

MICHIGAN INLAND LAKES CONVENTION: PROTECTING LAKES TODAY FOR TOMORROW

September 14-16, 2022
Virtual via Zoom

The **Michigan Inland Lakes Partnership (MILP)** invites you to support the 2022 Michigan Inland Lake Convention – *Virtual*. Join Michigan organizations, agencies, and businesses in helping advance stewardship of our inland lakes through learning, networking, and exchange of ideas.

The Michigan Inland Lakes Convention is a biennial event that brings together professionals, researchers, local government officials, students lake enthusiasts, and others interested in protecting Michigan's water resources. The online format will allow us to reach a large audience, provide an archive of recorded presentations, and offer lower registration fees. While the costs are decreased compared to an in-person Convention, there are still substantial costs associated with offering an accessible and successful online event including logistical and technical support, recording, captioning, and posting presentations for future access. Your support helps keep prices reasonable for all participants, allows us to offer student scholarships, and is an excellent exposure opportunity for your business or organization.
