

August 2025

2025 Junior Livestock Association Auction

Dear Friend:

During 2025, Monroe County 4-H members have spent many hours raising another offering of outstanding livestock. We hope that you are enjoying your visit to the Monroe County Fair and that you will enjoy spending the evening with the 4-H livestock members. This year, Stoneco has provided barbecue sandwiches, Wolverine State Concrete donated chips, and the Fitch Family has provided us with beverages for the evening—thank you for your generous donations and support. Please take your bid paddles to the southwest corner for food and beverages.

We have been working hard to secure processors to serve and meet your needs, but the availability of spaces are limited and will be filled on a first-come, first-serve basis. We invite you to visit the “choose processor” line immediately after securing a winning bid throughout the sale. This will allow the clerks to maintain an up-to-date count of slaughterhouse availability. A list of available processors is listed on the next page. Your patience and understanding is greatly appreciated.

MSU EXTENSION

Our partnership with First Merchants Bank, the Monroe County Fair Association, and the 4-H Tech Committee has strengthened our auction process, but it depends on your help to make it successful. Please check out and get your invoice immediately after the sale. All invoices will be due by August 30, 2025.

Junior Livestock Association Ice Cream Social will be held on September 14, 2025 at 2pm in the 4-H Activity Center. Buyers, please save the date and attend.

Thank you for your continued support of the Monroe County 4-H youth.

Sincerely,

Dave Reaume
