## LEELANAU COUNTY

JANUARY / FEBRUARY 2022

### Message from Your 4-H Program Coordinator:

I am so glad to be back in my position as the Leelanau County 4-H Program Coordinator! It's been busy here since the end of December, and we're up and running with many of our usual programs and events. As everyone is aware, the pandemic changed how we did 4-H business for quite a while, and in some ways, that's not a bad thing at all. Some of our programs were offered in a hybrid format, others were shortened, and some are very normal, other than the fact that we are wearing

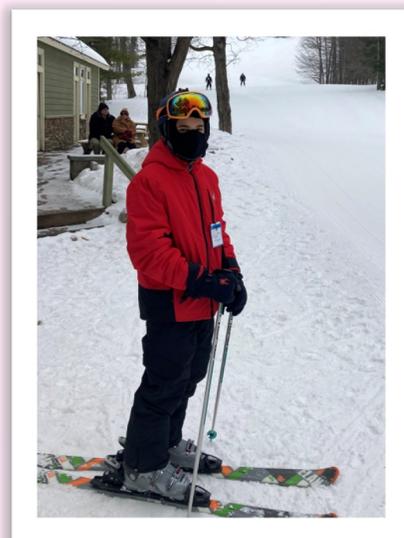

masks at times. This seems to be our new normal, and the flexibility of our 4-H volunteers and families is, as always, astounding and gratifying. If you have an idea for an event, program, or club you would like to see start up here in Leelanau, please reach out to me! [collierr@msu.edu](mailto:collierr@msu.edu)

## Safety and Fun In Person with our Leelanau County 4-H Babysitting Club!

Our Leelanau County 4-H Babysitting Club has met 3 times already, and what a wonderful group of youth! We have 20 young folks from all over the county, and Grand Traverse County, too, representing five of our local schools! The last two of the three weeks were dedicated to learning CPR and First Aid, with the help of instructor Josh Porter from the Suttons Bay Bingham Fire and Rescue Station. Josh taught them skills to help them respond in a helpful way during an emergency. They will walk away with a 2-year certification from the American Heart Association.

As we continue to meet this month, the students will learn many things about safety,

crafts, snack-making, the ages and stages of babies and kids, and just what it takes to be a great babysitter. We will do everything from practicing how to read aloud to role-playing different babysitting scenarios. Every session, they will receive more handouts and things to take with them to add to their babysitting bags, including creating their very own first aid kits for emergencies. They will even practice how to advertise safely that they are certified to be babysitters!

Thank you, in our fifth year of providing this program, for being a great partner, Suttons Bay Bingham Fire and Rescue!

## Hidden Beech Halloween Costume Contest at Jan Reincke's Farm: A New Tradition!

Our Leelanau County 4-H horse club, Hidden Beech Equestrians, with leader Eleanor Miller, started a new tradition this past fall, with a Halloween Costume contest at the farm of Jan Reincke here in Leelanau.

Youth and their horses dressed up in coordinated costumes, displaying their creativity and willingness to have fun together as a club. Let their example be a challenge to your club to do the same: find something new to call a "tradition" for your club. Don't forget to send photos to Rosali when you're finished!

## World Food Prize Michigan Youth Institute applications due March 15

As millions across the globe deal with food insecurity, the World Food Prize Michigan Youth Institute (WFP MIYI) offers young people an opportunity to be part of the solution. On May 12, youth will join together to become inspired and prepared as the next generation of global leaders to end world hunger.

Attendees will have the opportunity to share their ideas related to global food security with experts and other Michigan youth while learning how university faculty and staff members, researchers and students are working to address world hunger.

To participate, youth should be in grades 7-12 and register by the March 15 deadline. As part of the registration process, youth are required to prepare a two- to five-page research paper about a developing country and how it is affected by one of 20 key factors that impact food security. At the event, youth will present and discuss their papers with other attendees and research and industry experts. They will also participate in an interactive session with global challenge experts to learn more about topics related to global food and food security.

The top performing students at the WFP MIYI will be considered as possible delegates to attend the World Food Prize Global Youth Institute in October. For more information, visit [www.canr.msu.edu/wfpmiyi/](http://www.canr.msu.edu/wfpmiyi/). Registration will open on February 1; registration and papers are due by March 15.
