## 4-H Camp Clean-Up

May 7  
10 a.m. - 2 p.m.

Please bring work gloves, rakes, tarps, leaf blowers, staple guns, hammers, extra people! Hotdogs, chips and drinks will be provided. RSVP to the Extension office by April 27.

**Reminder - this is an Honor Club requirement.**

## Sheep Weigh-in

Saturday, May 14  
8 AM – 9 AM  
Isabella County Fairgrounds

## New 4-H Club – Fireflies

There's a new club in town and we'd love to have you join us! Our third meeting will be Saturday, May 14, from 11 a.m. – 12:30 p.m. We meet at 1106 W. High St., Mt. Pleasant, (Mountain Town Rehab). We will be working on "seed bombs" which we will use to start native plants and wildflowers in areas in need of some color and care. Please RSVP to [humph186@msu.edu](mailto:humph186@msu.edu) if you plan to join us.

The Fireflies Club will have three focuses: Service Learning, Still Exhibits, and Anything Amazing! As with all 4-H clubs, Fireflies will promote youth development as you have fun, learn, and grow. Club projects and a future meeting schedule will be determined by club members.

**If interested, please register at** <https://v2.4honline.com> **and choose "Fireflies" as your club choice. Please contact Mary Lee Humphreys at** [humph186@msu.edu](mailto:humph186@msu.edu) **with any questions.**

## Horse Registration Forms Due May 15

All horse registration forms are due to the Extension office by May 15 and must be turned in with the whole club, with 1 check made payable to ICHL.

## CLUB CORNER

**Aim High** - We enjoyed some activities to help newer members learn the 4-H pledge, which was our April Club Challenge. We are also working on a challenge to share with other 4-H clubs in the near future -- more details to come. We discussed some upcoming service opportunities, reminders about fair weigh-ins and other deadlines, and had visitors from Germany and Spain participate in our gathering and fun. Those members interested will be building rockets during the May meeting, which will be displayed as a fair project.

**Barn Yard Kids** - April meeting we handed in paperwork for fair and did our community service project helping clean up the fairgrounds

**Canine Clovers** - at our meeting this month, club members participated in an obedience refresher with their dogs. Members and their dogs also learned how to imprint the first scent used in scent-work sports.

**Country Neighbors** - had a beautiful day for our petting zoo and bake sale at Maple Syrup Festival. Earlier in the month we got together to clean up the park and train depot in preparation for Shepherd's Maple Syrup Festival. We will be having another petting zoo at My Chrysler on May 14. At our next club meeting we will be doing a tie dye project.

**Evergreen** - During our April meeting, we had a general business meeting. We made plans to proceed with a carwash and bake sale on May 15 at the Rosebush Fire Station (11 am - 1 pm). After the meeting was adjourned, club members went outside to plant herbs that will be enjoyed at home.

**Farm Hands** - In April we talked about our new shirts for this year and we picked a bright blue. We picked a date for road side clean-up with a nice meal after for all those that helped. We talked about all the weigh-ins coming up in May for goat, pig and sheep. We discussed camping and the new rules for side by sides and golf carts and what that looks like for everyone. We are planning on some fun craft days for the group and trying to get some ideas for something different. We talked about the Shooting Sports Spring Kickoff and who attended that and who didn't but still would like to participate. It was nice to get back into more of a routine with our meetings.

**Pony Creek** - We had a speaker come to discuss animal health and safety. We held an easter egg hunt for all the club members. We brought in our donations for the charity work. These donations were going to the Isabella Co. animal shelter. Future items discussed were volunteers to help with the 4-H camp clean up on 4/30 and 5/7, as well as our next meeting to include roadside clean-up.

**Retrograde Rhapsody:** At our April meeting, we painted Kindness Rocks. The members took turns talking about their current hobbies while we painted. We have plans to meet in a local park to place the rocks. We hope to bring joy to the lucky people who find our Kindness Rocks.

## Fair Superintendent Needed

We are looking for a fair superintendent in the following area:

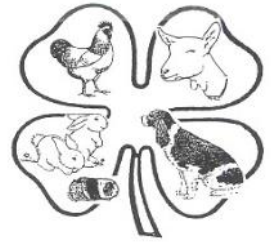

- Talent Show

Duties include:

- Help with the Still Exhibit Building set-up Thursday evening before entry day
- Work your area in the Still Exhibit Building on fair entry day (helping judges, set up projects for display)
- Help in the Still Exhibit Building when the projects are released – last Saturday evening of fair

Please contact Kristi (989-317-4079) if you are interested in helping or know of anyone who would be.

## Small Animal News

- If members/leaders have any questions, please reach out to the species-specific superintendent. Educational information and other details/reminders will be available to clinic attendees. We highly encourage members to attend at least one of the clinics so there are no surprises at fair check-in. Because clinics will be cancelled if temperatures reach 85 degrees or higher, it is a good idea to plan to attend the earliest available date. That also gives time for solving any issues that may be noted when animals are seen at the clinics.
- For fair class verification purposes, rabbit members (or a representative who has specific entry information) must attend either the June 21 or July 10 clinic. If either of those dates are cancelled, another option will be communicated closer to date.

### Clinic Dates:

Thursday, June 9

Friday, June 17

Tuesday, June 21 (Small Animal meeting will be held immediately following clinic)

Wednesday, June 29

Sunday, July 10

These clinics will be held in or around the Small Animal Barn at the fairgrounds and run from 6:30 - 7:15 p.m. each night. Please respect the time frame due to so many other responsibilities our volunteers have going on at this time of year.

- Goat area/pen set up will be Thursday, July 21 at 6 p.m.

## Fair Board Information

Camping for the fair is by reservations only. If you paid for a camp site in 2021 you should have received your 2022 reservation form and letter. Your payment and reservation form are due back on or before May 5<sup>th</sup>. Open camping reservations will be Saturday, May 7<sup>th</sup> from 9 a.m. - 12 noon at the Fair Office, first paid, first reserved. We accept debit or credit cards with a 3% fee, checks and cash (correct change only).

Watch our Facebook page <https://www.facebook.com/Isabellacountyfair> or our website <https://www.isabellacountyfair.com/> for fair announcements.

This website has all exhibitor rules and schedules.

## Isabella County 4-H STEAM Corps News

All Isabella County youth are welcome to join 4-H STEAM Clubs. 4-H STEAM Clubs are SPIN Clubs (SPecial Interest Clubs) that focus on topics related to science, technology, engineering, art, and math. These are short-term clubs that meet 1-2 times per week and last 3-6 weeks.

If you are interested in participating in 4-H STEAM Clubs, please:

- 1) Register with 4-HOnline at <https://v2.4honline.com>
- 2) Complete this 4-H STEAM Club Survey <https://forms.gle/dX6kZvKHC38JkoSJ6>

Club topics are chosen by members and have included Crime Scene Investigation, Jr. Audubon Explorers, Monarch Conservation, Lifecycles in Nature, and CodeBreakers! Upcoming clubs include **Good Vibes Only, Pollinator Power, Know it Owls: All About Michigan Owls, Making An Impression: All Things Art!** From your own creations to a Monet Art Lesson! If you are 5-19 and interested in science, adventure, exploring, learning and fun, please contact Mary Lee Humphreys at [humph186@msu.edu](mailto:humph186@msu.edu) for more information.

### Tips for purchasing and bringing home livestock

Adapted from: [www.canr.msu.edu/resources/tips-for-purchasing-and-bringing-home-livestock](http://www.canr.msu.edu/resources/tips-for-purchasing-and-bringing-home-livestock)

Acquiring new stock is exciting whether you are building your herd or flock, or purchasing your annual 4-H project. These tips will help you manage their health and safety by making sure you know the questions to ask before purchasing and the preparations required to bring livestock home.

#### Assessing Animal Health and Treatment Documentation

When purchasing animals, you should know their history. Ask the following questions:

- When was the animal born?
- What specific vaccinations has the animal been given and when were they given?
- If necessary, was the animal properly castrated and what method was used?
- Have any other treatments been administered to the animal? If so, what is the slaughter withdrawal for the drugs given?
- Have any of the animals on the farm been ill or shown symptoms of illness?
- If acquiring a market animal, what is the approximate weight?

#### Considerations as You Bring Animals Home

**Transporting.** Secure a trailer. If you do not own a trailer, make arrangements with someone who can transport animals for you. Be prepared to pay someone to provide transportation, as a courtesy.

**Unloading.** Make sure that your facility is ready to house your new animals before they arrive. Have a pen identified for new animals to go into with fresh water and appropriate feed. (Feed should be similar to their previous diet; changing to a new diet should be done over a period of time.) Have a clear and direct path to the animals' new pen from the trailer. Make sure that all gates are open or closed, as appropriate, and secured.

**Settling in.** Quarantine, or separate, new animals for a minimum of 21 days. At minimum, try to avoid nose-to-nose contact, and comingling feeding and watering. Minimize stress on new animals during the quarantine period. If after 21 days, the newly acquired animals have not shown any symptoms of illness, it should be safe to comingling them into your existing herd or flock.

**Comingling.** Since each species has a social hierarchy, observe animals during comingling and separate if there is risk of injury. Over the course of a day, the herd or flock should settle into a routine that includes the new animals.

### 4-H Great Lakes and Natural Resources Camp returns!

Save the date: 4-H Great Lakes and Natural Resources Camp is returning in person this summer! Hosted at Camp Chickagami in Presque Isle, this fun summer event will take place July 31—August 6.

# Raise a Leader Dog Puppy and Continue a 4-H Legacy

You have probably seen one, an adorable dog wearing a blue “Future Leader Dog” bandana and wondered how you can learn to train a dog to behave so well. There’s only one way to learn the Leader Dogs for the Blind (LDB) method—raise a puppy for the organization.

Did you know that the first LDB volunteer puppy raisers in 1958 were members of the Oakland County K-9 4-H Club? In fact, 4-H members have had a big impact at Leader Dog.

Long-time LDB Employee and Volunteer Puppy Raiser Pat Boyd, who personally raised 29 LDB puppies, learned about LDB as the leader of the 4-H club her five children belonged to decades ago. Three of her children raised 24 LDB puppies while also participating in other 4-H projects, “It would be easier to list what they didn’t do,” said Pat. Recently, one of Pat’s granddaughters continued the tradition by raising three LDB puppies while in high school.

“I liked the kids being involved with puppy raising,” said Pat, “it taught them responsibility in two ways. First, by caring for the dog for a year, and then the important responsibility of reaching out and helping people in need. While it is hard to give the dog back after a year, you are doing this for a person who really needs that dog to live their life to its fullest.”

Other LDB employees initially learned about LDB through 4-H. Bev Ferguson, manager of canine development, raised LDB puppies as part of her 4-H experience. Laura Fisher, puppy development coordinator, handled horses during 4-H, but now raises LDB puppies alongside her husband and three sons.

As a volunteer puppy raiser, you get to spend a year with a cute canine as you both learn the skills needed for the puppy to be ready for its formal guide dog training. With the help of an experienced LDB puppy counselor, you’ll learn the proper way to teach the common skills of sit, stay, settling calmly on a mat and walking nicely on a leash. But you’ll also learn unique skills needed by working Leader Dogs like ignoring distractions, moving confidently through busy environments and properly greeting people.

This opportunity is open to 4-H members and their families (applications must be filled out by someone 18 years or older). Whether you’ve been a “dog family” for years or have never had a dog, you’ll learn a lot during your year as Leader Dog puppy raisers.

Other benefits of this volunteer position include helping people who are blind become more independent and confident in their travel, meeting like-minded people and feeling good about giving back to your community.

To learn more, go to [LeaderDog.org](http://LeaderDog.org) and choose the “Volunteer” tab to apply or register for an orientation session. You can also read about the unique opportunity of hosting a Leader Dog Mom in your home.

Laura Fisher’s family photo shows that having multiple pets does not exclude a family from raising a Future Leader Dog (yellow Labrador, far right).

Pat Boyd shows off Future Leader Dog Grant who was puppy #50 of the 53 Leader Dog puppies her family has raised over the past 35+ years.

## Proud Equestrian Program

The 4-H Proud Equestrian Program (PEP) is a therapeutic horseback riding program that is offered through MSU Extension for individuals with physical, developmental, emotional or multiple disabilities. With the help of trained and caring volunteers, riders can improve balance, coordination, posture and muscle tone. Horseback riding also increases self-esteem, self-confidence, discipline and social growth. Most of all, horseback riding is fun!!

Our 2022 riding dates are 6/14, 6/21, 6/28, 7/12, 7/19, and 7/30 starting at 5:30 pm in Mt. Pleasant.

Isabella County 4-H PEP program is seeking horses for the upcoming year. **We are also seeking horse handler/leader and side walker VOLUNTEERS!** If you have a horse you feel will make a great addition to the program or **you personally are interested in being a VOLUNTEER**, please email PEP Instructor Mallory Wilson at [Mallory.wilson20@gmail.com](mailto:Mallory.wilson20@gmail.com).
