more information.

MSU is an affirmative-action, equal-opportunity employer. Michigan State University Extension programs and materials are open to all without regard to race, color, national origin, gender, gender identity, religion, age, height, weight, disability, political beliefs, sexual orientation, marital status, family status or veteran status.

Ingham County 4-H STEAM Sunday's

DATE & TIME:
Sunday's 10am-4:30pm
Feb 3: Aerodynamics
Feb 17: Leadership & Communications
Mar 3: Forensic Science
Mar17: China Art Exchange
Apr 7: Mission to Mars
Apr 28: Environmental Science & Citizenship
May 5: Ornithology – Birds
*Must be registered by the Monday prior to workshop date.
LOCATION: Ingham Co. Fairgrounds 700 E Ash St, Mason, MI—Community Hall

COST:

- Current 4-H member: Free
- Non 4-H member: one-time \$20 annual participation fee. Scholarships available
- May be a small material fee associated with individual STEAM Sunday activities.
- To register go to mi.4honline.com or email contact below to RSVP your spot in each workshop (each is a different club). Limited spots available, register soon.

CONTACT:
SPIN Club Coordinator
Ashleigh Apel, 517-887-4581
or apelashl@msu.edu

WHO SHOULD ATTEND: Any youth ages 8-19 as of January 1, 2019 interested in participating in one or all workshops!

DESCRIPTION: STEAM Sunday's are designed to give youth the opportunity to participate in STEAM themed programs without having to join a formal 4-H club. On each scheduled Sunday youth will dive deep into topics that explore a variety of discipline's. Youth are free to pick and choose which workshops they would like to attend or attend them all.

Aerodynamics: Explore, engineer, and design different levels of aerodynamic machines. Launch rockets, design planes, make a kite, create an egg transporter and much more.

Leadership & Communication: You will develop communication skills that will bring out the best in you. You will gain confidence and learn how to be a leader and make a difference in small or big ways within your community. This can prepare you for everyday communication, interviews, and more.

Forensic Science: Learn what it is like to be a detective and uncover hidden messages, solve mysteries, and use DNA extraction and fingerprinting techniques actually used in the FBI.

China Art Exchange: Learn about Chinese culture through an art exchange program! Look at and learn about art created by students your age in China. Create a work of art and have it compete to be sent to China for Chinese youth to view and discover.

Mission to Mars: Ever wanted to know what it was like to be an astronaut and travel to Mars? Now is your chance, think, eat, and explore Mars just like an astronaut would (Ages 11 and up only).

Environmental Science and Citizenship: Joining in the spirit of Earth day, learn about different environmental systems such as watersheds, and wetlands and how you can make a difference in your community and help maintain a healthy and clean environment.

Ornithology: Do wild birds fascinate you? Learn about wild bird calls, how to identify birds, learn how to band birds and more. This workshop will actually be a field trip to Corey Marsh Ecological Research Center located in Bath, MI. This workshop will also start and end at earlier times. Time TBD closer to date.

MSU is an affirmative-action, equal-opportunity employer. Michigan State University Extension programs and materials are open to all without regard to race, color, national origin, gender, gender identity, religion, age, height, weight, disability, political beliefs, sexual orientation, marital status, family status or veteran status.

4-H STEAM Karate SPIN Club

When: Fridays
March 15– April 26, 2019
From 6pm-7pm (Subject to change)

Where:
The Peoples Church
200 W Grand River Ave,
East Lansing, MI 48823

For more information
contact the SPIN club
coordinator Ashleigh
Apel via email
apelashl@msu.edu or
by phone 517-887-4581

TARGET AUDIENCE: All youth ages 6-13 as of January 1, 2019 interested in having fun and learning the key fundamentals of Karate.

PROGRAM SUMMARY: Youth will learn the basic techniques of Isshinryu Karate, as well as some basic self-defense techniques. Additionally, youth will learn great concentration, focus, and better their listening skills, and even learn how to count and say commands in Japanese. Youth will learn what martial arts is all about, and how it relates not only to STEAM, but everything they do in everyday life.

ABOUT YOUR LEADER: The program will be instructed by Joshua Klein, a sophomore at Michigan State University studying actuarial science. He has been training in Isshinryu Karate, a Japanese style of karate, since he was 3 years old, has been instructing classes since he was 13. He also currently trains with the MSU Karate Club in a style called Pukang Tang Soo Do, a Korean style karate, and is the secretary of the club. As a second degree black belt he has lots of knowledge willing to share with you!

HOW TO APPLY: Must be a registered 4-H member to join. Go to mi.4honline.com to register. Look for the STEAM Karate SPIN Club when signing up.
Current 4-H member: Free

Non 4-H member: One time \$20 annual 4-H participation fee that includes access to all 4-H activities and clubs. Scholarships available, contact the SPIN club coordinator for more information.

MSU is an affirmative-action, equal-opportunity employer. Michigan State University Extension programs and materials are open to all without regard to race, color, national origin, gender, gender identity, religion, age, height, weight, disability, political beliefs, sexual orientation, marital status, family status or veteran status.

Urban Owl Walk!

**Saturday, February 2nd,
5:00 —6:30 pm**

**Hawk Meadow Park & Capital Area Bird Sanctuary
6160 Delta River Drive,
Lansing, MI 48906**

EVENT SUMMARY:

Interested in learning more about the owls in our community? Join MSU wildlife biologists and students from the Department of Fisheries and Wildlife for an evening walk through the woods.

We'll learn all about owls and enjoy a quiet hike where we'll keep our ears and eyes open for owls. We'll also check out other wildlife, talk about how you can help owls and other wildlife in your area. Join us and discover the wildlife in your own backyard!

HOW TO ATTEND:

This is a FREE event open to the public, but space is limited. Please RSVP your spot by emailing jcc@msu.edu or calling 517-432-4440. Please dress appropriately for the weather and bring a headlamp or flashlight for the walk.

MSU is an affirmative-action, equal-opportunity employer. Michigan State University Extension programs and materials are open to all without regard to race, color, national origin, gender, gender identity, religion, age, height, weight, disability, political beliefs, sexual orientation, marital status, family status or veteran status.

2019 FAIR INFORMATION

4

2019 FAIR CHANGES FOR HOMEGROWN CLASS

Rules for exhibiting your 4-H project in homegrown class at the fair:

1. Youth must be in possession of and own or lease (with written documentation) the mother of the animal being exhibited at the time of birth of the project animal.
2. Youth must contact 4-H/FFA leader and leader must validate animal's birth, possession of animal and Dam, and send validation form in to the 4-H office no later than March 15.
3. The project animal and Dam must be housed on the property of the youth's immediate family (parents or grandparents) throughout the duration of the entire project cycle.
4. Project animal being exhibited at the fair must also be entered as an individual in a market class.
5. Only one entry per exhibitor per species.
6. Youth is to provide at least 80% of management and labor for project animal.
7. A record keeping component will be required to be turned in to the species superintendent upon check-in at fair. Swine exhibitors enter Tom Stid Award; Beef and Sheep exhibitors enter record keeping book. (please note any of these records may also be exhibited in the Personal Development (still exhibit) classes at the fair, must be entered on registration form in both departments)

Beef and Dairy Market Steer Tagging

If you plan to show your beef or market steer at the Ingham County Fair in 2019, please mark your calendar for this required tagging date. Cattle can **ONLY** be tagged prior to 2/16/19. **If you are unable to make it to the tagging, you must contact the Superintendent to get tags. Those that don't weigh in at MSU will not be eligible for rate of gain class.**

Saturday, February 16, 2019

8:00-11:00 a.m.

MSU Beef Cattle Research Center

3200 Bennett Rd. East Lansing, MI

\$2.00 charge on day of tagging for every animal tagged.

\$1.00 charge on day of tagging if you implant your animal.

Contact Superintendent Dan Dunsmore at 676-1730, Superintendent Jeff Graf at 749-2978, or the 4-H Office at 676-7207 with questions.

2019 FAIR CHANGES FOR DOGS

A couple very important changes this year:

#1. Date of fair dog show is **SATURDAY July 20, 2019**

It is now 6 days earlier than the traditional "last Friday of July" in response to those worried about all the start of fair conflicts. We will have the pavilion pretty much to ourselves! And hopefully this date eliminates most of the conflicts and concerns!

Agility will still be outside in Ash Street Arena, weather permitting as that surface is best for the dogs but all else will be 3 rings going at once side by side inside the Main Arena.

#2. There will soon be a new 2019 May 1st Form. It will be similar to the pre fair registration for horses where you check the class you plan to enter. The new form will be sent to all those members who submitted May 1st forms last year.

#3. Anyone using a dog not from their family or an immediate family member **MUST** have an approved Lease form on file prior to May 1st. Contact Superintendent for form or any questions.

A member leasing a dog for the DOG CARE project must be involved in the day to day care of the dog not just practicing with it or taking it to training classes. Preferably the dog will live with the member for most of the duration of the project year.

4-H Fair Superintendent Openings

3 open positions: **Pets and all other Animals**
 Fine Arts
 Clothing & Textiles

Application, Job Description, Information: <http://ce.ingham.org/4H/Fair.aspx>

The application for 4-H superintendents can be found at: <http://ce.ingham.org/Portals/CE/4HDocs/Tabs/Fair/4H%20Superintendent%20Application%20Form.pdf>

The position is open to anyone with appropriate knowledge in the project area. The job description for 4-H superintendents can be found at:

<http://ce.ingham.org/Portals/CE/4HDocs/Tabs/Fair/4-H%20Superintendent%20Position%20Description.pdf>

If you have questions, please contact Glenda Weiss, 4-H Program Coordinator, at 676-7207.

Cavy Fitting & Showmanship Member's Guide (4H1345)

Fitting and showing cavies gives 4-H'ers the chance to compete with others based on the skills they demonstrate, general knowledge of cavies and the participant's preparation, attitude and behavior. Download this free bulletin which contains objectives and guidelines for the 4-H participant in cavy fitting and showing contests. Information covered includes feeding, care, handling and conditioning. The bulletin provides full color step-by-step instructions with photo illustrations for completing the contest examination and includes a cavy showmanship scorecard.

Keeping Youth At Your Table

Cross generational collaboration

DATE & TIME:

January 31, 2019
6:30 pm—8:30 pm

LOCATION:

Ingham County
Fairgrounds
Community Hall
700 E. Ash
Mason, MI

COST:

Free!

RSVP required to

(517)676-7303

weissggle@msu.edu

WHO SHOULD ATTEND:

Youth who want to learn life skills, civic awareness and have a desire to improve lives of others.

Adults who want to learn the needs, concerns and interests of youth, bring new perspectives and innovative ideas to your organization.

DESCRIPTION:

Why should COMMUNITIES encourage youth-adult partnerships? To encourage invested and knowledgeable citizens and increase resources to creatively problem solve. Youth-adult partnerships take intention and time to build because they push the boundaries of how the two groups traditionally interact...so let's come together and learn how to make create these partnerships.

Healthy Living

Money Management

4-H teen leaders are being sought to help meet the challenge of educating the next generation of young people!! You will have the opportunity to build your own leadership skills while teaching a fun lesson to other young people on one of these important and timely topics.

2019 Michigan Certified Pullorum Testers Workshop

Registration for the 2019 Michigan Certified Pullorum Testers Workshop that will be held on March 5th at the MSU Pavilion is now open.

Pullorum Disease (*Salmonella pullorum*-typhoid), which is caused by the bacteria *Salmonella*, is one of the most important poultry diseases. Pullorum Disease has been eradicated in U.S. commercial poultry, and it is critical to maintain this disease-free status by monitoring the Pullorum status in commercial, backyard and exhibition poultry.

In order for youth and adults to exhibit poultry at a show, poultry must be either certified pullorum-typhoid free through the National Poultry Improvement Plan (NPIP) or test negative for Pullorum within 90 days of exhibition.

For additional information please see the attached flier from the Michigan Department of Agriculture and Rural Development.

This training will provide adults, aged 18 and older the ability to perform the certified pullorum tests. The certification training fee is \$35; those wishing to audit the workshop for informational purposes may do so for a fee of \$5.

Pullorum Testing Poultry for Fairs and Exhibitions

WHAT is Pullorum?

Pullorum Disease (*Salmonella pullorum*-typhoid), which is caused by the bacteria *Salmonella*, is one of the most important poultry diseases. The disease is most common in young birds, but it is also a serious concern in adult birds that could carry the disease without showing any signs.

There is no treatment or vaccine for the disease. Pullorum Disease has been eradicated in U.S. commercial poultry, and it is critical to maintain this disease-free status by monitoring the Pullorum status in commercial, backyard and exhibition poultry.

WHY should you care about Pullorum Disease?

In order to exhibit poultry at a show, poultry must be either certified pullorum-typhoid free through the National Poultry Improvement Plan (NPIP) or test negative for Pullorum within 90 days of exhibition and kept away from non-tested birds and their equipment.

This includes all chickens, turkeys, pea-fowl, game birds (pheasants, quail, chukars), and ratites (ostrich, rhea, cassowary, emu). In Michigan, Pullorum testing is not required for finches, budgerigars (parakeets, parrots, cockatiels), pigeons, doves, and waterfowl going to exhibition.

WHO can test your bird(s)?

Veterinarians or Michigan Certified Testers (A list of certified testers can be found at www.michigan.gov/mdard-exhibitinfo under "Resources")

You can choose to become a certified tester in Michigan by attending a Certified Pullorum Tester Workshop (usually held in the spring of each year). If you are interested in attending a workshop, contact Tina Moreno at 517-284-5683 or morenot@michigan.gov.

WHEN should I test my birds?

Birds must be tested within 90 days of the show. Birds may be tested at a fair or exhibition check-in; however, you may have your birds tested at home by a Certified Tester prior to the fair. Once tested, the birds must be kept separate from any untested birds and their equipment until the show. If the birds come from a National Poultry Improvement Plan (NPIP) certified flock, no additional testing is required to enter the fair.

The testing results, and bird information is recorded on a special form (AI-013 Avian Test Record or NPIP VS 9-2). A copy of the form will be provided to you by the certified tester or veterinarian, and a copy will be mailed to MDARD. You must have your copy with you to check-in to the fair or exhibition. If your birds are being tested at the fair, the fair will fill out the test record for all the tested poultry.

HOW do I get more information?

Visit the Michigan Allied Poultry Association pullorum page at www.mipoultry.com/pullorum/ or call the Michigan Department of Agriculture and Rural Development's Poultry Program at 800-292-3939.

GreenStone Farm Credit Services Scholarship

Entries due March 1, 2019

GreenStone Farm Credit Services is now accepting applications through March 1 for its 2019 scholarship program. The cooperative will once again award up to \$40,000 to incoming college freshmen pursuing a degree in an agriculture-related field.

Students attending a four-year college program can earn a \$2,000 scholarship, while \$1,000 awards will go to selected students attending a two-year college program.

Scholarship applicants must reside within GreenStone's territory, which includes Michigan and select counties in northeastern Wisconsin; must be a full-time high school graduating senior; have at least a 3.0 grade point average; and plan to study an agriculture-related field. In addition, applicants should demonstrate participation and leadership in school, community and agricultural activities. Complete details are available within the scholarship application found online: <https://www.greenstonefcs.com/en/community/scholarships>

For complete scholarship guidelines and the application, visit www.greenstonefcs.com/memberbenefits/Pages/ScholarshipsCommunitySupport.aspx.

4-H Beekeeping Essay Contest

Entries due March 1, 2019

Michigan 4-H youth can improve their science, knowledge, writing and research skills and win a cash prize by entering the 2019 4-H Beekeeping Essay Competition. This year's essay topic is *Honey Varietals, State to State. Each jar of honey reflects an unrepeatable combination of climate, soil, weather and flowers. Each state has unique honey varietals that beekeepers can market to their customers. Please identify one unique varietal to your state and discuss the flower's uniqueness and how beekeepers can effectively market that varietal. Please include a photo of the varietal's flower, an interview with a local beekeeper who collects this varietal and a recipe that highlights the varietal.*

The top three winners nationally will receive cash prizes of \$750, \$500 and \$250, and winning essays will be published in ABF Quarterly, the magazine of the American Beekeeping Federation. The three national winners and the top winner of each state will receive a book about honey bees, beekeeping or honey.

Essay length should be 750 to 1000 words and will be judged on the scope of research, accuracy, creativity, conciseness and logic development of the topic. Youth are encouraged to research the topic using a number of sources. Download the complete rules before beginning the contest. This contest is sponsored by the Foundation for the Preservation of Honey Bees, Inc., a non-profit corporation, to preserve the practice and the profession of beekeeping through education and research, established by the American Beekeeping Federation.

Ingham County 4-H Homegrown Livestock Fair Verification Form 2019

The learning objective of the homegrown class is for youth to have the opportunity to experience the market animal project from birth through marketing of the animal. Exhibitors should gain and be able to demonstrate skills in animal husbandry, critical thinking, decision making, and record keeping through their animal project.

Rules for exhibiting your 4-H project in homegrown class at the fair:

1. Youth must be in possession of and own or lease (with written documentation) the mother of the animal being exhibited at the time of birth of the project animal.
2. Youth must contact 4-H/FFA leader and leader must validate animal's birth, possession of animal and Dam, and send validation form in to the 4-H office no later than March 15.
3. The project animal and Dam must be housed on the property of the youth's immediate family (parents or grandparents) throughout the duration of the entire project cycle.
4. Project animal being exhibited at the fair must also be entered as an individual in a market class.
5. Only one entry per exhibitor per species.
6. Youth is to provide at least 80% of management and labor for project animal.
7. A record keeping component will be required to be turned in to the species superintendent upon check-in at fair. Swine exhibitors enter Tom Stid Award; Beef and Sheep exhibitors enter record keeping book. (please note any of these records may also be exhibited in the Personal Development (still exhibit) classes at the fair, must be entered on registration form in both departments)

Exhibitor Name: _____

Club: _____

Species:

☐ Beef

☐ Sheep

☐ Swine

Homegrown Entry Information:

Identification: _____

Date of Birth: _____

Dam: _____

Sire: _____

Breeding (circle one): **natural insemination on farm / AI on farm / purchased bred**

This verification form is notification to species superintendent that you intend to enter a homegrown exhibit at the Ingham County Fair. You must still enter this animal on your fair entry in the individual market class, homegrown class, and record keeping class for species (and Personal Development optional). The judge may reserve the right to judge the animal and/or records for this project.

Exhibitor Signature: _____ **Date:** _____

Parent Signature: _____

Leader Signature (indicating that you have verified this animal is owned and meets the homegrown specification for the above exhibitor)

_____ **Date:** _____
