- ❖ 4-H & FFA Record Books are required for **all** market swine projects.
- ❖ By keeping records up-to-date, you will be able to see how much progress you have made toward the goals you set and how your work to accomplish them has paid off.
- ❖ Write neatly and clearly.
- ❖ **Pictures are a required part of this Record Book.** Taking pictures of you and your swine together at the beginning and the end of your project is a great way to see how your animal grew.
- ❖ Remember, pictures are more fun and interesting when you are in the picture. Feel free to add pictures to your records on a separate piece of paper or purchase a hard covered binder to keep your books and extra pictures in.
- ❖ You may get additional information on swine from the following sources; *Your 4-H Market Hog Project, 4-H Skills for Life Swine Series, Swine Learning Lab Kit.* All are available from your MSU Extension Office.
