

2022/2023 4-H MARKET LIVESTOCK SWINE PROJECT REQUIREMENTS

1. **Age Requirement:** The 4-H Member must have reached their **9th birthday by January 1, 2023** to sell a hog in the 2023 sale. A member may continue in the project as long as they are enrolled in High School. A person graduating in June of 2023 could participate in the 2023 sale.
2. **Returning vs New Member:** A “Returning” Market Livestock Member is a 4-Her that has been enrolled at least one year in a market livestock project (Large, Small or Junior). A “New” Market Livestock Member is a 4-H'er enrolling in a market livestock project for their first year. All returning 4-Her's must have achieved a grade of B or better on their most recent market animal notebook. If you are registered in the 4-H Market Livestock Project you are not eligible to participate in the 4-H Small Market Animal Association.
3. **Optional Two Animal Registration:** Those enrolled in the 4-H Market Livestock Swine Project have the option of raising two hogs. If they choose to raise two animals they will be required to pay a non-refundable \$5 for the second animal and acquire a second ear tag from the MSU Extension Office for this animal by June 1, 2023 at 4:00 p.m. The second animal will be registered as the “backup” animal. Breeds, ear tag numbers and pictures, with visible ear tags (or signature of leader for those not visible) will be required for both animals. At this time the 4-H'er will declare which animal is their “Primary” animal and which will be their “Backup” animal. One backup animal may be registered to more than one 4-H'er, but each 4-H'er must pay the \$5 backup animal fee.
4. **Backup Animal Notification Deadline:** The 4-H'er raising two animals will have until **Tuesday, August 8th** to notify the MSU Extension Office, in writing, that they will be bringing their backup animal. If notification is not made, the primary animal will be the one expected to come to fair. If a 4-H'er brings the backup animal without notification, in writing, to the fair they may be disqualified from exhibition and the 4-H market program.
5. **4-H Enrollment:** 4-H'ers must have completed the 4-H Enrollment through <https://v2.4honline.com/>
6. **Registration/Applications Time Frame:** I understand that all market applications will be accepted on a first come, first serve basis, pending available space. **If I completed the market swine project last year, and met all of the requirements listed on the 4-H Automatic Enrollment Policy, I may sign up during the time frame of October 24, 2022— January 3, 2023 at the MSUE Office, by 4:00 p.m.** I must have reenrolled through 4-H online at <https://v2.4honline.com/> before my application will be accepted and all signatures are attained on my application.. The final deadline for enrollment is by 4:00 p.m. on January 3, 2023 pending available space.
 - Tier 1** timeframe is 10/24/22– 10/28/22. (completed the project fully in 2022)
 - Tier 2** timeframe is 10/31/22– 11/04/22. (completed a minimum of 6 meetings, B or better on their 2022 notebook but may not have made weight or other extenuating circumstances that were brought before the Market Livestock Committee as per the steps in the 4-H Automatic Enrollment Policy– attached)
 - Tier 3** time is 11/12/22– 1/3/2023 (new to 4-H, project, or did not complete their project in 2022)If needed, a waiting list of at least 5 names will be taken.
7. **Waiting List System:** Those placed on the waiting list will be notified if a space should become available. Applications will be numbered in the order they are received. If a member is notified of available space prior to the May 10th deadline for breed, picture and ear tag, they must submit this information on or before June 1st. If a member is notified after the June 1st deadline, they will have 2 weeks to submit breed, picture and ear tag numbers. There will be no filling of open spots after July 1st.
8. **Animal Housing:** **The location where the hog is housed must be recorded on your application form.**
9. **Ear Tag Requirements/Deadlines:** All 4-H Market Livestock Swine project animals will be required to have one (1) Oceana County 4-H Ear Tag placed in their hogs ear. These tags will be provided to the leaders (1 per member) from the Extension Office. All swine animals will also require a **Michigan Department of Agriculture & Rural Development (MDARD) identification tag. These tags with either be provided by who you purchase your animal from or by registering your farm with MDARD to obtain the necessary information to order your tags.** Please see the attached information. MSU Extension. or the Oceana County Agricultural Society, will not be providing these tags. These number must be turned into the MSU Extension Office no later than Thursday, June 1, 2023.

For those members registering two animals, you will be required to get your second Oceana County 4-H Ear Tag from the Extension Office prior to the June 1st deadline, as well as providing the MDARD Ear tag. All ear tags, breeds and pictures must be turned into the Extension Office by **Thursday, June 1, 2023. NO EXCEPTIONS!**

10. **Lost/Fallen Out Ear Tags:** If ear tags are lost or fall out, the Extension Office must be notified at once. An Oceana County 4-H Ear Tag replacement tag will be issued from the MSU Extension Office. If the MDARD tag falls out, you will need to contact the farm you purchased your animal from for a replacement if the tag was provided at the time of purchase. Otherwise, you will use one of the tags you ordered following the MDARD Swine tag instructions (attached). Any project animal coming to the fair without a 4-H & MDARD ear tag will not be allowed to enter the barn. **All ear tag replacement numbers must be provided to the MSU Extension Office as soon as possible, but no later than July 28th.**
11. **Picture & Breed Requirement:** All 4-H Lamb project members raising lambs will be required to **submit a color picture of their animal (s) with a visible ear tag and animal breed by Thursday, June 1, 2023.** Pictures that do not have a visible ear tag must be initialed by the leader to verify that the ear tag has been placed in the animal's ear. A physical copy of the picture is preferred, but email copies will be accepted if submitted in the digital picture format provided by MSU Extension. No other forms of digital pictures will be accepted. No faxing of pictures.
12. **Recommended Starting Weight/Feed Date:** All 4-H Swine project animals should be on feed by Monday, May 1, 2023 to reach the fair weight range of 220-310 pounds. The 4-H Market Livestock recommends a starting weight of 45-55 pounds.
13. **Replacement Deadline:** If the hog should die or some other special problem occurs prior to or on **July 1st of the project year**, the 4-H'er may request the 4-H Market Livestock Committee to grant a replacement. The MSU Extension Office must be notified prior to or no later than **July 1st** so that the Executive Committee/or Full Committee can be contacted for the replacement permission. Replacement animal requests will only be considered after the deceased/special problem animal has been viewed by the leader, 4-H Market Livestock Committee member or submission of a veterinarian's written explanation of the cause of death or special problem. **All pictures, ear tags and breeds for replacement animal must be on file at the Extension Office no later than July 28, 2023.** Failure to do so will result in disqualification from project. Those raising two animals, you may elect to have the "backup" animal as their replacement animal and would need to notify the MSU Extension Office in writing of this decision by **July 28, 2023** since the request for a replacement was made prior to July 1st.
14. Barrow and gilt market hogs are eligible for 4-H market classes. A Barrow is a completely castrated male. Animals with evidence of staginess, testicles, incomplete castration, or with late castration will be disqualified from the 4-H market livestock swine program. **No boars will be allowed in the 4-H Market Project..**
15. **Notebook Requirements:** Members will be required to complete a project notebook that will chronicle the time and care you spent with your animal. The notebook will be designed to include a table of contents and appendixes. The notebook must be kept in table of contents order with additional information you would like to include in the notebook within the appendixes. The "Journal of Care" record will be mandatory for all members to complete. The earning of a "B" ribbon or better on your notebook will qualify you for next year's project. **The notebook must be presented at the time the 4-Her's animal is being weighed.** Failure to do so will result in not being able to sell at the 4-H Market Livestock Sale. **The notebook must then be submitted to the 4-H Exhibit Building before 5:00 p.m. on Entry Day. Once your notebook has been placed in the 4-H Exhibit Building you will not be able to retrieve it to add additional information. Should Fair be held virtually the notebooks must be completed to the best of your abilities and submitted to your leader for pass/fair review.**
16. **Potential Buyer's Names:** Member's must provide a list of potential buyers and their complete Mailing addresses (including zip codes) to the Extension Office on or before Tuesday, August 1st at 4:00 p.m. This list maybe submitted in-person, via email to schaner4@msu.edu or pumford5@msu.edu or faxed (231-873-2129) to receive a stamp and initials from the Extension Staff. Members must have 3 different buyers from that of their siblings participating in the same auction. Buyer's names should be submitted on sheet provide in the notebook and not one name per sheet. All potential buyer's names must include phone numbers. Please note: Buyer's email addresses and after-hours contact numbers are being requested again this year. Any buyer's names submitted without complete address, zip code or phone number will be returned to the 4-H Member. Buyers will have the option to indicate if they would like their letter emailed or delivered through the postal service. Any buyer letters returned for incorrect addresses (either email or postal delivery), the Extension staff will not make any attempts to find the correct address. The buyer will be removed from the mailing list. Failure to provide the required buyer's list (with correct and complete information) will result in not being able to sell at the 4-H Market Livestock Sale.
17. **Entry Day/Weigh-In:** Hogs must arrive and be placed in their assigned pens by 11:00 a.m. on Entry Day. **All animals must be washed prior to arriving and ear tags must be clean and visible.** All animals must be weighed at a central scale designated by the 4-H Market Livestock Committee or a designated weigh master. Weighing of hogs will begin following the weighing of all available lambs or no later than 11:15 a.m. All animals will be weighed to the nearest pound. **All hogs must weigh between 220 lbs. to 310 lbs. to be eligible to sell.** There will be no re-weighing of animals. Any animal that does not fall within this weight range will not sell. Animals that do not make weight can be taken home or may stay for showing and selling out of the barn as a 4-H animal, but the 4-H member will be assessed a "participation fee" that will be used towards program costs. Failure to pay the assessed fee can result in disqualification from next year's project. Hauling fees will be extra if the animal should sell and buyer would like it taken to a Market Livestock arranged processor. If hauling fees are not paid, it will be the responsibility of the 4-Her and/or buyer to remove the animal from the grounds at the close of the Fair.

18. **Entry Day/Weigh-In:** Hogs must arrive and be placed in their assigned pens by 11:00 a.m. on Entry Day. **All animals must be washed prior to arriving and ear tags must be clean and visible.** All animals must be weighed at a central scale designated by the 4-H Market Livestock Committee or a designated weigh master. Weighing of hogs will begin following the weighing of all available lambs or no later than 11:15 a.m. All animals will be weighed to the nearest pound. **All hogs must weigh between 220 lbs. to 310 lbs. to be eligible to sell.** There will be no re-weighing of animals. Any animal that does not fall within this weight range will not sell. Animals that do not make weight can be taken home or may stay for showing and selling out of the barn as a 4-H animal, but the 4-H member will be assessed a “participation fee” that will be used towards program costs. Failure to pay the assessed fee can result in disqualification from next year’s project. Hauling fees will be extra if the animal should sell and buyer would like it taken to a Market Livestock arranged processor. If hauling fees are not paid, it will be the responsibility of the 4-Her and/or buyer to remove the animal from the grounds at the close of the Fair.
19. **Grading of Animals:** All registered 4-H market hogs will be graded at the Fair. Any animal determined to be of low quality by weight, age, or grade by the judge will not be eligible to be sold at the Market Livestock Sale at the Fair. All eligible animals must be sold at the 4-H Market Livestock Sale.
20. **Showing/Selling Requirements:** All animals must be shown in showmanship and market classes by the registered owner to be judged and sold. If a 4-H’er withdraws from the auction portion of the project after completing the showing and judging classes, he or she will not be allowed to bring any animal to the following year’s Fair. Special considerations may be granted by the 4-H Market Livestock Committee should a health issue or college conflict happen prior/or during the scheduled showing and selling times for the 4-Her. Pre-approval must be requested no later than 1 week before the fair. Failure to seek pre-approval may result in disqualification from the project. Considerations based on health issues may require a physician’s letter of confirmation.
21. **Animal Care During Fair:** You are responsible for feeding, cleaning and removal of your animal until the end of the Fair. The 4-H Market Livestock Committee permits the use of sawdust (provided by the Fair Board) or kiln-dried wood shavings (you may provide) as bedding material. **NO STRAW PERMITTED! All pens/stalls must be cleaned before 9:00 a.m. each day the Fair is open.** Failure to comply with the rule can result in forfeiture of premiums, \$50.00 disciplinary charge from sale proceeds and/or a one year suspension of 4-H Market Livestock Project privileges. Borrowing of cleaning equipment should be done with permission granted by equipment owner. If your animal requires a veterinary exam during fair, the 4-H’er will be responsible for the cost of the vet service.
22. **Non-Club/Club Points:** Project participants must have earned **nine (9)** meeting attendance or volunteer points before selling a market livestock animal. **Six (6)** of the **nine (9)** required points must be earned from attending your club’s meetings. The additional **three (3)** points required must be earned from attending various non-club 4-H events or activities as approved by the 4-H Market Livestock Committee List or may be given at the discretion of other 4-H Extension Staff or superintendents. Extra curricular school or community projects (above normal school requirements) may count for 1 non-club point, when the MSU Extension Office is notified and can verify project. If you require signatures from Extension Office staff, you must have the event, location and date completed. If these nine (9) points are not achieved, you are **not allowed** to bring your animal as a registered 4-H market animal to the fair. **There will be no signatures provided by MSU Extension Staff during workbee or on entry day.**
23. **Auction Sale Checks:** Those selling their animal through the 4-H Market Livestock Auction will receive their sale checks no sooner than the 4-H Market Livestock Annual Meeting. Determination of the date of the Annual Meeting will be dependent on when all sale proceeds have been received from the buyers. A 4-H’ers check will have the following deductions: Percentage & Dollar amount to cover program expenses, picture fee for two 8x10 pictures by the Committee’s contracted photographer, hauling fee (if your animal was hauled) and any promotional fee required by the animal industry. 4-H’ers must present a signed Buyer’s Receipt, for the delivery of their picture and buyer thank you, in order to receive their auction check either at the Annual Meeting or at the Extension Office following the Annual Meeting. All auction sale checks are valid for 60 days. Any checks after the 60 days will be assessed a \$25 re-issue fee. Any animal “Sold out of the Barn” is a private sale and should be handled between the 4-Her and buyer. If assistance is needed from the Extension Office, these transactions will be handled on Friday morning following the auction. As a sale “Out of the Barn”, the buyer will not receive credit for purchasing that year, a ribbon or a picture. This is a private sale.
24. **Disciplinary Action:** If disciplinary action is warranted, the 4-H Market Livestock Committee reserves the right to impose one or more of the following actions: additional percentage deducted from 4-H’ers Animal Sale proceeds, suspension from 4-H Market Livestock Project areas and/or forfeiture of premiums.
25. **Financial Loss:** The exhibitor will bear financial loss of any market livestock animal until that animal leaves the Fairgrounds at which time the hauler or buyer assumes responsibility unless the animal is condemned for any reason.

26. **Rules/Requirements Acknowledgement:** Signing the 4-H Market Livestock Hog project application and being accepted into the project indicates that you have read all the rules and requirements for the project in addition to the Oceana County Animal Project Code of Ethics and agree to abide by these rules.
27. **Issues/Complaint Process:** In questioning project rules or issues with your project you should contact the following people/groups in this order: 1) Your leader; 2) MSU Extension—4-H Program Coordinator; 3) 4-H Market Live stock Committee. If you should have any issue related to your project during Fair, please contact the following people/groups in this order: 1) Your leader; 2) Leader will contact Barn Superintendent; 3) Barn Superintendent will contact Executive Committee of project area; 4) Executive Committee will contact Youth Council Members.
28. **Final Authority:** The 4-H Market Livestock Committee will be the final authority on all matters of concern and can grant exceptions to the above rules. They will consult with Youth Council if necessary.
