OBJECTIVES

1. To let members experience love of animals.
2. To members to experience the obligations and responsibility required in a livestock enterprise.
3. To let members experience and cope with the “values” and “attitudes” of responsibility in a relatively unsupervised environment. Supervision will be provided on a periodic basis.
4. To allow the member to provide meat for the family table and/or to experience the marketing process and system through sale of his project.
5. To let the member experience competition by fitting and showing their animal at local or area organizational sponsored shows and the Fair.

This record book is part of your Junior Market Goat project. By keeping records up-to-date you will be able to see how much progress you make as you set goals and work to accomplish them. Write or type neatly and clearly. Please keep the pages in order. Feel free to add extra pages at the end of your notebook.

Include the following:

- ✓ Feeding and watering practices
- ✓ Grooming (clipping, hoof trimming, etc.)
- ✓ Health practices and medicines
- ✓ General Management (cleaning living area, etc.)

Daily- Things done once or twice a day
Weekly- Things done once or twice a week
Monthly- Things done once a month
Yearly- Things done one time or occasionally throughout the year

MARKETING

One of the most important parts of any market animal project is marketing. This may include writing letters and talking to prospective buyers. Color in the face, a smiling face is a good action, a frowning face is a bad action. (see the example)

Good Marketing Practice

Poor Marketing Practice

	Send a picture to your potential buyers	
	Send a reminder to attend the auction	
	Let an adult talk to the buyer instead of you talking to them	
	Know what kind of feed you used if asked	
	Make sure to visit your previous buyers	
	Only thank those who agree to be listed as a potential buyer	

WHAT DOES YOUR GOAT NEED?

(have an adult help you read the following & then **circle those items that your goats** need below)

All living creatures need certain things to survive, like *food*, *water* and *shelter*. *Farmers* take care of their animals to make sure they are healthy and comfortable. If any animals are sick the farmer will treat them with the help of the *veterinarian*. Goats need roughage such as *grass* to keep their digestive system working correctly. Some plants such as *Lily of the Valley* & *Oleander* are **not** good for your goat to eat.

POTENTIAL BUYERS NAMES

As part of your 4-H Small Market Livestock Project, you must personally contact at least three potential buyers before the Oceana County Fair. You are encouraged to seek two new buyers that have not been asked or submitted before. **You also must have at least three different buyers than those of your siblings in the market livestock project.** Please confirm with your buyers their accurate mailing address (example: post office box vs. a street address). The information on page 14 must be completed and taken to the Oceana County MSU Extension Office on or before the due date where it will be **copied** and used to send out letters to your potential buyers. This page will remain in your notebooks. This is a Market Livestock Committee rule. Failure to comply will result in not being able to sell your animal in the 4-H Market Livestock Sale.
