Review Impact:

How did you address the comments from reviewer(s) for this submission?

YES NO I have included proper citations and a correctly formatted list of references.

YES NO I have confirmed that any hyperlinks work correctly and go to specific pages and not to general websites.

YES NO I have received the necessary permissions to use any images, tables/graphs or graphics included.

YES NO I have followed any other author guidelines for writing news articles or curricula, if applicable.

YES NO The information I have submitted is accurate and my document maintains academic integrity ([see academic integrity guidelines for more information](#)). "Michigan State University affirms the principle that all individuals associated with the academic community have a responsibility for establishing, maintaining, and fostering an understanding and appreciation for academic integrity. Academic integrity is honest and responsible scholarship and is the foundation of university success. Michigan State University Extension's mission is to help people improve their lives through an educational process that applies knowledge to critical issues, needs and opportunities. Producing high-quality, useful, current and reliable content on a consistent basis and sharing this content on our website is a large part of this mission."
