LOCAL PROGRAMMING

Rabbit Hopping

2019 is an exciting year to be involved in the Rabbit Project. We have brought a new, fun and exciting event for the 4-H exhibitors to participate in: Rabbit Hopping. This event will be held during fair week. It is a lot like the jumps (but on a much smaller scale) that horses jump. Jumps can be anywhere from 6" to 24". Just to see some of many different breeds of rabbits tackle this feat is amazing. This competition is held on a National level during ARBA sanction shows and at the ARBA convention in held at one location in the U.S. Come out to watch the exhibitors challenge the course.

Details and rules are located at <https://www.canr.msu.edu/ingham/4-h/animal-projects/rabbits> or contact Penny Jackson @ pjj74@yahoo.com

Record Keeping Books

As a 4-H member you may find it very beneficial to keep a personal record of your 4-H experiences. A 4-H record book can be useful to you for planning your 4-H career. It also allows you to document your development and accomplishments during your time in 4-H. Additionally, when shared with parents and leaders it can help them guide the you through decision making experiences.

Record keeping ensures that you have accurate documentation of your experiences and the skills you have learned through 4-H. Completed records will allow you to easily recall information in the future when completing applications for jobs, scholarships, or awards. Record keeping also allows you to track how your interests, goals, and responsibilities have changed over your 4-H career. It will be fun in the future to remember your 4-H activities and share them with others.
