

Working Together for Healthy Lakes 2018 Joint Conference

Grand Rapids • October 4-5, 2018

Contributor Opportunity

The **Michigan Inland Lakes Partnership (MILP)** invites you to support the 2018 Michigan Inland Lakes Convention at the Crowne Plaza Hotel in Grand Rapids and spotlight your organization.

The Michigan Inland Lakes Convention is a biennial event which brings together lake enthusiasts, professionals, researchers, local government officials, and others interested in protecting Michigan's water resources. In 2018, we are partnering with the Michigan Clean Water Corps (MiCorps), our statewide volunteer lake and stream monitoring program.

We invite you to support MILP's efforts in building awareness and knowledge about inland lake issues throughout the state. Listed below are the different opportunities for support. All donated funds go directly to supporting the Convention. This direct financial support towards the overall costs for the Convention helps to keep prices reasonable for participants.
