Apply for a 2021 4-H State Award!

Michigan 4-H true leaders ages 11 and older have an opportunity to be recognized for the great work they do in 4-H by completing a state award application. A Michigan 4-H State Award is the highest honor bestowed on a Michigan 4-H member and provides an opportunity to receive recognition for their engagement in rich learning experiences that result in outstanding knowledge and life-skill development.

2019 State Award winners with their plaques

State award applications are divided into four categories: Mark of Excellence essay contest (11-12 years old), junior state award (13-15 years old), senior state award (16-19 years old) and group awards (13-19 years old). The application process and selection is determined by the age of the 4-H member.

More information about the Michigan 4-H State Award process can be found online at <http://bit.ly/stateaward>. Applications are due April 1, 2021. For more information, contact your 4-H program coordinator or email Janice Zerbe at rajzerj@msu.edu.

Join the Michigan 4-H LGBTQIA+ Alliance leadership team!

Youth ages 15-19 are invited to apply for the new Michigan 4-H LGBTQIA+ Alliance leadership team to help create a friendly, positive environment for Michigan youth and communities. The Michigan 4-H LGBTQIA+ Alliance is the brainchild of two Michigan 4-H teens who attended the [2020 National 4-H True Leaders in Equity Institute](#) and were inspired to create positive change in their 4-H community.

Applications are being accepted for the teen leadership team that will serve as advisors for the state-level Alliance. These leaders will develop leadership skills and help to create opportunities for LGBTQIA+ youth and allies to come together in fun, positive, and supportive ways. While this group is being established through Michigan 4-H, youth do NOT need to be 4-H'ers to apply; this opportunity is open to all teens interested in supporting the inclusion and participation of LGBTQIA+ youth and allies in Michigan 4-H.

Teen leaders will meet two to three times per month and should plan on committing about three hours of their time each month. The first meeting will be in April. This teen leadership team is just the beginning; additional opportunities will be available for youth who wish to serve on regional or local Alliance leadership teams, as well as join and participate as members.

Applications from prospective youth leadership members will be accepted from February 15 – March 15 at <https://events.anr.msu.edu/4hlgbtqia/>. Youth interested in learning more about the Michigan 4-H LGBTQIA+ Alliance are encouraged to attend an optional Zoom open house on Tuesday, March 9 from 6:30 - 7:30 p.m. Preregistration is required to participate in the open house, and can be completed at <https://bit.ly/3q6v1D8>. For more information, please contact MSU Extension Educator Brian Wibby at wibby@msu.edu.

4-H Club Updates

MSU Extension professionals have been thoughtfully creating guidelines that allow Michigan 4-H volunteers and members to conduct limited business while protecting public health. This information helps create a path forward with the **eventual goal** of in-person programming.

The link below will take you to a web page with current guidelines. These guidelines will be updated every two weeks or as soon as new information becomes available. It is imperative that volunteers and 4-H'ers alike adhere to these guidelines so we can continue to focus on community standards for eventual in-person events and programs.
