 - 1) *Baseline volume abandonment*
 - 2) *Discontinued SWWF*
 - 3) *Salmonid Stream*
- **Section 3:** *Sale or Transfer of All or Portion of SWWF Baseline Volume*
- **Section 7:** *Identification of Voluntary Conservation and Efficiency Objectives*

Section 2: Definitions

2) “**Baseline Volume Abandonment**”- *Voluntary and affirmative termination of baseline volume, but does not include nonuse of baseline volume unless SWWF is determined to be discontinued by IDNR.*

7) “**Discontinued SWWF**”- *Registered or Permitted SWWF that meets the following:*
(A) *Withdrawal equipment has been removed or is in such a state of disrepair for continuous period of more than 5 years; and*
(B) *Owner not provided notice to IDNR of intent for future use.*

Section 3: Baseline Volume Sale or Transfer

(b) All or a portion of baseline volume (capacity/CU/ diversion) may be sold or transferred provided it is based on IDNR Status Determination or order.

(g) Baseline volume shall be relinquished when SWWF is subject to baseline volume abandonment or is considered to be discontinued. Sale or transfer of all or a portion of SWWF baseline volume shall not be considered baseline volume abandonment.
