These will be offered Monday through Friday, from 10-11:30 am and again from 2-4 pm, with the Cloverbud Games happening under the DA tent on Saturday the 13<sup>th</sup> starting at 4:00 pm. ## Exploring Our Spark at 4-H Exploration Days 2022

We did it! After two years of not being able to attend this annual event on MSU's campus in June, our Leelanau County 4-H delegation traveled on our two Leland school buses down to campus, with five other counties, and had a great time learning, exploring, making friendships, and figuring out how to navigate a large campus. Our delegation was smaller than normal, with 12 youth, 6 adults, and 4 youth from two other counties having oversight from our chaperones, but that was an okay way to get back into the swing of things. The youth who went had comments like "I really liked my session" and "I met these guys from Monroe County—they were really cool. We're going to hang out later." Youth figured out how to get to parts of campus for their sessions on their own, and other youth went up to people they didn't know and started conversations. It was great fun to see all of the growth in such a short period of time! Also, a big thank you to our wonderful chaperones Dave Winowiecki, Clay Couturier, and Steve Oosse and our fabulous bus drivers Galen Leighton and Bill Branch! We couldn't do these trips without our fantastic adults! We're looking forward to next year's trip, so tell your friends to hold these dates: June 21-23, 2023! Many 4-H scholarships will be available!

## Orchard Tours and More During Cherry Festival was Pawsitively Fun!

A big thank-you goes out to our local 4-H clubs who helped out and provided the livestock projects for our 4-H petting zoo at the Horticulture Research Center during Cherry Festival in July. We enjoyed hosting Gotta Lluva Cool Critter, Frontier Quest, Pony Pals, Lone Wolves, and Backyard Bunch, as well as the wonderful cloverbud activities and crafts provided by Kathy Swinney. We also had the help of Everett Howell of our Leelanau County 4-H Youth Association, who ran a booth with a Money Carnival activity, and helped kids win a “squeaky pig” after they learned about good and not-so-good spending habits and budgeting. We had alpacas, calves, chickens, rabbits (including babies), ponies, goats, and bake sales, too! We also had fun coloring books focusing on the cherry industry and 4-H projects, stickers, pens, and pencils for everyone. The weather was wonderful all week, and it was great fun to visit with the public, talk about 4-H, and see our 4-H clubs do what they do so well: share their knowledge and give their time to others. We reached almost 300 people over the four days with our cloverbud and money carnival activities, and more than that visited with the animals. We are looking forward to being back again next year!

## 4<sup>th</sup> of July and Cherry Festival Parades: Leelanau 4-H Shined!

Our very own Pony Pals 4-H Club signed up to be part of the Leland 4<sup>th</sup> of July parade and did an amazing job of stealing the show! As one of the parents, Amy Sutherland, wrote: “The 9 youth members of Pony Pals 4-H Club, along with leaders Kim Creamer and Natasha Martinson and many parents and siblings, walked in the Leland Fourth of July Parade with their horses and ponies. They demonstrated their skills in keeping their animals calm in an unpredictable environment, distributed 4-H stickers to spectators, and even took home the award for Best Costume!” Way to go, Pony Pals! Talk about a whole-club effort! So fun to see the parents taking such an interest in their kids’ interests. We also want to shine a light on Small Town Farmers 4-H Club and leader Dannah Miller who took on organizing our local 4-H’ers for the Cherry Festival Community Royale parade for the Northwest Michigan 4-H Livestock Council! She said it was an absolute “blast” and wants to do it again next year. What a great way to celebrate our 4-H youth and volunteers and our community, our country, and our world.

## Our Tiny Tappers is Clicking as a 4-H Club!

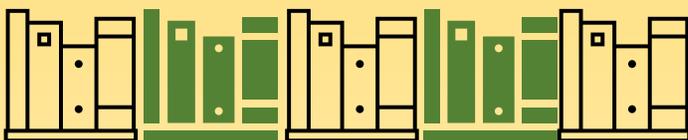

As Robin Carden, our new 4-H leader of Tiny Tappers 4-H Club said, "Today I got a hug from a Tiny Tapper. That is all and that is enough and more for any one day." It is amazingly fun to watch Robin in action with her Tiny Tappers, all cloverbuds, at the Center in Suttons Bay. They have been meeting on Tuesdays, and their final day will be during Fair Week. When Robin found out that one of her tappers was going to miss this last day because she was at Fair, Robin agreed to help out in the Tanner Building on Monday of Fair, so that her club member could do a cloverbud demonstration and earn a ribbon and show off her tap dance skills! Thank you to Robin for being so kind to these kids and thank you to the families for bringing your young ones in for a fun club! To celebrate all of this learning and excitement, Leelanau 4-H purchased backpacks just right for carrying tap shoes, 4-H water bottles, pencils, and stickers for each member. Look for upcoming details for the next Tiny Tappers 4-H Club to be held at Leland Public School starting in September! Only five spots left.

## Leelanau Township Library Summer Reading Program with Leelanau 4-H

A large crowd joined in on our visit at the library in July, with families from all over the state and other states, and local families looking for some fun on a beautiful summer day. We had several 4-H youth and adult volunteers there that day, including youth from Frontier Quest 4-H Club, Lone Wolves 4-H Club, and Kathy Swinney with Cloverbud Crafts. Every youth was able to receive a free 4-H bag containing stickers, pencils, pens, squeaky pigs, coloring books and fun crafts. We had three rabbits, two goats, and several chickens, too! We also had baby chicks to hold. Chickens on leashes (after Norman the chicken ran over to the Art Center), rabbits the size of small dogs, and goats that wanted to see everyone (and eat all of the leaves on the library's front lawn). This was great fun, visiting the library in Leland, and a big thank-you goes to their Program Coordinator Chelsea Hilton for welcoming us to take part in their program there this summer. She told us it was their busiest program yet! (see next page for more photos!)

## 4-H Grows with the Inaugural Parenting Communities Street Fair

We joined our county's Parenting Communities organization by taking part in their street fair in July in Lake Leelanau and promoting all that we do in 4-H. The audience we reached was on the younger side, but getting the word out about all that 4-H has to offer to our local community was appreciated by folks and we had some great interest from families about joining us at this year's fair to learn more. A huge shout out to Frontier Quest 4-H Club for helping to provide a small petting zoo with rabbits, chickens, and baby chicks. They helped at three outreach events in the month of July, and should be commended on their community service! Kathy Swinney also provided fun cloverbud crafts, offering the chance for kids to create ladybug and bumblebee rocks to take home. We offered free giveaways with coloring books, stickers, pens, pencils, and squeaky pigs, too!

## Sail Champion 4-H Adventure Camp Crews Learned the Ropes

Leelanau 4-H was able to successfully partner with the Maritime Heritage Alliance to have two groups of 4-H youth and volunteers take part in one-day sailing adventures aboard the Champion, a 39-foot classic vessel. The July 14<sup>th</sup> trip was a big success, and the August 5<sup>th</sup> trip is just about to embark! The crew was guided by a licensed captain, “Captain Steph”, who also had first mates and other Maritime Heritage Alliance volunteers assisting. The 4-H youth were able to learn about raising and lowering sails, tying several kinds of knots, charting a course, and actually steering the boat. This year’s camps were extended days, as they sailed out to Power Island, had the chance to swim off the boat, and more! The energy and positive comments of the youth as they left the boat was fun to see. Many wanted to go again! A special thank you to Garry Taylor for being a willing and very able 4-H volunteer on the boat with our youth crews, and congratulations to Everett Howell, who was asked to be a 4-H teen leader on the second trip! And, again, a huge thank you goes out to our local Rotary of Suttons Bay—Leelanau County as well as the Johnson Foundation for their generous support which allowed these youth to attend these camps for a wonderful price: the cost of a \$10 t-shirt.

# Calling all 4-H Club Leaders and 4-H Volunteers!

Please start thinking about getting ready for Fall Leader Updates with Rosali this fall, starting in September. These are for every club leader in Leelanau County. Leaders should contact Rosali to set up a time to meet in person. Paperwork required: Annual Financial Summary Report (even if your club does not have a bank account), Copy of Meeting Minutes, Signed Civil Rights Form, and any other club paperwork (such as fundraising report forms).

Financial account records should be sent to our office if they are not already, or leaders need to provide copies of these for the past 4-H year. Remember that the dates for the last 4-H year were September 1, 2021 through August 31, 2022. Volunteer Central is also going to be more user-friendly: If you are a volunteer (leader or not) and plan to remain active in the program, you do not need to do anything in Volunteer

Central until your birth month. You will then just authorize your background check in the system then. Also, for every 4-H volunteer in Leelanau, we do have one requirement: completion of the Child Abuse Reporting Protocol module in Volunteer Central. If you have not already completed this, you must do so by December 31, 2022. Please reach out to Rosali if you need assistance with this.

## 2022 Michigan 4-H State Award winners announced

The Michigan 4-H State Awards Program recognized outstanding 4-H members during the opening session of 4-H Exploration Days on June 22. At the event, honorees had the opportunity to celebrate their accomplishments with their fellow 4-H Exploration Days participants.

A Michigan 4-H State Award is the highest honor bestowed on Michigan 4-H members and recognizes a level of excellence in learning, leadership and service. In total, 20 4-H members from 16 counties submitted applications to take part in this year's program.

"With tens of thousands of 4-H'ers across the state, the youth honored with 4-H State Awards are some of our most accomplished 4-H'ers," said Julie Chapin, 4-H state leader of Michigan 4-H and director of MSU Extension's children and youth programs. "Their commitment to bettering themselves

and their communities through service and extensive 4-H work make them true leaders in their clubs, counties and across our state."

Michigan 4-H State Awards were presented in 13 of the 19 available award categories that showcase the diverse array of 4-H knowledge, skills, and experience. Recipients of the 2022 awards are:

To qualify for the award, 4-H'ers must submit a written application that showcases the learning experiences, knowledge and skills they've acquired through their participation in 4-H, as well as their contributions to their local 4-H programs, clubs and communities. Submissions are reviewed by the Michigan 4-H State Awards selection committee. This group of volunteers, staff members and industry experts determine which members are selected as award finalists. All applicants receive written feedback from selection committees.

Senior delegates (ages 16-19) and groups then complete an interview using video conference technology. Completing a video interview provides an opportunity for 4-H members to practice real-world skills that are trending in the workforce.

In addition to a plaque, each 4-H State Award winner in the senior division will also receive a \$200 cash award; junior winners receive \$50 cash awards. These awards are made possible by generous donations to the Michigan 4-H Foundation.
