### 4-H Dog Patch Program

The Michigan 4-H Dog Patch Program is designed to recognize the personal achievements of individuals participating in the 4-H dog project area.

The program has been in existence since 1987 and provides youth with goals to work towards in this project area. There are numerous patches available to reflect the varying disciplines in which youth can participate. In 2019, three new patches have been added; the Rally Intermediate, Rally Master and Beginning Novice.

### Get ready for the 2020 4-H State Award applications process!

Michigan 4-H true leaders ages 11 and older have an opportunity to be recognized for the great work they do in 4-H by completing a state award application. A Michigan 4-H State Award is the highest honor bestowed on a Michigan 4-H member and provides an opportunity to receive recognition for their engagement in rich

learning experiences that result in outstanding knowledge and life-skill development.

State award applications are divided into four categories: Mark of Excellence essay contest (11-12 years old), junior state award (13-15 years old), senior state award (16-19 years old) and group awards (13-19 years old). The application process and selection is determined by the age of the 4-H member. Final candidates for the junior, senior and group level awards in each project area will be selected to participate in the State Awards program during 4-H Exploration Days in June where final selection and announcement of winners will take place.

More information about the Michigan 4-H State Award process can be found online at <https://www.canr.msu.edu/4-h-scholarships-and-recognition-program/4-h-awards-and-recognition-program/youth-recognition>. Applications are due Feb. 1, 2020. For more information, contact Betty Jo Krosnicki at [nashbett@msu.edu](mailto:nashbett@msu.edu).

### What can you do because of 4-H? Share for a chance to win!

Michigan 4-H'ers ages 11-12 are encouraged to share how 4-H has impacted them through the 4-H Mark of Excellence Essay Contest. A great introduction to the Michigan 4-H State Awards program, Mark of Excellence contestants write a 500 word essay on the topic of "Because of 4-H, I can..." Winners will receive a certificate of recognition and medal to commemorate their accomplishment.

Essays are due to respective county 4-H offices by February 1. County 4-H programs then select up to two youth essays as their representatives and submit those names and essays to the State 4-H Awards Committee. The committee uses the essays to inform the public about what 4-H means to youth and copies are also shared with the Michigan State 4-H Office, Michigan 4-H Foundation, and Kettunen Center.
