MSU Extension values the partnership with you and our commitment to civil rights as an agency funded in part by federal USDA funding. To verify that we are true to our values and to document our efforts for our federal partner, we also need to ask those who partner with us to certify they do not discriminate. Therefore, organizations receiving MSU Extension services and materials and organizations that collaborate with MSU Extension to deliver educational programs are asked to complete and return this form. We thank you for your time and effort in completing this form.
