January 2018
QUARTERLY NEWSLETTER
ISSUE #31

Happy New Year!

Last year was a big one for the Greater Lansing Regional Committee for Stormwater Management. We applied for the next round of MS4 permits, hired new staff, and reworked our website, but 2018 is shaping up to be even busier yet! Here are just some of the things we will be focusing on:

- Administering the 2018 Regional Water Quality Survey to help guide our public outreach campaign
- Permit issuance for GLRC members in fall/winter
- Convening the TMDL Committee in preparation for E. coli TMDL implementation
- Participating at the Quiet Water Symposium, MSU Science Festival, and other regional events
- Holding a Public Education workshop for Communications and Social Media staff
- Illicit Discharge and Post-Construction training
- Assisting GLRC members with public outreach and education through events, websites, and social media
- Rotating the new GLRC display between all members' lobbies

If you are interested in getting involved with a committee or volunteering, please contact Cliff Walls, GLRC Coordinator at cwalls@mitcrpc.org or 517.393.0342 x 20

Save The Dates!

23rd Annual

Quiet Water Symposium

March 3, 2018 | 9 am - 5:30 pm

MICHIGAN STATE UNIVERSITY PAVILION

EXHIBITS & DEMONSTRATIONS

Camping · Hiking · Sailing · Paddle Sports · Boat Building · Fishing · Outfitters & more

Quiet Water Symposium: March 3, 2018

The Quiet Water Society is a 501C3 corporation founded to educate the public and encourage participation in non-motorized outdoor recreation; to promote public concern for the water resources of the Great Lakes region; and to support environmental stewardship and conservation of natural resources. The 23th Annual Quiet Water Symposium will be held once again on the campus of Michigan State University as part of Michigan State University's Agriculture and Natural Resources Week.

More information on the symposium can be found at www.quietwatersociety.org.

MWEA Watershed Summit: March 28, 2018

The Michigan Water Environment Association's Annual Watershed Summit will be held March 28, 2018 at the Eagle Eye Banquet Hall in East Lansing, MI. Learn what your local watershed groups have been working on and how you can get involved. The purpose of this summit is to:

- Bring together as many of Michigan's watershed groups as possible
- Provide an opportunity for speakers from other organizations to share information and updates
- Give groups a chance to interact with and learn from each other
- Facilitate discussion on current status, concerns and outlooks regarding Michigan's water environment

More information on the summit can be found at www.mi-wea.org.

Michigan State University Science Festival: April 6-22, 2018

The MSU Science Festival is a multi-day series of events that highlight the fields of science, technology, engineering, arts, and mathematics (a.k.a. STEAM). The Festival features talks, demonstrations, tours, open houses, guest speakers, hands-on activities, and more.

More information on the summit can be found at www.sciencefestival.msu.edu
