## 4-H GROWS HERE

### 2020 Hannah Glair Memorial Service Award

Hannah Glair's dedication, service and enthusiasm toward 4-H and the Ingham County Fair is celebrated annually through the Hannah Glair Memorial 4-H Service Award. Club administrative leaders nominate one youth from their club who exhibits at the county fair share their passion for 4-H and the fair with fair goers. Nominated youth are write an essay based on "Because of Ingham County 4-H and the Ingham County Fair I can". The final selection is through an interview.

In 2019 Jenna Schild received the first annual award during the sweepstakes competition at the fair. Due to Covid -19 restrictions the award could not be presented at an in person event. Ingham County 4-H Council decided against hosting a virtual awards night, which further delayed the announcement.

May 17<sup>th</sup> during a virtual presentation, **Irene Nielsen** received the 2020 Hannah Glair Memorial 4-H Service Award. Irene writes in her essay, "The Ingham County Fair gave me an opportunity to show, create new friendships, and work with leaders in the industry." The leaders and members at the fair create a community where people work together to take care of animals the best we can.

The amazing 4-H leaders that have assisted Irene with her projects both at home and during the fair led to developing an interest in genetics and breeding cattle. She plans to study Animal Science in college thanks to her experiences in 4-H.

One of Irene's "favorite parts is getting the opportunity to work with younger 4-Hers on their projects".

Congratulations Irene!

## YQCA Certification Needed to Sell Livestock At Fair

All youth must be YQCA certified in order to **sell your swine, beef or dairy market steer/feeder projects at Fair.**

Youth for the Quality Care of Animals (YQCA) is a national multi-species quality assurance program for youth ages 8 to 21. YQCA is designed as an annual education and certification program focused on food safety, animal well-being and character awareness for youth producing and/or showing pigs, beef cattle, dairy cattle, sheep, goats, market rabbit, and poultry.

Complete your certification at <http://yqca.org/>. You will need to be prepared to pay for the cost of the YQCA training when you register with a credit/debit card. Register using your 4honline account.

YQCA is now offering a test-out option for youth who are looking to obtain a YQCA certification. This option works the same as the PQA test-out option.

Here are a few big picture questions and answers you may have about the test-out option.

- Can the test-out testing be done in person?  
No, there is not a test out option for Instructor Lead Training (ILT)
- How much does it cost to take the test?  
Taking the test is free. Youth only pay if they pass with an 80% or higher.
- How many times can you take the test-out option?  
Once per age group (intermediate, senior, and young adult)
- How long is the test-out option good for?  
3 or 4 years depending on the youth's age.
- What is the cost after they pass the test?  
\$36.00/user Intermediate (3 years); \$48.00/user Senior (4 years); \$36.00/user Young Adult (3 years).
- Should everyone try test?  
They can, but the cost is the same as if they take the training each year. So, if a youth is in their the second or third year of an age bracket it will cost more to pay for the test-out option.
- How many questions are on the test?  
50 questions

## STATEWIDE NEWS AREA

### MSU Extension resumes limited 4-H face-to-face programming

Over the past several months, MSU Extension has been working diligently to chart a path toward resuming in-person programming during the current public health crisis. Thanks to the thoughtfully crafted guidelines created by MSU Extension professionals, we are excited to share that MSU Extension will resume hosting face-to-face programs and events that adhere to public health guidelines.

As of May 17, Michigan 4-H professionals and volunteers may submit a request to host an in-person event that follows specific guidelines and requirements. The health and safety of program participants and volunteers, as well as their families and our staff, remains the top priority. All guidelines outlined by MSU Extension are based on the [Centers for Disease Control and Prevention](#) (CDC), [Michigan Department of Health and Human Services](#) (MDHHS), and the [MSU Community Compact](#) and ***must be followed closely***.

As we begin expanding our in-person offerings, communication, transparency and collaboration are essential for the safety and well-being of all parties. MSU Extension expectations regarding programming and events will remain fluid and subject to change at any time based on evolving guidance from the CDC, MDHHS and the MSU Community Compact. Groups should continue to provide options (including virtual) for participation to ensure all participants can remain involved given their individual circumstances.

To learn more about face-to-face program requirements and how to submit your request, please visit the Approved Activities for MSU Extension Volunteers in 2021 website at [extension.msu.edu/approvedactivities](https://extension.msu.edu/approvedactivities).

It has been many months since the COVID-19 pandemic landed at our doorsteps. We appreciate the resiliency and commitment that our 4-H'ers have shown during this time. We have witnessed countless examples of 4-H youth and volunteers stepping up and helping their communities, their neighbors, and families. This exemplifies the spirit of the 4-H pledge. While we were glad to continue learning and growing with you virtually through this time, we are truly grateful for the opportunity to reengage in more in-person programming while continuing to protect one another and the public health.

### Join the 4-H Summer of Service and dare to serve in your community!

Every day, 4-H'ers are rolling up their sleeves in service as they lead positive change that empowers their peers and their communities. This summer, you're invited to join Michigan 4-H and Learning to Give for the #4HDARETOSERVE project and the 4-H Summer of Service. 4-H DARES you to give back to your community and unite with other 4-H'ers to make a collective impact.

All 4-H'ers are encouraged to venture out into their community to lend a helping hand in a way that is meaningful to them: neighborhood clean-ups, beautification projects, food and donation drives and much more! Through the partnership with Learning to Give, youth can gain access to all the tools needed for simple, safe service. Find a project that fits your desire to serve.

The summer of service runs through August 30 and Michigan 4-H hopes to obtain 100% participation from all 83 counties.
