Project Information

Possession of swine project deadline is May 1st

Paperwork Deadline: May 1st at the end of the business day at the Jackson MSU Extension Office.

- DNA Paperwork and hair samples, RFID tag numbers, YQCA certification, flu vaccine verification are due May 1st but you will be able to drop off your paperwork, DNA samples etc. to the MSU Extension Office the week leading up to May 1st and the paperwork can also be e-mailed to: jacksoncountylivestockassoc@gmail.com
- YQCA Certificate is Mandatory! It can be done online or in person, link and times TBA
- Swine projects **must have an RFID tag from the breeder** to show and be auctioned at the fair.

Jackson County Fair also requires your swine project to have the flu vaccine prior to the fair. You must have written verification on file with the superintendents. If you are having difficulty with finding the flu vaccine there will be a limited quantity of the vaccine available at Pre-Fair Check In for you to purchase from the superintendents. Price TBA.

- **Please notify the swine superintendents if you need to purchase the vaccine so we do not run out.**
