4-H Family News

May 2021

Moving into May

So many exciting things are happening this Spring for 4-H. New families are joining, new Clubs are forming, and the opportunity for an in-person 4-H Event has been approved! You heard right, May 15, six 4-H families have the opportunity to give back to the community through service in-person by signing up for a time slot to come clean up the Arboretum Trail in Wellston with 4-H's latest community partner, Dublin Heights Sportsmen's Club. We are hoping that not only will this be the first of many more in-person 4-H events in coming days, but the beginning of new 4-H projects and education opportunities for Manistee 4-H youth in Shooting Sports and Outdoor & Recreation! Come be a part of this exciting day by signing up [here](#). MSU Community Compact must be followed to participate.

Exploration Days registration is open now! Sign Up for your own unique summer adventure! The Exploration Days team has put together an amazing schedule of opportunities for us to choose from (yes MSUE Staff get to attend to!). I hope to see you there!

Sincerely,
