## National 4-H Week—October 4-10, 2020

For the 78th consecutive year, millions of youth, parents, volunteers and alumni across the country will celebrate *National 4-H Week* from October 4-10. The theme for this year's National 4-H Week, Opportunity4All, is a campaign that was created by National 4-H Council to rally support for Cooperative Extension's 4-H program and identify solutions to eliminate the opportunity gap that affects 55 million kids across America.

With so many children struggling to reach their full potential, 4-H believes that young people, in partnership with adults, can play a key role in creating a more promising and equitable future for youth, families and communities across the country. In 4-H, we believe every child should have an equal opportunity to succeed. We believe every child should have the skills they need to make a difference in the world.

To help bring awareness to the many positive youth development opportunities offered by 4-H, Michigan 4-H is encouraging 4-H youth, volunteers, staff and supporters to celebrate National 4-H Week in their communities. A few ways to do that while maintain safe social distancing include:

- Share how 4-H has inspired you or your kids on social media channels and with individuals in your community.
- Show your 4-H pride by wearing your 4-H apparel on Wednesday, Oct. 7, the official 4-H Spirit Day.
- Write an op-ed for your local paper to tell your Michigan 4-H story or submit it to MSU Extension for the [Meet Michigan 4-H'ers series](#).
- Decorate an [Opportunity4All sign](#) and share your pictures and captions of what opportunity means to you using the hashtag #Opportunity4All on social media.
- Use a [National 4-H Week Zoom background](#) on your virtual meetings.

## 2020-2021 4-H Reenrollment is Now Open!

The new enhanced 4honline is now ready for reenrollment. Please log into your [4HOnline](http://mi.4honline.com) Family account to submit enrollment for each member of your family - participating Youth and Adults (\*Adults only if a volunteer).

Go to <http://mi.4honline.com> and enter the email and password you created last year. If you've forgotten your password, select "**I forgot my password**" and follow the instructions. Once at your family homepage, work through each member's page to complete/update personal information, authorizations and project information. **PLEASE MAKE SURE CLUB AND PROJECT INFORMATION IS UP TO DATE!** Pay special attention to your "Years in 4-H" and be sure to add **each project** a member is/has been involved in.

MSU Extension recognizes that the COVID-19 pandemic and other associated factors have put a financial strain on many families. Therefore, we have **opted to waive** the Michigan 4-H participation fee of \$20 per person or \$60 per family for the 2020-21 4-H program year which begins September 1, 2020. Some events may continue to have registration fees. You will continue to register through 4-H Online, but no participation fees will be collected or expected next year.

If you are interested in supporting 4-H in lieu of paying participation fees, please contact your 4-H program coordinator for opportunities.

**Community Leaders:** You must reenroll in order to have access to your club's information. Once approved by County staff, your access will be restored.

## 4-H Volunteer Central

MSU Extension has a new volunteer management system, Volunteer Central. This system provides a platform to organize our Volunteer Selection Process for new volunteers, conduct our annual background check process, provide online training opportunities for volunteers, and to promote activities that need volunteer support with a convenient way to sign-up for shifts. New volunteers have been using the system since January. Now, all current MSU Extension volunteers have access to Volunteer Central and we've already created a profile for you. Using the instructions below, you'll need to edit and update your profile information.

In case you missed it, information was sent out to all volunteers in August. Please login and change your password, update any inaccurate information and add emergency contact information as this information was not part of our data transfer. You are also welcome to add a photo if you would like.

**Volunteer Central does not replace 4-HOnline.** 4-HOnline is our 4-H specific database for volunteers, youth and families. It will remain an important part of your volunteer role to be active in both Volunteer Central and 4-HOnline.

Thank you for volunteering with MSU Extension! Please reach out to Glenda at 676-7303 with any questions pertaining to Volunteer Central.

## MICHIGAN STATE FAIR SHOWCASE RESULTS

### Ingham County Youth Excel at 2020 Michigan State Fair 4-H & Youth Virtual Showcase

Ingham County youth didn't let the COVID-19 pandemic slow down their opportunity to demonstrate the skill, mastery and hard work they put into this year's 4-H projects. These outstanding 4-H'ers took part in the first-ever Michigan State Fair 4-H & Youth Virtual Showcase, hosted by the [Michigan State Fair](#) and [Michigan State University Extension](#). This virtual platform allowed youth ages 5-19 to exhibit their work in all project areas alongside peers from across the state.

"Michigan 4-H'ers and other youth work hard all year long on their many projects, and that didn't stop when the pandemic hit," said Jake DeDecker, state 4-H leader with MSU Extension. "In fact, many youth took that extra time and poured their efforts into projects and activities. By partnering with the Michigan State Fair, we were able to provide youth with a new and exciting way to showcase what they've worked on while receiving recognition for their accomplishments and obtaining valuable feedback for their personal development." To participate, youth entered photos and videos of their individual projects through the online [FairEntry platform](#). There were a wide variety of participation options, including traditional classes like showmanship, breeding and market classes for livestock and companion animals, and still exhibits such as crafts, creative writing and baking. Youth were also able to enter projects that are not always showcased in a typical fair, including educational projects and demonstrations in areas such as shooting sports, urban agriculture and leadership, among others.

In total, more than 400 youth from 63 Michigan counties entered more than 2,000 projects in the inaugural event. Evaluation began on August 24 with youth receiving an A, B or C rating, as determined by project standards.

In addition to the opportunity to showcase their skills and receive accolades for their hard work, participants in the statewide event will also had the opportunity to apply for up to \$50,000 in scholarships, generously provided by the Michigan State Fair and in partnership with the Michigan 4-H Foundation. Congratulations to **Magdalene Callender, Red Cedar 4-H Club**, who was the recipient of one of the Virtual Showcase Scholarships.

"A major focus within our event has always been giving back to the community and encouraging the educational and personal development of Michigan's youth," said Blair Bowman, Michigan State Fair manager. "We are thrilled that we are able to continue and expand upon that tradition through this new virtual platform."

### *Important Changes to 4-H Financial Manuals for Volunteers & Treasurers*

FINANCIAL MANUAL FOR 4-H VOLUNTEERS:

#### Leading the Way to Financial Accountability

The 4-H Financial Manuals for Volunteers and Treasurers support 4-H volunteers and adult and youth treasurers in their roles managing 4-H funds.

Small revisions and updates to these books were made in 2020. The online PDF versions of the manuals contain the changes. However, if you have a printed or hard copy version that does not contain the 2020 changes, a one-page document is available online that notes all the important content adjustments. It is recommended that you print this resource and store it in your manual for quick reference.

Download the 2020 changes resource at [www.canr.msu.edu/resources/4\\_h\\_financial\\_management\\_toolkit](http://www.canr.msu.edu/resources/4_h_financial_management_toolkit). For more information, please contact your local county staff member.

## Guidelines for Positive Youth Development Virtually

As Michigan 4-H staff, volunteers and youth continue to practice safe social distancing, 4-H programs have moved online and many 4-H clubs are connecting virtually. To help both 4-H staff and volunteers view the 4-H Guiding Principles through a virtual lens, MSU Extension recently developed "Michigan 4-H Guiding Principles for Positive Youth Development: Virtual Programming Focus." This resource is a great tool for adults interacting with 4-H'ers to review as they consider their best ways to optimize 4-H programming for the online world.

View the Michigan 4-H Guiding Principles for Positive Youth Development online at [www.canr.msu.edu/resources/michigan-4-h-guiding-principles-for-positive-youth-development-virtual-programming-focus](http://www.canr.msu.edu/resources/michigan-4-h-guiding-principles-for-positive-youth-development-virtual-programming-focus).
