YES ___ NO ___

I understand that entering the carcass class, that I must follow and abide by the same rules and guidelines as the market hog project exhibiting at the fairgrounds. At the drop off of the carcass hog, it will be show ready; the animal and the ear tag will be clean. If the project animal is not clean, the member and their animal will be disqualified and not eligible to be entered in the carcass class. All feeder pigs must be ear tagged in the spring, all pigs will need to be brought to the designated tagging, the date and location will be determined by the livestock committee.

I understand that all market hogs being exhibited at the Berlin Fair cannot have hair shorter than a ½ inch in length. If any pig is found to have hair less than a ½ inch in length it will not be eligible to show or sell at the 4-H livestock auction. I also acknowledge that the Berlin Fair is a terminal show/fair for all market hogs.

I have read and agree to abide by the current 4-H Market Livestock Guidelines and the Ottawa County 4-H Code of Conduct policy. I also understand that there is a percentage that is deducted from the 4-H members' market livestock sale checks, it is a 4% fee, the money that is deducted from sale check is used to pay for the yearly expenses that are from the 4-H Livestock Sale which includes but not limited to; College Scholarships, buyers dinner at the fair, livestock pictures, portion of the judges fees, ear tags, calibration and certification of the livestock scales, trucking of livestock to slaughter houses or sale barns, postage to send letters to buyers, and office supplies.

I understand that the MSUE participation fee of \$20 must be paid before the scheduled date of ear tagging. I have read and understand the above provisions of the Berlin Fair Market Hog Project.
