

### AQUATIC PETS

Can be returned to a local pet store.

# TOGETHER

# WE CAN KEEP

### PARROT FEATHER

Keep a look out! This invasive plant forms dense populations and can spread quickly.

## MICHIGAN'S WATERWAYS

# HEALTHY AND PURE

### YELLOW FLOATING HEART

Yellow floating heart is a perennial, waterlily-like plant that carpets the water surface with long-stalked heart-shaped leaves. Watch out, it is an invasive plant!
