Help is needed (youth and adults) to work the table at the store for the Tractor Supply Company (TSC) Paper Clover Campaign that will run April 27 - May 8. TSC is a HUGE supporter of 4-H! Clubs are encouraged to do a fundraiser at the store (need to notify Victoria at TSC first).

Everyone that works 1 hour or more will receive a ticket from the clerk for working that will be collected and a winner will be drawn at the May 24 4-H Council meeting. You will receive a ticket for the drawing **each time** you work a shift.

CLUB CORNER

Aim High - members sent letters to Ukraine refugees, made Valentine cards for Commission on Aging, and encouraged cat adoptions by putting together and distributing posters. Discussion, explanations, and plans were shared about what project areas members hope/plan to do for the 2022 fair week. We have instituted a "club challenge" where various options are offered for participation during an (approximate) two-week timeframe. Several members have participated so far and others are planning to be involved as their interests/schedules allow. In April, a rocket building day will be discussed and planned for those interested.

Canine Clovers - this month our club enjoyed an evening of learning how to make homemade dog leashes, dog collars and snuffle mats.

Retrograde Rhapsody - at our March meeting, we watched a short informational video about Native American trail marker trees. After the video, each member shared their thoughts. We enjoyed learning and talking about this interesting topic.

Pack your lunch or snacks and we will picnic in the park. Please RSVP to humph186@msu.edu if you plan to join us.

The Fireflies Club will have three focuses: Service Learning, Still Exhibits, and Anything Amazing! As with all 4-H clubs, Fireflies will promote youth development as you have fun, learn, and grow. Scholarship Opportunities

Isabella County 4-H Scholarship

Isabella County offers two \$500 scholarships to 4-H members or former members each year. The scholarship recipient must be enrolled at an institution of higher learning and have been involved with 4-H in Isabella County. The scholarship is not limited to college freshmen.

To get an application, click here: [Isabella County 4-H Scholarship](#).

Applications are due back to the Extension office by April 20. The scholarship recipients will be notified by May 15.

Kathryn Methner Fike Scholarship

For high school seniors and current college students. Thank you to the family of Kathryn Virginia Methner Fike for establishing a \$1,000 scholarship in her name to benefit 4-H members in Isabella County.

Kathryn Virginia Methner Fike was born on the farm of her parents in northeast Wise Township, Isabella County on Nov 21, 1918. Except for a few winters in Florida, she spent all most 96 years within 5 miles of her birthplace. She married Lester Fike on March 29, 1936 and spent over 60 years on what became the Fike Centennial Homestead. In her childhood years, she was a member of a 4-H sewing club lead by her mother, Daisy Methner. After having children of her own, she became a leader, too. She served in this capacity for many years. Kathryn took great pride in the accomplishments of her children, grandchildren, and great grandchildren in their 4-H activities.

4-H has been a top priority in Kathryn's family for 5 generations and so it is with pride that her family is honoring Kathryn's many years of dedication to 4-H education in Isabella County with this scholarship.

Application is available at: https://www.canr.msu.edu/isabella/isabella_county_4_h/newsletters-and-forms.

STATEWIDE CALENDAR OF EVENTS

MSU Masking Guidelines Lifted

In early March, Michigan State University (MSU) updated their COVID-19 mask guidance. These changes impact attendees of MSU Extension and Michigan 4-H programs occurring on and off MSU property.

As of March 8, masks are no longer required at MSU Extension or Michigan 4-H programs, events, offices or meeting rooms.

While not a requirement, Michigan 4-H in-person events are still encouraged to follow best practices that include meeting outside when possible, keeping participant numbers below maximum capacity to allow for social distancing, offering hand sanitizer and respecting the continued use of masks by those who choose to wear them.

As always, the most up-to-date guidelines for Michigan 4-H can be found at extension.msu.edu/approvedactivities.
