

Zoom Meeting & Zoom Webinar Comparison

The chart below describes the Zoom web conferencing tools available at Michigan State University including meetings and webinars. **Zoom Meetings** are intended for smaller groups with a high amount of interaction. The **Zoom webinar** tool is intended for broadcasting information to larger groups of individuals. Participants in webinars can ask questions through a Question and Answer pod.

* MSU Extension has a limited number of Zoom Webinar accounts for staff to use for **FREE** beginning July 1, 2015. Staff can make a request to reserve either a 100 participant or 500 participant Zoom Webinar room by following these instructions: [Reserving an MSU Extension Zoom Webinar Room](#). For any questions about reserving a room, please contact Gwyn Shelle at heyboerg@msu.edu.
