

Macomb County Farm Bureau 4-H Club Grant Program

Purpose and Policies on the Distribution of Funds

What is the Farm Bureau 4-H Club Grant Program?

The Farm Bureau 4-H Club Grant was developed by Macomb County Farm Bureau Leaders to help fund projects that will:

- Develop Future Leaders in Agriculture
- Bring awareness to agriculture topics and issues to youth in Macomb County
- Strengthen the 4-H agriculture involvement
- Increase the knowledge base of our 4-H Community to be the voice of agriculture for the future

Eligibility

Grant Applications can be submitted from all Macomb County 4-H clubs engaged in agriculture project areas.

How much money is available?

The 4-H grant program has \$2,500 to distribute a year.

Who decides on the grants?

The Macomb County Farm Bureau Promotion and Education committee will meet and review the grant applications. Those selected will be notified of the acceptance and the amount of grant granted to your club.

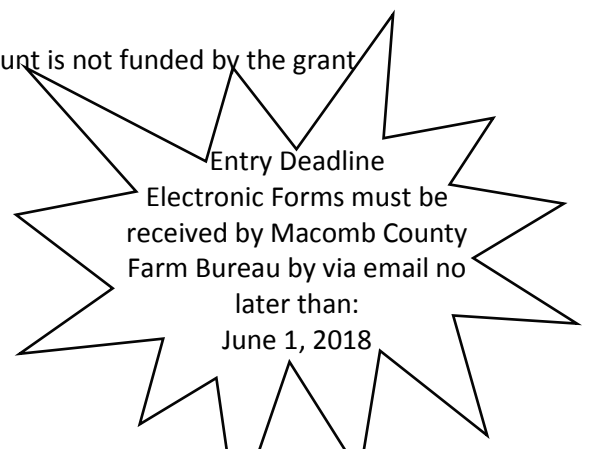

What is the criteria for the grants?

Each 4-H Club will need to complete a Club Fund Application. Based on the following criteria:

- A project plan/description including budget with total estimated project cost and amount requested
- Summarizing what the activity will do to impact your members
- How you are involving your members in the planning and execution of the program.
- Is this a new program for the club
- Will you be working with other 4-H clubs or organizations
- Will the club be cost sharing in the program if the full amount is not funded by the grant

Food can be included in the budget for the grant.

Applications must be typed and emailed to jwallac@ctyfb.com
