4-H UPDATE

Let the summer begin. It's time to put away the winter gear and pull out the summer gear or rain gear. Michigan seasons tend to blend, but we hope warmer weather is here to stay for a little while.

School projects will soon be coming to a close as 4-H projects have started to begin for many. Some have been working on their 4-H projects since last year.

There are many opportunities to attend events here in the county as well as outside the county. Two of the biggest events for the summer are the Marion Fair and the Osceola County Fair. Many of you will be attending the fairs so please read the newsletter and fair books carefully to know when your deadlines are. Those who will be participating with small animal and livestock projects make sure you are reaching the educational requirements for each of the fairs.

Along with the upcoming fairs there are camps and other events that are available to the youth. Take a look inside to see some of the upcoming events around and outside the county. Some of the events include: the PEP Benefit & Pleasure Point Shows at the Posse grounds, the Goat Clinic at the Evert Fair Grounds, the Small Animal Showmanship Clinic at the Fairgrounds. I hope you are as excited as me to be able to get outside and enjoy the weather while being active in 4-H. I hope to see you at some of these events.

I look forward to working with all of you this summer!

Sincerely,

Jacob Stieg
Osceola County 4-H Coordinator
