PILD-Public Issues Leadership Development – Coordinated w/Extension Association Leaders

The MSU Extension Directors' office provides \$1250 to each association annually for professional development purposes. Typically, each association identifies one or two participants from their leadership to attend PILD.

PILD is a valuable professional and leadership development opportunity that also expands participants' awareness of the federal partner's involvement in the breadth of Cooperative Extension programs and provides an opportunity to connect with Extension professionals from across the nation. The program includes a multi-day program in Washington, D.C. in spring (usually April).

Internal MSUE nomination deadline: Dec. 1. Associations make nominations.

Registration process opens February - early March.
