(Delegate / representative / Parent or guardian)
 - Delegates chosen as alternates must complete an entry form with all other entries from the County. If a delegate cancels, the County Extension staff must contact the Animal Science Office (517) 432-5402 by Tuesday, before the show weekend by 5 p.m. Alternates will not be eligible to participate unless notice is received from the County staff. The Macomb County Point Secretary will contact the Alternate Club Leader and the Club Leader will contact the delegate.
 - If a delegate / alternate notifies Macomb County Point Secretary too late to send the County's delegate quota they will forfeit their entry fee. **Lights and Mini's**

Mathematical formulation for those exhibitors that meet Delegate requirements: - Lights

- State Delegates will have the best three out of four shows used to tally points.
- For the three point shows used to tally points, the exhibitor’s highest three eligible classes will be totaled regardless of style or number of classes shown.
- The recording secretary will calculate the grand total of the best three out of four scheduled point shows for each qualified exhibitor.

Example:

	Highest Three Classes	Points	Highest Three Classes	Points	Comments
Points Show #1	2 nd , 2 nd , 3 rd	14	1 st , 1 st , 3 rd	16	
Points Show #2	3 rd , 3 rd , 4 th	8	2 nd , 4 th , 3 rd	0	No F&S class
Double Judge	1 st , *2 nd , 3 rd	11	2 nd , 2 nd , 4 th	13	*Only two exhibitors
Double Judge	3 rd , *2 nd , 5 th	7	3 rd , 2 nd , 2 nd	14	*Only two exhibitors
Grand Total		40		43	

Note: These calculations are for purposes of determining state show delegates and not year-end awards. All points still apply to year-end awards given for each class.

- The Point Secretary will determine state Delegates. Club leaders will contact Delegates for **Mandatory** July Meeting.
- In the event of a tie, fitting and showing points will be used as the first criteria for tie breaking, the second criteria will be age with the oldest exhibitor selected as state delegate.
- Macomb County Horse Program Committee will fulfill the volunteer quota requirements from MSU for the State 4-H Horse Show.

Year-End Awards

- A High Point and Reserve High Point will be acknowledged for each class.
- Participation points are accumulated at all 4H point shows, all classes, excluding any fairs. One point for every class you show in and one point for every class you place in up to sixth place. If you scratch from a class that class does not count, you must enter the ring and show in the class. If you are disqualified in a class you will still receive one participation point for entering the class.
- An accumulation of total points for a particular class will be totaled for all exhibitors, from all point shows that particular year.
- Tie scores will be honored and awarded.
- Participation awards will be presented to all exhibitors.

Monthly meetings are January, February, March, April, May, (only if necessary), July (state point show sign up - no minutes required), September, October, November (Banquet) and NO December meeting.

If any special meetings are called club leaders from each club will be notified and minutes will be required.

Point Secretary

Make sure show bin has all required items needed for show day....i.e., blank back number cards, highlighters, pens, pins, pencils, duck tape, rule books, all patterns, stapler & staples, 1" binders (at least 4), clip boards w/pockets for ring stewards, etc.

REGISTRATION:

Showbill: (do not change the class #'s) - update pattern numbers each year.

Registration Forms: (Do not change date on the bottom - only if the form is revised - then change to the new revised date)

Registration forms should be made available to Roberta at the MSU-E office for posting on the 4-H website. Please make sure they are titled correctly with the program year in the title. Please request that a cover sheet and age group page is uploaded for each age group separately.

Need Signed Form; Money; Picture of Horse; Negative Coggins by May 1st. Reminder. Any participant who's paperwork is not complete by May 10th will not be permitted to show that year.

Make sure to remind everyone to fill out their projected classes on their May 1st registration forms. They need to fill out ALL classes they think they MIGHT want to show in - does not mean they HAVE to show in them at the shows.

Get the list of all the people that took the Observation / Jump ride. Match these up to the registration forms. Make sure any one that has filled out the "age group" registration form has passed the Observation Ride. If they did not take the test or pass the test - they must enter the Walk-Trot classes. Make sure that any one that checked off the jumping classes has taken the jump test.

Once all registrations are in - assign back numbers. If they are returning from a prior show they will keep their same back number (unless they want to change it). Give everyone the choice to pick a back number. If they do not choose one then you can assign a random number. (I would use an easy number for the younger ages.) E-mail a copy of the back number list to the Ad Book committee to put in the Ad Book. Also supply a copy for each leader. (E-mail or give out at a meeting) Members are responsible for getting (or making) their own back numbers. There will be blank back numbers available at the shows. There are also some left-over numbers in the bin.

SHOWS:

Print individualized Registration Forms for EACH PERSON.

Print Patterns: Trail, Dressage, Saddle Seat Pattern, Equitation Over Fences, Show bills, Gymkhana Pattern book.

Need 2 People to help pass out the registration forms at each show 7AM - 8AM. DO NOT let anyone leave the booth with their registration forms - they must be filled out at the booth.

- Second tie breaker - Age-Older gets first choice

FINAL (END OF THE YEAR - BANQUET BOOK) POINTS:

- ALL FOUR SHOWS - ALL CLASSES

1st place gets 6 points; 2nd place gets 5 points and so on to 6th place gets 1 point.

Note: If less than 6 in the class the points are determined by the number in the class. So if there are 3 in the class: 1st place gets 3 points; 2nd place gets 2 points; 3rd place gets 1 point. See Macomb County rule book for explanation.

PARTICIPATION POINTS:

- ALL FOUR SHOWS - ALL CLASSES

1 point for every class you show in and 1 point for every class you place in up to 6th place. If you scratch from a class that class does not count, you must enter the ring and show in the class. If disqualified you still receive 1 participation point for entering the class

GYMKHANA POINTS: Gymkhana points are determined by all Gymkhana riding classes at all four shows (do not include Gymkhana F&S classes).

Treasurer

Do a yearly budget for approval at the January meeting. It is the Treasurer's responsibility to make sure all the committees stay within their budget. Have the checkbook available at all meetings and events to pay for expenses as necessary.

Reconcile bank statements with the accounts set up in Quickbooks. Keep files, laptop in working condition.

Maintain bank accounts with signature cards for treasurer and president.

Have monthly financial reports available for each monthly meeting. Have enough copies to pass out at the meeting. At least one for each club, committee member and elected officers.

Pay Insurance. Currently our policy is due in May. Make sure paperwork is filled out correctly and renewal form is sent in with the insurance payment.

When the ribbon committee is ready to order the ribbons, communicate with treasurer for payment. You must have the receipt for reimbursement.

The judges committee should give you a list of the judges for each show with their fees. You will need to make out the check for the judges before each show. Put check in individual labeled envelopes to give to the judges at the show. If the program will be paying the ring stewards then checks should be made out to them after they have completed their shift.

Make sure you bring the checkbook to the banquet to reimburse anyone with expenses incurred to make the banquet happen, pay the hall, etc.

Reimburse with a check to pay for the plaques. There will be two different companies the high point/reserve high point vendor and the non-high point vendor.

Reimburse with a check to cover expenses for participation awards.

Reimburse anyone that purchased items that were approved by a committee or monthly Horse Program committee meeting. Receipts are required.

Deposit Registration and ad book money into the horse programs bank accounts.

If the pep program becomes active again, you will make the deposits for this account as well.

Collect & deposit money from banquet tickets. Keep a copy of the tally sheet in the treasurer's box.

Ribbons Committee

Inventory and catalog all the ribbons left from the previous year. Light Horse, Mini/Draft.

Make sure ribbons are ordered by early order discount deadline date.

Take a show bill and count the classes that need ribbons and multiply x4 for Light horse shows and x3 for Mini/Draft shows - do not include Clover sprout classes unless needed.

For the FUN Show we use the flat ribbons. The FUN show has their own show bill. Use this and the inventory counts to determine amount of ribbons that need to be ordered.

Order 2nd - 6th place small rosettes for the Light Horse and Mini/Draft shows. The quantity will be determined by inventory from last year. Order the larger 1st place Rosettes for each show. Each show should have a different color, pattern, or style. Including the double- judged show - it is TWO shows so they should be different.

Clover sprouts must ALL get the same award. They cannot be "Placed". There should not be a "placing" on the ribbon. Both Light horse and Mini/Draft programs use clover sprout ribbons. They are all the same so they only need to be ordered if we run out or low.

Detailed orders must be faxed to Hodges (www.hodgesbadge.com) by the early order deadline date to get the 10% discount. They will send an order confirmation that must be reviewed, signed and sent back before they process the order.

The ribbons must be paid for when ordered. Use your own credit card or make arrangements with the treasurer to pay for ribbons. Keep receipts for reimbursement.

Make sure order is correct when it is shipped to you. Transfer all ribbons to the hut before the first show - usually in May. Ribbons from last year should be ironed if necessary.

Make sure correct set of ribbons is put out at announcers stand for each show. Mini/Draft will take out their own ribbons for their shows.

Make sure all orders/receipts/bills get to the treasurer in a timely manner.

Ad Book Committee

Make sure website has updated forms for each program year.

The Ad Book cover is a creation from a 4-H Member. They are submitted and sent to the MSUE extension office to be judged and they will determine the winner of the Ad Book cover. All other submitted artwork is placed in the ad book.

Prepare a packet for each club to be distributed at the January meeting. The packet should include an itemized tally sheet (for the club leaders) with the name of the member. It should also have a column for check # and name & phone number on check (sometimes the checks are not from the 4-H member) and a column for cash.

Set deadline for ads to be turned in. This deadline should give you enough time to put the book together and still have time to add additional ads that are turned in. The book should be complete and printed by the first 4-H show.

Review all tally sheets from each club to make sure you have the ads and the money for each ad. Make sure you have records of money received from each club and make a copy and give the money and a copy of the tally sheet to the treasurer.

It is easiest if you have Microsoft publisher or some type of publishing software. Most ads come in complete, some will need a little rework. Catalog/File each ad as you scan them into the computer. Making a file for each size ad that is scanned in, i.e. "1/4 page ads", this helps to make sure no ads are missed. When building your book in the computer, once you use an ad, it can be placed into another folder i.e. "used 1/4 page ads".

Once the book is put together get pricing for printing. Sometimes you will need to add a notes page to have the correct number of pages. Print amount of copies agreed on at the committee meeting. Contact the treasurer for the printer from the prior year to quote the printing/binding for current year. If you have someone that does printing work and want them to quote it....great!

Additional Ad Book Pages: Show Bill, Back Numbers, all show season patterns, and all other submitted cover art work.

Make sure the ad books get into the hut and that they are put out at all the shows.

Any ad books left after the show season should be brought to the banquet to be placed on the tables for anyone who did not get one. Make sure the treasurer has a copy for the ad book history box.

Observation Ride/Jump Committee

A location and date/make-up date must be selected. If using an outdoor facility (camp rotary) a make-up rain date must be set.

Each club leader will need to confirm how many members will need to complete the Observation Ride and/or Jump.

If the Observation Ride/Jump is moved to a private barn the chairperson of this committee will work with location owner to make sure the test is set-up and completed according to the rules of their facility. If riders need to be scheduled at certain times, due to parking restrictions, barn hours, etc., this will be coordinated by the committee and the barn owner. If the facility allows, refreshments can be provided if the budget permits.

Have certificates available to those who complete the Observation Ride and/or Jump. Make sure the point secretary has a list of all who completed/passed to update the members records.

If possible have teen leaders there to observe and evaluate the riders. They will give tips and help to the riders new to the walk/trot/canter classes. A 4-H Leader should also be present.

Each rider will be observed in the ring individually to be sure they can control their horse. They should be able to walk, trot, and canter around the ring in both directions and also be able to stop and back up.

If possible a group ride should be completed with the riders receiving any help they may need about ring etiquette. They should ride in both directions.

The chairperson for this committee should plan on arriving early to make sure everything is set for the ride and plan on being the last to leave to make sure the facility is left in the same condition as when the members arrived.

Warm & Sunny Fun Show Committee

Make & post show bill for the Fun Show on Horse Program website when available.

The show is usually the 1st weekend in August

Get a count of approximately how many members/family members/friends will be at the show so a food order can be placed.

Bring all *necessary* items out of the hut to have the show.

Collect the entry fees. They will be used to purchase lunch for those at the fun show. Any funds that left will be given to the treasurer for deposit into the Light Horse bank account.

Flat ribbons will be given out up to 6th place.

HAVE FUN!

Some classes that might be used, but are not limited to:

Egg & Spoon

Ribbon Race

Ride A Buck

Barrel Bending

Down & Back

2 Person Relay

Command

Boot Race

Put all equipment away and make sure grounds are cleaned up.

Judges Committee

Secure judges for the light horse show season. Judges fees must stay within the yearly budget. (Past years the budget has been approximately \$300-\$450 per judge.)

Judges must be secured from state 4-H judges list (found on the MSU 4-H website). Conditional judges usually have rates that are a bit lower than the regular judges.

Initial contact can be made via E-mail request to see if they have our dates open and what their fees are.

Our program does not pay mileage or for hotels. A flat rate fee should be negotiated for each judge.

Fill out the judge's evaluation forms (usually provided by the judge at the show) and mail into MSU Horse Program in E. Lansing after each show. Keep a record on file of every judge hired with their name and contact information along with their qualifications. Also include which show they judged and any notes or comments (positive and/or negative).

Judges can judge a mini/draft show and a light horse show in the same program year. Judges should not judge for our program every year, unless they are judging the opposite program as the year before.

Send out contracts once the judges have been secured for the scheduled show dates.

At least a month before the show send to the judges a copy of the patterns, driving directions, additional show contact information, show bill, start time, ring assignments, and instructions for Fitting & Showing patterns and Equitation Patterns if needed. Most judges have the state rulebook, but please make sure one is available at the show.

Make sure the judges, ring stewards, and announcers have water/pop throughout the day. Bring a cooler with ice, pop, and water to be kept at the registration booth so it is available for them. If there is not a food booth at the show, lunch needs to be provided for the judges. Turn in receipts to the treasurer for reimbursement.

Both judges do not need to stay for the gymkhana classes for the double-judged show. We usually send the one home that has the longest drive...but that decision can be made that day, depending on the circumstances of the day and how the show is running.

Grounds Committee

Yearly supervision of grounds clean up day.

Make list of jobs to be completed to get the grounds in shape for each new season.

Keep weeds under control by pulling or spraying. Starting in March and throughout the summer.

Plant and maintain flower bed between rings

Keep the rings in shape by dragging with the rake that is attached to ring #1. Drag rings the night before each show

Inspect for damage and/or missing equipment and keep an inventory of all items in the hut.

Purchase Lyme for the gymkhana classes.

Purchase garbage bags for the shows - to be kept in the hut.

Approved items that are purchased will be will reimbursed once a receipt is turned in.

Pattern Committee

All patterns should be sent to MSU-E 4-H office to be posted on the website. Please note that the patterns for dressage change every four years and the new ones will have to be sent in for posting.

A new Trail and W/T Trail pattern should be completed each year. Both state and county rules should be followed.

All patterns:

Trail, W/T Trail, Dressage, Saddle Seat Pattern, Reining, Equitation Over Fences,
All Gymkhana Patterns.

*The Fitting & Showing Patterns and the Equitation Patterns brought by the judges must be posted.

All patterns should be posted on the pattern board.

*The patterns the judges bring will change for each show.

Club Assignments

#1 Show Chairperson_____

#2 Show Chairperson_____

Double Judge Show Chairperson_____

Jobs will be the same for all 4-H Shows. If your club has been assigned a job you will need to make sure someone from your club, family, friends, etc. is there to cover them. The job list should be complete by the April Mtg.

Confirm food booth...or no food booth for all shows. This should be done by 1 person for all the shows.

The chairperson for each show should work with the president and announcer to make the show run smoothly.

We have found that setting up the trail pattern and bringing out all the jumps, the night before makes it much easier to keep the show moving. It is always helpful if there is a pickup truck at the show to load up everything at the end of the events to put them back into the hut.

The announcer booth electronics need to be set up first and make sure it is working. The walkie-talkies need to be checked to be sure they are charged. There should be three sets - one for each ring steward and one for either the chair or the point secretary - the announcer will keep the other three of the sets.

Make sure announcer has a jobs list so announcements can be made to get workers to their proper places. He / She will also need a show bill to keep the classes moving in and out of the proper rings.

Items at each show: chairs for the judges (for saddleseat, dressage, and reining), the first aid kit, garbage bags, cones, letters for dressage, tape measure, flags (American and 4-H), and all other necessary items needed to be brought out of the hut and put at the announcers stand or at the appropriate ring. They will also need to be put away at the end of each show. Empty all garbage cans at the end of each show.

Be available to handle any issues that may arise at the show that you are the chairperson.

Gymkhana - make sure the timer is set up properly and working.
(NOTE: Check Batteries)

Meet and greet the judges and introduce them to their ring stewards. Offer them a show bill and any other patterns they may like to have. Give them any further instructions if needed. Let them know there is water/pop available for them in the cooler.

The chairperson for each show will need to stay to the end of the day to make sure all equipment is put away, grounds cleaned up, and everyone is on their way home.

RING STEWARDS:

Proper Attire: Jeans, long or short sleeve shirt or a nice t-shirt, boots or tennis shoes. Tank tops and flip-flops are unacceptable. Sunscreen and a ball cap help when it is sunny.

All judge's cards should be turned in at the registration booth. Your clipboard has an envelope taped to the back of it to hold the cards until you can get them turned in.

Please be courteous and pay attention to the judge you are assisting, but do not disturb them while they are judging.

Payment of ring stewards is to be determined yearly by the horse program committee.

Banquet Committee

Set Date Yearly - Usually 2nd Sunday in November.

If needed bring and set up additional equipment to have two *screens* for the Horse Program video. This should all be coordinated with the person in charge of making the video.

Determine who will be putting together the "Year in Review" video. This should be determined before the show season, so pictures from all events can be taken and submitted. Remind all clubs to take pictures of their club events and shows, so they can send them in to the video coordinator.

Book the hall. We use Zuccaro's Banquet Hall on Gratiot.

The point secretary should have the Year End Point Results to you by August or September.

All High Point and Reserve High Point receive a trophy or plaque which is decided upon by the Banquet Committee. All others (non- HP and non-R) will receive a smaller trophy or plaque. All plaques HP and RHP and No-HP should be ordered in conjunction with the Mini/Draft plaques to get the quantity discount.

Type out the information for the plaques on a word document for the plaque companies. You will have two different separate lists - one for each company.

Replacement plaques also need to be ordered for the prior year recipients of the Bill Collins Award, the Jane Sylvester Award, and the Gymkhana Award. These are the "traveling" trophies that also need to be picked up from the prior year's recipient in October so new plates can be put on them.

Type Certificates by age groups - A template is available to make it easier.

The point secretary will give you a list for the participation awards (gifts).

Participation awards are grouped in tiers. Suggested tiers are

(1-19 points') \$10.00 +/- (20-39 points)\$ 20,00+/- (40-59 points)\$35.00 +/- (60+ points)\$ 50,00 +/-

Buy "aged-out" member gifts. \$25,00 + each.

Call the Banquet Hall with a **TABLE** count (along with a person count). You will need to determine how many tables will be needed by the number of people per club. You can combine some of the smaller clubs. It is important to assign tables to all the Clubs and any individual people that attend. Table tents can be made to signify club seating.

Make tickets for the banquet and a flyer about the banquet to be given/sent to each club leader. Collect all funds. Once the funds have been collected you can distribute the tickets to those clubs that have paid in full. Once the count has been given to the hall there will be NO REFUNDS. Make sure the treasurer gets the money. This should be turned over with a tally sheet containing the ticket counts and monies paid from each club.

Centerpieces, chocolate favors, cupcakes are suggested items used for table settings at banquet.

Arrive at least 2 hours before the start of the banquet to bring all the trophies, plaques, and gifts.

Also be sure tables, centerpieces, door prizes, and all other items are in place.

The banquet committee will organize the Plaques, Certificates and participation awards.

Put together the banquet book. See an old banquet book to copy from.

Keep a banquet book for yourself with notes in it for next year's banquet. (The Bill Collins, Jane Sylvester, and Gymkhana winners and any other notes that you would like to change or add for next year.)

Make a script for the MC.

Follow the order in the Banquet Book: Mini, Draft, Light horse.

Put together the list of Plaques in order by age group, youngest to oldest. Put clubs together in groups - usually try to make groups of 6 - 8. It will vary by how many in the total age groups and by clubs. Make sure everyone from the same club gets placed in a group together - for pictures. When putting together your list - include if they have a High Point or Reserve High Point Plaque - this will help when sorting the plaques into the groups to be called up.

Sort the certificates by using your list.

Place the plaques and certificates together on the table - by program (mini - draft - light) then by youngest to oldest in the groups of 6 - 8. The MC will call up the groups onto the stage, read the certificates and then hand them to the recipient with their plaque.

Put together the list of participation awards in order by groups - lowest (group 4) to highest (group 1) - then in groups of 6-8 and then by clubs. The MC will call the groups of 6-8 up on stage.

PEP Committee

This committee is currently inactive.

The funds to help pay for insurance, instructors, and a facility are under the control of the Horse Committee.

This program is a riding program for mentally and/or physically challenged youth. The MSU-E 4-H office has the necessary criteria for a certified instructor.

A certified instructor is required, along with a facility that meets the requirements of the program, an insurance policy for PEP programs (this is not the same insurance we have for our horse program), horses that are well broke and quiet, and trained volunteers.

Fees charged to approved participants/riders help defray the cost of the insurance and/or facility and necessary equipment.

The Horse Program Committee has special saddles, reins, and other various pieces of equipment that are held in storage for this program.
