

4-H IS A COMMUNITY

4-H is delivered by Cooperative Extension—a community since 1902 of more than 100 public universities across the nation that provides experiences where young people learn by doing. Our programs are available for youth ages 5-19.

HEAD = Managing & Thinking

HEART = Relating & Caring

HANDS = Giving & Working

HEALTH = Being & Living

In Michigan, 4-H Youth Development is delivered locally and operated through a partnership between the county government, Michigan State University Extension, and the U.S Department of Agriculture.

HOW TO JOIN

1. Look over this 4-H Club Directory and reach out to the club leaders to see if their club fits your child's interests. The leader will provide all the details of the 4-H club.
2. Register on 4-H Online! Scan QR Code for website. (Parents, you do not need to enroll yourself unless you have interest in volunteering).

VOLUNTEERING

4-H is always looking for volunteers. Adults aged 21 and older are encouraged to help our clubs. 4-H is a volunteer-powered organization. Volunteers receive support, guidance, and help making ideas into reality from 4-H staff members. Scan the QR Code to apply to become a 4-H volunteer.
