2020 SOUTHWEST MICHIGAN 4-H CAT FUN MATCH RULES

ENTRY FEES - \$2.00 per class

1. An exhibitor may show ANY cat (owned or borrowed). The cat must be groomed for the show by the exhibitor. The Parent/Over Age 19 class is for parents/adults/ youth over age 19 that want to exhibit. Cats shown in the currently adoptable foster care class should be housed in a foster facility and be currently available for adoption.
2. Showmanship class is highly recommended. The purpose of showmanship is for the exhibitor to demonstrate to the judge their general knowledge of cats. This includes physically showing the cat's features, as well as a possible question/answer session concerning cat diet, health, anatomy, physiology, and general care. Scoring will be based on the 4-H Companion Animals guidelines, email Noble for full manual.
3. An exhibitor's attire should be neat and clean. The show dress code includes a light colored long-sleeved shirt and dark colored pants or jeans. Flat shoes are required, no sandals. Long hair should be tied back.
4. Harnesses with identification tags are mandatory; collars are appropriate but cat must also be on harness. Leashes are required. All cats to be kept on harness and leash or crated except when in the show ring. All cats should have a carrier available at all times during the show; cardboard boxes are not acceptable. Exhibitors should provide a carpet sample for exhibiting the cat during breed class.
5. Kittens should be between 4 and 12 months on the day of show; adults are one year or older on the day of show. Household class is considered mixed breed. No feline leukemia positive cats will be allowed entry.
8. All cats should have their nails clipped or be declawed for the protection of judge and exhibitors. 12. Attitude is a feline game of skill designed specifically for cat behaviors. Scoring will be based on the Attitude rules, email Noble for full description and scoring.
13. Exhibitors may enter any class as a Differently Able participant (please indicate same on your entry form). Exhibitor may show regular or differently able, but not both. Caregiver should remain in the show area at all times to assist child if necessary.
