4-H Family News

August 2019

Dear 4-H members, leaders, parents, and supporters,

Summer is coming to a close. Thank you to all of you for making the Marion Fair and Osceola County Fair terrific. We had a great summer season this year. As we reflect on our summer season please make sure you thank your buyers, trophy sponsors, club leader, parents, and anyone else that helped you with your projects this year.

September 1st starts a new 4-H year and since last year we had many new members join and participate in 4-H. Please spread the word about 4-H to your friends, family, and anyone you may know so we can keep growing.

As you reflect on the past year's events, think about people who helped make your memories possible. These people could be fellow 4-H members, leaders, businesses or individuals who sponsored awards, superintendents, fair board members, or anyone who made an impact on you. Maybe you noticed a youth who worked very hard, but did not receive an award at the fair or other shows. Consider nominating one or more of these people to be recognized at the 4-H Awards Banquet.

Sincerely,
Jacob Stieg
4-H Coordinator

Club Leaders!!

Osceola County 4-H Financial Management Guidelines September 2019

All 4-H clubs that handle money must follow the financial record keeping procedures outlined in the Michigan 4-H Treasurer's Record Book (4-H 1203). This book is available in the 4-H office or on the county website.

A summary follows:

1. It is expected that the 4-H members will play key roles in the financial matters of the club.
2. If any funds earned will not be spent within a short period of time, a bank account must be opened. In order to open a bank account, an Employer Identification Number (EIN) must be obtained from the IRS. The form to request this number is Form SS-4 and is included in the Treasurer's book. Do not use a personal social security number to open an account! Report your EIN number to the bank and the 4-H office.
3. A bank account should contain 2 adults' names and the youth treasurer's name (with none of the 3 being related). Remember to keep the bank signature card current as club officers' change.
4. For incoming monies, use a numbered receipt book.
5. For outgoing payments, use a check or a money order, not cash.
6. The club treasurer should make regular financial reports to the club membership. A sample form for a treasurer's report can be found in the Treasurer's book. It is also a good idea to include a copy of the current bank statement.
7. By October 1st of each year, 4-H clubs (whether they had financial activity or not, must complete the 4-H Annual Summary Financial Report. 4-H clubs with a bank account must attach a copy of their last bank statement. Clubs that didn't handle any money that year need to state that on the form and sign and date it. A copy of one set of meeting minutes must also be submitted.
8. If a 4-H club plans to do a fundraiser, they must complete and submit a Fund Raiser application prior to the event, and obtain approval from the 4-H office. 10 days after the event, the Fund Raising Report form must be submitted to the 4-H office. Both forms are found in the Treasurer's Book.
9. All 4-H groups with annual activity of \$2,500 or more, or a balance of \$2,500 or more, must have their bank statements sent directly to the 4-H office, where they will be copied and then sent on to the respective treasurers.
10. If a club is disbanded, any money or property will be turned over to the Osceola County 4-H Council, with the club's recommendation for its use.
