As novel coronavirus (COVID-19) pandemic continues to evolve, Michigan State University Extension remains focused on the health and wellbeing of its participants, volunteers and employees. Per university guidance, MSU Extension staff have been asked to find alternative delivery methods for all in-person activities schedule through September 1. If a virtual method is not practical, the event must be canceled or postponed until after September 1.

This applies to our Michigan 4-H volunteers and youth as well. You are encouraged to move upcoming events to an online format such as Zoom or Skype. If a virtual option is not practical, please postpone or cancel in-person 4-H meetings and activities scheduled between now and September 1.

Although face-to-face programs and events will not take place through September 1, MSU Extension will continue in its mission to serve communities. Visit the [Remote Learning and Resources online space](https://canr.msu.edu/rlr) at canr.msu.edu/rlr for a collection of online offerings that can be enjoyed from home, including resources for school closure activities.

Thank you for your support and understanding. Please contact your county 4-H program coordinator with any questions or concerns.

Michigan 4-H #DareToServeChallenge to be issued in April as part of the national 4-H True Leaders in Service

Every day, 4-H'ers are rolling up their sleeves in service as they lead positive change that empowers their peers and their communities. This April, 4-H is again launching the annual True Leaders in Service initiative to unite 4-H members across the country in making a collective positive impact in their communities. Though the novel coronavirus situation may limit traditional in-person service activities, 4-H'ers are encouraged to think about ways they can lend a helping hand in their communities.

As in year's past, Michigan 4-H'ers goal for 2020 remains the same: to have at least one 4-H-led community service project in each of Michigan's 83 counties during the month of April!

Are you ready to make sure that 4-H in your county meets the goal? Here's how you can participate:

- During the month of April, work on your own or join with others (in your home or virtually), to plan a service project in your community that you think will make a positive difference. Here are a few ideas you can do from your own home to get you started:
 - Write cards or notes to members of a senior center or nursing home who can no longer receive visitors at this time.
 - Sew masks for healthcare workers.
 - Help raise money or resources for organizations in need.
- Register your project and add it to the map showing all the community service projects taking place in Michigan at: www.4-h.org/true-leaders-in-service.
- After you complete your service project, share it on social media and tag a Michigan 4-H friend to whom you want to issue the Michigan 4-H Dare to Serve Challenge! Use the hashtags #MI4H #DareToServeChallenge and #TrueLeaders to connect with others who are making a difference.
- If someone is issued the Dare to Serve challenge, but chooses not to complete a community service activity, they can choose to offer their support instead by making a donation to Michigan 4-H at <https://mi4hfdtn.org/donate> or <https://givingto.msu.edu>.
