APPLICATIONS FOR CAMPING SITES AT THE 2021 INGHAM COUNTY FAIR WILL BE CONSIDERED BY COMPLETING THE CAMPING FORM AND BRINGING/MAILING TO THE FAIR OFFICE WITH PAYMENT BY CASH OR CHECK.

1. All camping applications must be received at the Fair Office **by 5 p.m. on WEDNESDAY, JUNE 15, 2021.** First consideration will be given to Superintendents of Livestock/Light Horses and Youth Exhibitors.
2. Generators can be used in designated areas from dawn to dusk only, upon permission from the Fair Office.
3. **Pets are not permitted on the grounds.**
4. There will be no vehicle parking overnight in the campgrounds. If there are vehicles parked inside the fenced areas, they will be towed at the owners' expense. No parking is allowed on any of the drives or between the camping area and exhibit barns at any time. ADA accessible parking will be available by contacting the camping superintendent.
5. Every campsite shall be required to have a responsible adult (18 years or older) staying each night.
6. Quiet Time: All occupants of campers are required to return to their campsite and begin a quiet time no later than 11:30 pm. The Camping Superintendent and Executive Director retain the sole right to remove any camping unit that is not in compliance with this rule. If a unit is removed for violation of this rule, no refund of fees will be made.
7. All hitches must be readily accessible for emergency purposes. You may not park your trailers front to back and you must park within the space provided to you. You may not park campers in a circular design. This will be strictly enforced.
8. **NO ALCOHOLIC BEVERAGES OR ILLEGAL DRUGS ALLOWED AT THE CAMPSITES OR WITHIN CAMPERS OR TENTS.**
9. No bicycles, ATVs, scooters, skateboards, roller blades, or other wheeled rides allowed. YQCA Certification Needed to Sell Livestock At Fair

All youth must be YQCA certified in order to **sell your swine, beef or dairy market steer/feeder projects at Fair.**

Youth for the Quality Care of Animals (YQCA) is a national multi-species quality assurance program for youth ages 8 to 21. YQCA is designed as an annual education and certification program focused on food safety, animal well-being and character awareness for youth producing and/or showing pigs, beef cattle, dairy cattle, sheep, goats, market rabbit, and poultry.

Complete your certification at <http://yqca.org/>. You will need to be prepared to pay for the cost of the YQCA training when you register with a credit/debit card. Register using your 4honline account.

YQCA is now offering a test-out option for youth who are looking to obtain a YQCA certification. This option works the same as the PQA test-out option.

MSU Extension resumes limited 4-H face-to-face programming

Over the past several months, MSU Extension has been working diligently to chart a path toward resuming in-person programming during the current public health crisis. Thanks to the thoughtfully crafted guidelines created by MSU Extension professionals, we are excited to share that MSU Extension will resume hosting face-to-face programs and events that adhere to public health guidelines.

As of May 17, Michigan 4-H professionals and volunteers may submit a request to host an in-person event that follows specific guidelines and requirements. The health and safety of program participants and volunteers, as well as their families and our staff, remains the top priority. All guidelines outlined by MSU Extension are based on the [Centers for Disease Control and Prevention](#) (CDC), [Michigan Department of Health and Human Services](#) (MDHHS), and the [MSU Community Compact](#) and ***must be followed closely***.

As we begin expanding our in-person offerings, communication, transparency and collaboration are essential for the safety and well-being of all parties. MSU Extension expectations regarding programming and events will remain fluid and subject to change at any time based on evolving guidance from the CDC, MDHHS and the MSU Community Compact. Groups should continue to provide options (including virtual) for participation to ensure all participants can remain involved given their individual circumstances.

To learn more about face-to-face program requirements and how to submit your request, please visit the Approved Activities for MSU Extension Volunteers in 2021 website at extension.msu.edu/approvedactivities.

It has been many months since the COVID-19 pandemic landed at our doorsteps. We appreciate the resiliency and commitment that our 4-H'ers have shown during this time. We have witnessed countless examples of 4-H youth and volunteers stepping up and helping their communities, their neighbors, and families. This exemplifies the spirit of the 4-H pledge. While we were glad to continue learning and growing with you virtually through this time, we are truly grateful for the opportunity to reengage in more in-person programming while continuing to protect one another and the public health.

Join the 4-H Summer of Service and dare to serve in your community!

Every day, 4-H'ers are rolling up their sleeves in service as they lead positive change that empowers their peers and their communities. This summer, you're invited to join Michigan 4-H and Learning to Give for the #4HDARETOSERVE project and the 4-H Summer of Service. 4-H DARES you to give back to your community and unite with other 4-H'ers to make a collective impact.

All 4-H'ers are encouraged to venture out into their community to lend a helping hand in a way that is meaningful to them: neighborhood clean-ups, beautification projects, food and donation drives and much more! Through the partnership with Learning to Give, youth can gain access to all the tools needed for simple, safe service. Find a project that fits your desire to serve.

The summer of service runs through August 30 and Michigan 4-H hopes to obtain 100% participation from all 83 counties. Learn more and register your project at https://www.canr.msu.edu/community_service_learning/dare-to-serve-challenge.

Capture What's Great in the Midwest States 4-H Photography Challenge

Minnesota 4-H is excited to offer another photography challenge to Midwest youth in grades K-13. There are a lot of hidden gems around the Midwest so get out and capture them!

Submitted photos will be displayed in a slideshow. Volunteer photography judges will provide feedback and recognize the top quality images. All participants will have their names entered in a random drawing for prizes.

Youth can submit up to three (3) images by 11:59 p.m. on June 30, 2021. Find more information at z.umn.edu/midwest-states-photo-challenge.

The Michigan 4-H State Administrators meet with members of our 4-H F2F taskforce each Monday to review any changes from CDC, MDHHS or MSU from the following week. As previously indicated by Governor Whitmer MDHHS activated some changes effective June 1. Those relevant to us involve the maximum sizes of groups allowed to meet indoors and outdoors. The MSU community compact does not provide any guidance on group size, thus to keep with our efforts to stay in alignment with CDC, MDHHS, and MSU the following changes have been made to our in-person guidance:

Indoors, residential:

- Current guidance: up to 15 people from 3 different households.

New guidance: no limit

Indoors, nonresidential:

- Current guidance: up to 25 people

New guidance: 25 people or 50% of capacity or 30 people per 1,000 square feet (whichever is greater).

Outdoors (residential and non-residential):

- Current guidance: residential is 50 persons OR 20 persons per 1,000 square feet up to 300, whichever is greater. Non-residential is up to 300 people.

New guidance: No limit.

These changes impact in-person events lead by MSUE staff and volunteers. Guidance that notes group size restrictions has been updated on our website and within the Qualtrics survey. Please see the summary guide for an updated, comprehensive look at our definitions and specifications for in-person programming.
