

Osceola County

4-H Family News

July 2019

Dear 4-H Members, leaders, parents and supporters,

Greetings to everyone. I hope that your summer is going well. As you probably know, we have already been busy with lots of programs these past few months. There has been the County Goat Clinic, The Marion Fair, Exploration Days, as well as PEP and Point Shows. Congratulations to the youth that participated in those events—you are representing your county well. Thank you to the parents, leaders, superintendents, and volunteers that have made these programs and this organization such a success.

Online Registration for Evart Fair is due July 19th!!!

Osceola County Fair takes place on July 28th to August 4th!!

Some important dates prior to the fair include: **July 23rd** - Camping Registrations start at 8am at the Fair Ground Office; **July 24th** - at 6pm Small Animal Work Bee and 7pm Large Animal Work Bee. At 7pm there will be an exhibitor meeting at the livestock show arena. Part of the meeting will include biosecurity process during the fair. The fair and 4-H have worked very hard on coming up with new biosecurity practice. **July 27th** - is the start of the fair. Please make sure you have your Market Release Forms and PAC forms filled out prior to unloading your animals. PAC Forms can be turned in on set-up night.

Osceola County Fair Entry Schedule

Saturday, July 27th - 5-8pm Small Animal Weigh-in; Rabbits and Poultry/Poultry testing. Must be cooped by 8pm

Sunday, July 28th -

- **8:00 a.m. to 1:00 p.m.** Horse and ponies can be moved in (Remember a copy of your negative Coggins must be given to horse superintendent prior to penning your horse/ pony).
- **9:00 a.m. to 1:00 p.m.** Market Goats, Lamb & Swine weigh-in
- **Noon-6:00 p.m.** Breeding stock goat and sheep. Beef can be put in their stalls once your trailer is in the fairgrounds (not on the road) and will be weighed in starting at 6 pm.
- **2:00 p.m. to 6:00 p.m.** Still exhibit building will be open for entries
- **6:00 p.m.** Market Beef and Dairy beef Weigh-in
- **6:00 p.m.** All beef, dairy beef, poultry and rabbits must be in place.
- **8:00 p.m.** All fair exhibitor meeting in show arena

4-H Cloverbuds and Service

The youngest 4-H'ers, youth ages 5-7, aren't quite ready to participate in all the 4-H project areas and activities that older children can, but there's still plenty for them to do in 4-H! One of those activities that are perfect for any age is community service.

A newly released series of Cloverbud activities is now available online to help clubs adjust community service projects into developmentally appropriate opportunities for the littlest 4-H'ers. Access them online at: https://www.canr.msu.edu/leadership_citizenship/4-h-cloverbuds-and-service.

4-H Events and Workshops

July 9: 4-H Exhibitor Education Series - 4-H Incubation Station

Missaukee Agricultural Youth Show Fairgrounds, Falmouth

This session will provide an overview of the life cycle and development of chickens and incubator operation in preparation for fair.

<https://www.canr.msu.edu/events/4-h-exhibitor-education-series-4-h-incubation-station>

July 11: State 4-H/ FFA Livestock Judging Contest

MSU Pavilion for Agriculture and Livestock Education, East Lansing

Participants of this event have the opportunity to enhance their skills in livestock evaluation and improve their communication, decision, and selection skills as well.

<https://www.canr.msu.edu/events/state-4-h-ffa-livestock-judging-contest>

July 13: Thumb Dairy Odyssey Days

Oak River Dairy, Sebawaing

This hands-on youth program is for anyone ages 9-19 to come and learn about the dairy industry, explore career opportunities and strengthen skills for other 4-H events.

<https://www.canr.msu.edu/events/thumb-dairy-odyssey-days-july-13>

July 15-19: Michigan 4-H Youth Dairy Days and Michigan Dairy Expo

MSU Pavilion for Agriculture and Livestock Education, East Lansing

This yearly event is open for youth, parents, volunteers, and industry partners to come together in one location to participate in educational contests and networking opportunities.

<https://www.canr.msu.edu/events/michigan-4-h-youth-dairy-days-and-michigan-dairy-expo>

July 17: Great Dairy Adventure

MSU Pavilion for Agriculture and Livestock Education, East Lansing

A fun free event where youth can milk a cow, pet calves, enjoy free dairy events and create fun projects to take home.

<https://www.canr.msu.edu/events/great-dairy-adventure>

July 22-25: 4-H Forestry Day Camp

Marguerite Gahagan Nature Preserve, Roscommon

This interactive four-day camp will provide opportunities for participants to learn about forestry and increase their understanding of forest ecosystems and how to manage them.

<https://www.canr.msu.edu/events/4-h-forestry-day-camp>

July 22-25: Saginaw Bay 4-H Fishing Camp

Bay City State Park, Bay City

This special four-day camp will teach youth to fish and protect the Great Lakes. All campers will receive fishing rod with reel, tackle box, and camp t-shirt!

<https://www.canr.msu.edu/events/saginaw-bay-4-h-fish-camp-2019>

Going home: Biosecurity tips for animals that went to the county fair

Author: Katie Ockert, Michigan State University Extension

Animals exhibited at the county fair that will return to their home herds pose a significant biosecurity risk to the animals left at home. Follow these steps after the fair has ended to protect everyone.

Animals that have been exhibited during the county fair are likely near and dear to their exhibitors' hearts. After all, they spent countless hours training and preparing their animal for the show at the fair. We protect them from everything before the show season, but do we give enough thought about what happens when they go home? Each time an animal is taken out of its home environment and exhibited, there is a certain amount of risk for exposure to illness.

Michigan State University Extension offers these biosecurity steps exhibitors can take to protect their show animals and those that were left at home after the fair has ended.

- Keep animals that were at the fair separate from animals that were not for 28 – 30 days. If at all possible, do not allow nose-to-nose contact and provide as much distance between animals.
- Disinfect all buckets, feeders, tools and footwear that was at the fair.
- Throw away any feed or hay that was at the fair.
- Always wear clean clothes and footwear. Boot coverings may be helpful when caring for animals.
- Take care of animals that stayed home from the show first, and animals that were at the show second. Do not go back and forth between animals as this increases the risk of cross-contamination.
- Do not eat or drink in the barn.
- Observe animals daily for signs and symptoms of illness, such as:
 - Obvious pain or discomfort.
 - Decrease in appetite and water intake.
 - Fever.
 - Lethargy.
 - Diarrhea or changes in consistency in manure.
 - Discharge from nasal cavity or eyes.
 - Overall weakness.

If you notice any of the above symptoms, please call your veterinarian immediately.

Care of animals after the fair is critical. Exhibited animals were exposed to animals from other farms, fair goers who may not have washed their hands in between various species of animals, and potentially a lot of stress. By following these steps, you can help keep all of your animals safe and healthy.

For more information about fair biosecurity, visit <https://www.canr.msu.edu/fair-and-exhibition-animal-health/biosecurity>.

New Teaching Science When You Don't Know Diddly—Squat Resources Available

Four new lesson plans are available in the Teaching Science When You Don't Know Diddly-Squat series. The purpose of this series is not to teach specific content, but to teach the process of science – asking questions and discovering answers. The activities encourage young people to try to figure things out for themselves rather than just read an answer on the internet or in a book.

New lessons in the series include “Why do some animals use camouflage?”, “Can you build a bridge out of pasta?”, “Can you move something with static electricity?” and “4-H Cloverbud Science: Exploration and discovery with young children.” To access these resources, visit <https://www.canr.msu.edu/resources/teaching-science-when-you-dont-know-diddly-squat-series>.

Osceola County Fair News

4

Help is needed before, during and after the fair!! Many events are held at these grounds that help to keep the fair financially sound!! People from all over the world spend time here and marvel at the fact that they may use the barns to play music, carve wood in, not worry about allergies, etc. Let's do our part to keep the grounds as beautiful as they are! Events are held all summer, and your club can volunteer to help with set up or clean up. Just contact the Fair Office at 231-734-5481 to see where you are needed.

Fair Set-up Work Bee - will be held on Wednesday, July 24th starting at 6pm for the small animal work bee. At 7pm is the fair work bee for large animal. At 7 pm there will be an exhibitor meeting at the livestock show arena. NO decorations may be put up on this night. Please talk to the respected superintendents to see when you can put up decorations. During the fair, help is needed selling and taking tickets for grandstand events, hauling trash, keeping the grounds picked up, watching or clerking the exhibit building (if you have exhibits in the this building, you MUST take a shift to help watch it!) Just taking the trash from your camper to the dumpster yourself, would help a lot!! If you could volunteer a couple hours in the mornings to help dump the trash barrels, check with the fair office. Remember...many hands make light work!

Project Animal Certification Form - each exhibitor who will be bringing an animal to the Evert Fair is required to sign a Project Animal Certification Form. By signing this form, you and a parent are stating that your animal has had, and will have during fair, proper and ethical care. The form also certifies that proper drug use and withdrawal procedures have been followed. You may obtain these forms from the fair office, 4-H Office or from the Fair Book. Use one form per family per species. These forms are to be turned into the barn superintendent during weigh-in or check in.

Market Animals - If you have a market animal, large or small, you will need to register for 3 classes - the market class, showmanship class, and the record book class. Remember there are forms just for the market animals that will make your registration much easier. If you have market animals and exhibit building entries or breeding stock complete the Market Animal Form for your animal and the other form for the exhibit building entries. Do not put your animal classes on both forms. Remember that your fair age is computed as of January 1, 2019.

If you have a market animal/s, large or small, be sure you do your part to help with the sales and dinners. It takes lots of people to make these events run smoothly, so ask your barn superintendent what you can do to help. There will be sign up sheets at the mandatory livestock meeting on Sunday night. I would like to ask members and parents to stay until the end of the sale to support the buyers who are still bidding on and purchasing animals. If there are no members or spectators there to applaud or support our buyers, it does not reflect well on our 4-H Program. When you leave to take care of your animal/s, come back and **support the buyers** for the rest of the sale. And you can also help with the dinner and clean up when it is over. Thanks in advance for your support!

Each exhibitor is responsible for registering their projects for fair and placing an entry tag on his or her still exhibits. Exhibitors are required to pick up their pre-printed exhibit tags from the fair office. They will not be mailed. When you bring your entries (including record books) to the exhibit building on Monday, July 29th, please have your exhibit tags attached and make sure it is **3 hole punched**. The doors will be closed at 11:00am and no late entries will be accepted.

Camping Reservations may be made beginning Tuesday, July 23rd at 8am at the Fair Ground Office. The cost is \$75 for the week. Check out the map in the fairbook on page 64 to see where to park your vehicle and stock trailers this year.

Osceola County Fair News

5

After the fair...we need everyone to help with **clean-up...especially on Sunday!** It is NOT enough for your family to just clean out your pens and your campsite. Check with the barn superintendents to see what the plans are for clean up. Some of the extra things that need to be done are: dumping trash barrels, tear down and clean up exhibit building, tear down and clean all barns and wash racks, put away gates and pens, pick up trash, clean spreaders, take down gates on show arenas, and clean dairy parlor and booth. One place that always gets forgotten is the covered area in the back where beef stocks are set up and breeding stock sheep are housed. The barns will be sprayed on the Wednesday after fair, so everything needs to be done ASAP. Let's all do our part to help out.

IMPORTANT: For all animals, large and small, be sure to check your feed labels to be certain you are following the law for withdrawing medicated feed at the proper time!! It is illegal to sell an animal with drug residue at **any** sale, 4-H or private!!

If you are selling a market animal (small or large), you must sign a market release form before the respective sale. These forms got to the barn superintendents. This form and the Project Animal Certification (PCA) form are available at the fair office.

All animal project posters must be 28"x22" in size.

Any non-market exhibits may be removed at 9pm on Saturday. All market exhibits will not be released until 6am on Sunday.

Livestock News...

All market animals must have the proper tags when you arrive at the fair. If your animal loses a tag, you must contact the 4-H Office or your barn superintendent ASAP!

Days on feed for Evart are: Beef 239 days; Lambs 85 days; Goats 85 days

Market Prices will be posted at weigh-in. Record books must be signed by your leader and turned in to the Exhibit Building by 11:00am Monday of Fair. Be sure you have the correct book for your age group, and that you enter the correct class as well.

Sale order for 2019 is: Steers, Dairy Steers, Milk, Lambs, and Swine

Pictures: All market pictures will be taken during the day of the show with the exception of pigs on Monday night. Pictures will be 5x7. On sale night the youth must pick up their pictures and buyers ribbons from the south end of the old exhibit barn.

The **Rabbit, Horse & Livestock Costume Classes** will be held again this year on Saturday at 1pm. All members are invited to enter. Costumes must be homemade.

Remember, the Osceola Livestock Club will hold a dinner the night of the large animal sale. Be sure to mention this in your buyers' letters. The menu will include Pork and BBQ beef, so remind them not to eat before they come! Each family is asked to bring a pie or bowl of fresh fruit cut up.

Beef Showmanship: New last year...youth that are exhibiting both breeding stock beef and market beef animals, you may choose which (heifer or steer) animal you will use in showmanship in the showmanship class.

The last thing for you to do is to **thank** all of those people who made your 4-H year possible. This would be your buyers, trophy sponsors, barn superintendents, 4-H leaders, someone who hauled your animal for you, Fair Board members, and even your parents!! Send them a thank you card or offer to help them in return - wash their car, rake leaves, babysit, clean their barn, whatever you can think off!

Pig News...

Wash your pigs before you come to the fair!!

All pigs must have a minimum of 1/2 inch of hair. This rule is required by the packing plants who process the pigs. Also, only water based sprays may be used on the pigs, no oil based sprays.

Sheep News...

All sheep must have a scrapies tag in their ear before unloading. The market lambs must also have the 4-H ID tag. If you lamb loses either of these tags, contact the 4-H office or the barn superintendent ASAP! The minimum weight for market lambs is 90 pounds. Wood shavings, not chips, are preferred in the sheep barn. PAC (Project Animal Certification) forms and market release form are due to the superintendent at weigh-in.

Goat News...

Dairy goats and market goats must also meet the scrapies tag requirements. If you are exhibiting dairy goats, be sure to use the dairy goat record book. If you are exhibiting market goats, be sure to use the market goat record book. Both are the same color, so check the wording and the picture on the front.

Market goats will be weighed in from 9am to 1pm on Sunday. Goats must weigh between 50-110 pounds to be sold at the Small Animal Auction on Thursday night. Youth may sell only 2 small animal market projects. Market goats will stay at the Fair Grounds until Sunday, August 4th haul-out day unless communicated to the superintendent by noon on Saturday and then they may be released between 9pm and 11pm on Saturday night. Sunday they will be released starting at 6am but need to be removed by 8am.

Cattle News...

All beef and dairy animals will need to meet the TB requirements, which is a RFID tag in the left ear. Market beef must also have the 4-H ID tag. Colored beef must weigh a minimum of 950#. Dairy beef (Holsteins) must weigh 1050# or more. See the fairbook for other breeds.

Youth Dairy Judging Contest: the Evart Fair Youth Dairy Members Judging Contest will be held on Tuesday evening starting at 5:30pm during the fair. Registration and parts will start at 5:30pm by the Dairy Booth. Judging classes will start as soon as the Beef Show is complete.

Dairy Show Day -

During the Dairy Show , we will be pausing the show at NOON so we can have our Dairy Picnic. The Dairy Boosters will be providing pulled pork, potato salad, and buns. Dairy Families you are asked to provide a dish to pass and all your families paper ware.

Osceola County Fair News

7

Small Animal News...

Rabbit weigh-in/check-in and Poultry weigh-in/Pullorum Testing is Saturday, July 27th from 5-8pm.

Evart Fair Poultry Procedures: Poultry will be shown on Monday according to the schedule set by the superintendent. Market Poultry will be processed by B & V Processing, date and times will be announced at fair. All poultry will be back on Thursday so that the poultry buyers may take their processed birds with them the night of the sale. It is the responsibility of the seller to ensure poultry has been picked up.

Attention all Market Rabbit Exhibitors: Processing will be done by B & V Processing. Rabbits that go to the processor will leave Saturday and be available on Sunday for pick up by exhibitor to distribute to Buyer. They will be vacuum sealed.

During the Small Animal Sale there will be a Buyer's Appreciation dinner. There will be no charge to the youth/families this year.

Sale order for 2019 Market Goats, Turkeys, Turkeys, Pen of 3 Market Rabbits, Single Fryer, Roaster, Pen of 3 Broilers, Single Broilers, Pen of 4 Cornish

Pictures: Market Rabbit and Poultry pictures will be taken on Monday, July 29th (show day). Market Rabbits will be at 8:30am with Market Poultry following at 9am. Goat Pictures will be Tuesday morning of the show day at 8:30am. **Pictures will be 5x7.** On sale night you must pick up your pictures and buyers ribbon from the superintendents.

Each youth may sell only two of the following: Pen of 3 Broilers or Single Broiler; Pen of 4 Cornish; Market Turkey; Pen of 3 Rabbits or Single Fryer; Roaster; Market Goat at the fair. The member may choose to sell only 1 market chicken project or 2 market rabbit project. (i.e. not a Pen of 3 Broilers and a Single Broiler).

The Small Animal Association is hosting two fundraisers this month to help with the cost of a third judge for the poultry show.

On Wednesday, July 17th, the Small Animal Association is hosting a **Baked Potato Supper** from 4pm to 6pm at the Osceola County Fair Grounds. Cost for the dinner is \$5, 5 years old and under are free, and the family rate is \$20. We are looking for volunteers to help at this event so please contact the 4-H Office to sign up as a volunteer.

During the week of fair, the Small Animal Association is hosting a **Barn Dance** on Wednesday, July 31st from 7pm to 10pm at the old exhibit barn. There is no cover charge to participate at the Dance. We are looking for clubs to donate two cases of pop, a case of water, and 2 baked goods for the event. Remember this is a fundraiser to help with hiring the third poultry judge. During the event, there will be a cake walk, teams can sign up for corn hole (\$5 fee per team), the chicken dance and rabbit hop. Keep an eye out for the flyer during fair week.

Horse News...

All horses must have a have a negative Coggins test taken in 2019. **You will need to give a copy and show that paper before you unload your horse!**

The Youth Trail Class & Western Riding will be held on Tuesday; English Classes will be held on Thursday, both at 9am. The Horse Judging Contest will be held after the English Classes at approximately 1pm on Thursday. Horse Exhibitors will need to make their own **back-tag numbers**. Consider making enough to attach them to your show clothes ahead of time. Your exhibitor number is the same one as last year for the Evart fair. If you have not shown at Evart before, your exhibitor number will be assigned when you pre-register.
