_____

*: Classes in this section are required to submit four (4) photo: exhibitor with project, front view of goat, rear view, and side view.

#: Judging will occur via videos. Videos must be no longer than 60 seconds. Video needs to be of the goat walking in a circle, setting up the goat giving the judge a side view. When walking the goat make sure the judge has a back angle, front angle and both sides. Proper show attire is required.

@: Maximum 90 second video. Utilizing the camera person as the judge. Begin by walking away from the judge, stop and set eh animal up. Proceed on walking the goat in a circle, stop and set the goat up giving the judge a side view. Switch directions making another circle. Walk goat to the camera person, set the goat up again, have camera person walk around the goat as they were the judge, while exhibitor demonstrates showmanship skills. No narratives allowed in the video. Top showmanship exhibitors will be called back for a "final drive", which will include zoom interview with the judge. Date and time to be announced.
More information on how to take a good photo and video can be found at the MSU Extension Virtual Learning Showcase and Auction website, or by calling the 4-H office, 517-264-5300.
_____

Before submitting your classes, you must upload your pictures and video. You will also declare an estimated weight of your animal.

Evaluation and Awards: All classes will be evaluated using the Danish method (i.e. A, B, C). Every exhibitor will receive written feedback from the judge. There will be no market champions declared. Placings for showmanship.
