Michigan State University Extension programs and materials are open to all without regard to race, color, national origin, gender, gender identity, religion, age, height, weight, disability, political beliefs, sexual orientation, marital status, family status or veteran status.

Objectives of the 4-H Cloverbud Rabbit Project

1. To gain experience caring for rabbits.
2. To explore rabbit breeds and feeds.
3. To participate in group activities within your 4-H club.

NOTE:

- • Cloverbud projects are for the child to explore and discover project areas.
- • Cloverbud projects are not to be judged or placed in any 4-H activity.
- • Cloverbuds will participate in rabbit showmanship in the Cloverbud class.
- • The responsibility of animal ownership should not lie solely with the child, but with the parents also.
- • Safety of the child should be the primary concern of the Cloverbud project.

Draw a Picture of Your Rabbit

A large empty rectangular box with a thin black border, intended for the user to draw a picture of their rabbit.

Project Story

With the help of your leader, teen leader, parent or adult helper answer the following questions about your project.

1. The most important thing I learned was:

This image shows a blank sheet of handwriting practice paper. It features four identical sets of horizontal guidelines arranged vertically. Each set includes three lines: a solid top line, a dashed middle line, and a solid bottom line, providing a structured space for practicing letter formation and alignment.

2. Things I want to learn more about are:

This image shows a full page of handwriting practice paper. It contains four identical sets of horizontal lines, each set consisting of a solid top line, a dashed middle line, and a solid bottom line, providing a guide for letter height and placement.
