

## **ROBERT B. RICHARDSON**

---

Michigan State University  
480 Wilson Road, East Lansing, MI 48824-1222 USA

Telephone: +1 (517) 355-9533  
Electronic mail: rbr@msu.edu

### **EDUCATION**

Ph.D., Agricultural and Resource Economics 2002  
Colorado State University, Fort Collins, Colorado, USA

M.B.A., Finance 1995  
New York University, Stern School of Business, New York, New York, USA

B.S., Management 1989  
Tulane University, A.B. Freeman School of Business, New Orleans, Louisiana, USA

### **SUMMARY OF ACADEMIC AND PROFESSIONAL EXPERIENCE**

Michigan State University East Lansing, Michigan, USA  
College of Agriculture and Natural Resources and MSU AgBio Research  
Associate Chair, Department of Community Sustainability 2018 – present  
Associate Professor, Department of Community Sustainability 2013 – present  
Assistant Professor 2007 – 2013

Galen University San Ignacio, Belize  
Assistant Professor, Economics 2005 – 2006

Centre for Rainforest Studies, School for Field Studies Queensland, Australia  
Lecturer, Environmental Economics and Policy 2003 – 2004

University of Vermont, School of Natural Resources Burlington, Vermont, USA  
Extension Assistant Professor 2002 – 2003

Colorado State University, Department of Agricultural and Resource Economics Fort Collins, CO, USA  
Graduate Research Assistant, Instructor 1999 – 2002

Oregon State University, Department of Agricultural and Resource Economics Corvallis, OR, USA  
Graduate Research Assistant 1998 – 1999

RESTORE: The North Woods Concord, MA, USA  
Program Coordinator 1996 – 1998

A.T. Kearney New York, NY and Washington, DC, USA  
Senior Consultant 1993 – 1995  
Analyst 1991 – 1993

Chemical Bank New York, NY, USA  
Analyst, Corporate Finance 1989 – 1990

- Ministry of National Development, Government of Belize. \$17,396, 2006. Institutional Analysis and Capacity Building for Poverty Alleviation: National Human Development Advisory Committee.
- Houston Advanced Research Center. \$16,943, 2006. The Value of Nature in Texas: Valuation of Freshwater Inflows in the Lower Rio Grande Valley and the Rio Grande Estuary.
- The Wilderness Society. \$45,000, 2002-2005. Economic Benefits of Wilderness Designation in California.

**SELECTED PRESENTATIONS***Invited Presentations*

- “Energy security and sustainable livelihoods for southern Africa,” Institute for African Development Seminar Series, Cornell University, Ithaca, New York, September 6, 2018.
- “Estimating demand for perennial pigeon pea in Malawi using choice experiments,” MiND Research Colloquium, International Crops Research Institute for the Semi-Arid Tropics, Nairobi, Kenya, July 24, 2018.
- “Neoliberalism and the erosion of science in environmental policy,” Friday Forum on Neoliberalism & Public Higher Education, Michigan State University, April 13, 2018.
- “Food, energy, water and abundance: Cross-border governance and protection of the great waters of the world,” Fate of the Earth Symposium, Environmental Science and Policy Program, Michigan State University, April 7, 2016.
- “Integration of social sciences in environmental health research,” with Courtney Flint, U.S. Environmental Protection Agency, Office of Research and Development, Research Triangle Park, NC, October 4-5, 2016.
- “Social and behavioral sciences: Contributions to environmental policy and practice,” with Courtney Flint, U.S. Environmental Protection Agency, Office of Policy, Washington, DC, September 9, 2016.
- “Participatory system dynamics modeling: A tool for prioritizing climate-smart agriculture investments,” with Laura Schmitt Olabisi, Agrilinks webinar, U.S. Agency for International Development, <https://agrilinks.org/>, June 16, 2016.
- “Connecting the dots with data: Participatory systems modeling of landscape-scale impacts of sustainable intensification in Zambia,” Seminar Series, International Food Policy Research Institute, April 21, 2016.
- “Integrating research and teaching in global sustainable development,” seminar series, Department of Sustainable Development, Appalachian State University, Boone, NC, October 14, 2015.
- “Estimating demand for perennial pigeon pea in Malawi using choice experiments,” seminar series, Department of Economics, Appalachian State University, Boone, NC, October 9, 2015.
- “Rural household participation in markets for non-timber forest products in Zambia,” with Brian P. Mulenga, Hanover Seminar Series, Department of Forestry, Michigan State University, December 3, 2013.
- “Understanding household tradeoffs regarding pineapple production and environmental management in Costa Rica,” School of Environment and Natural Resources Seminar Series, The Ohio State University, Columbus, OH, November 14, 2013.
- “Building resilience and adaptive capacity for water and food security,” Water, Food Security, and the Developing Global Crisis Conference, United Nations 68th Anniversary Program, Michigan State University, October 29, 2013.
- “Woodfuels, livelihoods, and food security: Evidence from sub-Saharan Africa,” Sustainable Energy for Sustainable Development Conference, United Nations 67<sup>th</sup> Anniversary Program, Michigan State University, October 22, 2012.
- “Seeing the forest for the fuel and food: Non-timber forest products and rural development in Zambia,” Brown Bag Seminar Series, Department of Agricultural, Food and Resource Economics, Michigan State University, April 10, 2012.

**SELECTED PRESENTATIONS**, *continued*

- “Seeing the forest for the fuel and food: Rural poverty and forest sustainability in sub-Saharan Africa,” invited presentation for the International Resource Industries and Sustainability Institute seminar series, University of Calgary, Calgary, Alberta, Canada, February 29, 2012.
- “The economic value of wilderness,” invited presentation for the panel session, *Confronting Wilderness: Human Interactions With Nature*, Sharper Focus, Wider Lens Series, MSU Honors College, January 30, 2012.
- “Measuring the effects of natural resource conservation policies on household Welfare,” Brown Bag Seminar Series, Department of Agricultural, Food and Resource Economics, Michigan State University, November 10, 2009.
- “Climate change and the costs of inaction: Issues for human development,” Center for the Advanced Study of International Development Seminar Series, Michigan State University, November 6, 2009.
- “Tourism and climate change: Vulnerability and adaptation,” Third International Conference on Responsible Tourism, International Centre for Responsible Tourism, Belmopan, Belize, October 20, 2009.
- “Tourism and wildlife conservation in Africa: Measuring the impacts to rural households,” Brown Bag Seminar Series, Department of Agricultural, Food and Resource Economics, Michigan State University, November 18, 2008.
- Commencement address, invited speaker for the commencement ceremony, Galen University, San Ignacio, Belize, October 4, 2008.
- “Wildlife conservation and rural development in Zambia,” invited presentation for the Seminar Series of the Department of Agricultural and Resource Economics, Colorado State University, Fort Collins, CO, September 24, 2008.
- “Sustainable development and food security: The African context,” invited panelist, 16<sup>th</sup> Review Session of the UN Commission on Sustainable Development, United Nations Headquarters, New York, NY, May 9, 2008.
- “Socioeconomic vulnerability to climate change: Communities along the Mesoamerican Barrier Reef,” Center for Latin American and Caribbean Studies, Michigan State University, November 28, 2007.
- “Climate change and ecotourism: Challenges and opportunities,” North American Ecotourism Conference, The International Ecotourism Society, Madison, WI, September 27, 2007.
- “Economic development in Belize: Achievements, setbacks, and opportunities,” colloquium entitled, “Taking Stock: A Look Back and A Look Forward,” Belize City, Belize, September 18, 2007.
- “Climate change in Belize: Vulnerability of the tourism sector” presented at the Climate Change and Tourism workshop. Belize City, Belize, September 17, 2007.
- “Community-based resource management in coastal communities,” Invited Speaker, Workshop on Coastal Community Vulnerability and Adaptation, Mainstreaming Adaptation to Climate Change, Belize City, Belize, February 2006.
- “The economic vulnerability to climate change in Belize,” Invited Speaker, Regional Symposium on Information Sharing in Climate Change and Sustainable Development, CARICOM Climate Change Centre, Belmopan, Belize, September 2005.
- “The effects of climate change on mountain tourism,” invited speaker, UN World Tourism Organization, International Conference on Climate Change and Tourism, Djerba, Tunisia, April 2003.

*Presentations at Academic and Professional Conferences*

- “Energy security and sustainable livelihoods for southern Africa,” *Forests & Livelihoods: Assessment, Research, and Engagement (FLARE) Network*, 4<sup>th</sup> Annual Meeting, Copenhagen, Denmark, October 17, 2018.
- “Confronting tradeoffs between agricultural ecosystem services and adaptation to climate change in Mali,” with Kurt B. Waldman, biennial meeting of the International Society for Ecological Economics, Puebla, Mexico, September 10, 2018.
- “Energy security and sustainable livelihoods for southern Africa,” Evidence to Action 2018 conference, International Centre for Evaluation and Development, Nairobi, Kenya, July 26, 2018.
- “Characterizing the uses and values of freshwater coastal dunes,” International Association for Great Lakes Research, Toronto, Ontario, June 21, 2018.

**SELECTED PRESENTATIONS**, *continued*

- “Characterizing ecosystem services of freshwater coastal dunes,” biennial meeting of the U.S. Society for Ecological Economics, Saint Paul, Minnesota, July 27, 2017.
- “Using participatory system dynamics modeling of agricultural-environmental systems in a developing country context,” with Laura Schmitt Olabisi, Innovations in Collaborative Modeling conference, East Lansing, MI, June 14, 2016.
- “Estimating demand for perennial pigeon pea in Malawi using choice experiments,” with Kurt Waldman, Joint meeting of the Canadian and U.S. Societies for Ecological Economics, Vancouver, BC. October 2, 2015.
- “Searching for sustainable intensification of agriculture: Implications for landscapes and livelihoods,” Joint meeting of the Canadian and U.S. Societies for Ecological Economics, Vancouver, BC. October 2, 2015.
- “The economic benefits of wilderness: Transforming the debate,” National Wilderness Conference, Albuquerque, NM, October 17, 2014.
- “Participatory approaches for enhancing rural food security and community resilience,” Resilience 2014 – Resilience and Development: Mobilizing for Transformation, Montpellier, France, May 6, 2014.
- “Climbing down the energy ladder: Biophysical limitations of expanded wood fuel use in sub-Saharan Africa,” biennial meeting of the U.S. Society for Ecological Economics, Burlington, VT, June 12, 2013.
- “Rural development and non-timber forest products: Perspectives on poverty alleviation,” International Symposium on Society and Resource Management, Edmonton, Alberta Canada, June 18, 2012.
- “The impact of wildlife conservation on rural development in Zambia,” with A. Fernandez and D. L. Tschirley, Regional Science Association International, San Francisco, CA, November 19, 2009.
- “The impact of wildlife conservation on rural welfare in Zambia,” biennial meeting of the U.S. Society for Ecological Economics, Washington, DC, June 1, 2009.
- “Market and trade reform for adaptation to climate change,” biennial meeting of the International Society for Ecological Economics, Nairobi, Kenya, August 8-11, 2008.
- “Sustainable tourism and natural resources: Distribution of economic benefits,” International Symposium on Society and Resource Management, Burlington, VT, June 13, 2008.
- “Charcoal and fuelwood production in Zambia: Implications for poverty reduction,” 54<sup>th</sup> Annual North American Meetings of the Regional Science Association International, Savannah, GA, November 8, 2007.
- “Valuing ecosystem services in deserts,” biennial meeting of the U.S. Society for Ecological Economics, New York, NY, June 26, 2007.
- “Assessing economic vulnerability to climate change: A conceptual framework for developing countries,” Center for Natural Resource Economics & Policy, 2<sup>nd</sup> National Forum on Research in Coastal Systems. New Orleans, LA, May 21, 2007.
- “Economic vulnerability to climate change for tourism-dependent nations,” Sir Arthur Lewis Institute of Social & Economic Studies (SALISES), University of West Indies, 8<sup>th</sup> Annual Conference, Crisis, Chaos and Change: Caribbean Development Challenges for the 21<sup>st</sup> Century. Trinidad, March 2007.
- “The economic vulnerability of mountain communities to climate change,” biennial meeting of the U.S. Society for Ecological Economics, Saratoga Springs, NY, May 2003.
- “Measuring the effects of climate change on recreation demand and benefits,” Northeastern Recreation Research Symposium, Bolton Landing, NY, April 2003.
- “Measuring the impact of resource changes on visitation at national parks,” Rocky Mountain National Park Research Conference, Estes Park, CO, April 2002.
- “A contingent behavior methodology for estimating the effects of climate change on ecotourism,” biennial meeting of the International Society for Ecological Economics, Sousse, Tunisia, March 2002.
- “The impact of climate change and population growth on visitation at Rocky Mountain National Park: A comparative risk analysis,” inaugural meeting of the U.S. Society for Ecological Economics, Duluth, MN, July 2001.
- “Comprehensive analysis of the economic benefits of wilderness,” biennial meeting of the International Society for Ecological Economics, Canberra, Australia, July 2000.

**SELECTED PRESENTATIONS**, *continued*

“Economic values of protecting roadless areas in the United States,” presented at the 2000 California Wilderness Conference, Sacramento, CA, May 2000.

**GRADUATE STUDENT SUPERVISION AND ADVISING***Michigan State University*

## Post-doctoral research associate supervisor

- Philip Grabowski, Sustainable intensification, landscapes, and livelihoods Apr. 2014 – May 2015
- Naomi Sakana, Sustainable intensification, landscapes, and livelihoods July 2014 – Aug. 2015
- Kurt Waldman, Perennial grains for Africa Apr. 2014 – Aug. 2015

## Ph.D. advisor and chairperson

- Brockton Feltman, Assessing environmental governance Exp., May 2022
- Nathan Brugnone, Modeling complex systems Exp., May 2020
- Ryan Vroegindewey, Agribusiness development and dairy value chain analysis in Mali Exp., May 2019
- Timothy Silberg, Sustainable intensification of agriculture in southern Africa Exp., Dec. 2018
- Chewe Nkonde, Community, Agriculture, Recreation, and Resource Studies (Agricultural development in the context of farm structure change in Zambia) May 2017
- Eric B. Bailey, Community, Agriculture, Recreation, and Resource Studies (Micro and small business participation in Caribbean tourism: A value chain analysis) December 2016
- David Ivan, Community, Agriculture, Recreation, and Resource Studies (Community change and resilience: A theoretical and applied analysis) January 2013

## M.S. advisor and chairperson

- Thany Hour, Community Sustainability (Assessment of aquaculture technology adoption and value chain system in Cambodia) May 2017
- Jacob Watson, Community Sustainability (Program Evaluation for the Beersheba Project's Internship Program in Senegal, West Africa) May 2017
- Eva Kassara, Community Sustainability (Gender differences in agriculture and natural resources management in sub-Saharan Africa) December 2016
- Christian Scott, Community Sustainability (The role of emerging farmers' personal networks in market access and startup farm success) December 2015
- Boaz Mandula, Community Sustainability (Enhancing access to agricultural information for extension: Developing a field reference handbook for extension workers in Malawi) August 2015
- Michele Hockett, Community, Agriculture, Recreation, and Resource Studies ("They say wealth is in the soil": Local knowledge and agricultural experimentation in Malawi) August 2014
- Matthew Gardine, Community, Agriculture, Recreation, and Resource Studies (Participatory community development in rural Senegal) December 2012
- Douglas Bessette, Community, Agriculture, Recreation, and Resource Studies (Determining the relationships between attitudes, well-being and private-sphere environmental behavior) August 2011

## Ph.D. guidance committee

- Tatevik Avetisyan, Community Sustainability Exp., May 2020
- Diana Copeland, Community Sustainability Exp., May 2020
- Jarrad Farris, Agricultural, Food, and Resource Economics Exp., May 2020
- Ronak Sripal, Fisheries and Wildlife Exp., May 2020
- Erika Kraus, Forestry Exp., May 2019
- Wen Lin, Agricultural, Food, and Resource Economics Exp., May 2019
- Amal Shaaban, Planning, Design, and Construction Exp., Dec. 2019
- Ida Nadia Sedjro Djenontin, Geography Exp., Dec. 2019
- Nahid Sattar, Community Sustainability Exp., Dec. 2018
- Jelili Adebiyi, Community Sustainability Exp., Dec. 2018
- Syed Hamza Haider, Agricultural, Food, and Resource Economics (Intensification and asset dynamics: Intrahousehold decision-making in Burkina Faso) May 2018

**GRADUATE STUDENT SUPERVISION AND ADVISING, *continued***

- Mukesh Ray, Agricultural, Food, and Resource Economics (Three essays in development economics) May 2018
  - Socheat Keo, Community Sustainability (Adoption of productivity-enhancing inputs and improved farm practices in Cambodia's rice production) December 2017
  - Michelle L. Larkins, Community Sustainability (The ties that bind: The intersection of gender, femininity, and place in women's community-based environmental justice action) May 2017
  - Joseph Goeb, Agricultural, Food, and Resource Economics (The impact of pesticide safety information on farmer knowledge and demand for health goods: Experimental evidence from Zambia) May 2017
  - Michael Dolislager, Agricultural, Food, and Resource Economics (Food consumption patterns and urbanization: Evidence from east and southern Africa) May 2017
  - Aniseh Bro, Community Sustainability (Biodiversity, climate change, and livelihoods: Economic and ecological sustainability among coffee producers in the highlands of Nicaragua) December 2016
  - Ramjee Ghimire, Community Sustainability (Assessment of core competencies of agricultural extension professionals in Nepal) May 2016
  - Keneilwe Kgosikoma, Agricultural, Food, and Resource Economics (Essays on the economic value of wildlife-based recreation in developing countries) May 2016
  - Raul Pitoro, Community, Agriculture, Recreation and Resource Studies (The challenges and effects of agrarian reform in Africa: Evidence from rural Mozambique) December 2015
  - Milton Ayieki, Agricultural, Food, and Resource Economics (Patterns, determinants, and welfare effects of agricultural and livelihood diversification among smallholder farmers in rural Kenya) August 2015
  - Oscar Arreola, Community Sustainability (Learning from theories and practice of sustainability: In search of cohesion) May 2015
  - Delanie Kellon, Community, Agriculture, Recreation and Resource Studies (Resource management in a developing country context: improving decisions by confronting difficult tradeoffs in Costa Rica) December 2010
  - Richard Grogan, Community, Agriculture, Recreation and Resource Studies (On the road to sustainability: from vision to action in the sustainability transition) December 2010
- M.S. guidance committee
- Benjamin Schram, Forestry Exp., May 2018
  - Damola Akinlembola, Agricultural, Food, and Resource Economics Exp., May 2018
  - Kyle Clothier, Peace Corps Master's International program, Benin Exp., May 2018
  - David Olson, Agricultural, Food, and Resource Economics (Do changes in maize prices and input prices affect smallholder farmers' soil fertility management decisions? Panel survey evidence from Kenya) August 2018
  - Ashleigh Burgess, Community Sustainability (Integrating Senegalese smallholder farmers and processors into the cashew value chain: An exploration of the cashew sector in Sokone area, Senegal) May 2017
  - Ryan LeMier, Community Sustainability (Agricultural technology transfer in rural Nicaragua and Peace Corps: Barriers to adoption and case studies) May 2017
  - Yijue Chen, Forestry (Carbon Emission Trading and Offsetting in China) May 2017
  - Florencia Colella, Agricultural, Food, and Resource Economics (Consumer preferences for retail channel and beef steak attributes: Experimental Evidence from Argentinean Consumers) May 2016
  - Warveen Mosa, Forestry (Forest cover change and migration in Iraqi Kurdistan: A case study from Zawita Sub-district) May 2016
  - Hastings Nyirongo, Community Sustainability (Exploring pluralistic and demand-driven extension services in central Malawi: Nkhotakota and Kasungu Districts) December 2015
  - Chiwimbo Gwenambira, Crop and Soil Sciences (Below- and above-ground pigeon pea productivity in on-farm sole and intercrop systems in central Malawi) July 2015

**GRADUATE STUDENT SUPERVISION AND ADVISING, *continued***

- Hannah Livuza, Community Sustainability (Agricultural extension: A ‘how-to’ guide to essential competencies and skills for an effective extension worker) July 2015
  - Eric Dobbrastine, Community Sustainability (Exploring the potential of volunteer tourism as a means of development for the Batwa of Kanungu District, Uganda) May 2015
  - Anel Guel, Community Sustainability (Lake 513 and Mount Hualcán: An ecotourism project in the Peruvian Andes) March 2015
  - Thelma Namonje, Agricultural, Food and Resource Economics (Effects of late delivery of fertilizer under the Farmer Input Support Program on technical efficiency and maize production of smallholder farmers in Zambia) July 2014
  - Ayala Wineman, Agricultural, Food and Resource Economics (The multidimensional nature of rural household food security in Zambia: A panel analysis) November 2013
    - Best MS Thesis of 2014, Department of Agricultural, Food, and Resource Economics, Michigan State University
  - Eleanor Turner, Agricultural, Food, and Resource Economics (Determinants of crop diversification among Mozambican smallholders: Evidence from a household panel) August 2013
  - Philip Grabowski, Community, Agriculture, Recreation and Resource Studies (Constraints to adoption of conservation agriculture in the Angonia Highlands of Mozambique: Perspectives from smallholder hand-hoe farmers) April 2011
  - Kristianna Post, Community, Agriculture, Recreation and Resource Studies (Risk management in a developing country context: structured decision making for point-of-use water treatment in rural Tanzania) December 2010
  - Joseph Goeb, Agricultural, Food, and Resource Economics (Impacts of government maize supports on smallholder cotton production in Zambia) September 2010
  - Yuan Yao Lee, Community, Agriculture, Recreation and Resource Studies (Cost-benefit analysis of Mei-Nong dam project: a case study) February 2010
  - Ana Fernandez, Agricultural, Food, and Resource Economics (Wildlife management in Zambia: impact of game management areas on household welfare) May 2009
    - Best MS Thesis of 2010, Department of Agricultural, Food, and Resource Economics, Michigan State University
    - Outstanding MS Thesis, Honorable Mention 2010, Agricultural and Applied Economics Association
- External academic advising (in service at Michigan State University)
- Swati Kwatra, Ph.D., TERI University, India Exp., Dec. 2018
  - Brian Mulenga, M.S., Agricultural and Applied Economics, Bunda College of Agriculture, Malawi (Contribution of selected non-timber forest products to rural household welfare in Zambia) December 2010
  - Jackie Dawson, Ph.D., Department of Environmental Studies, University of Waterloo, Ontario, Canada (Climate change vulnerability of the US Northeast Ski Sector: A multi-methods systems-based approach, external examiner) July 2009
  - Patience Mlongo Mshenga, Ph.D., Department of Agricultural Economics and Agribusiness, Egerton University, Kenya (Contribution of tourism to farm and non-farm micro and small enterprise growth: the case of the Kenyan coast) December 2008

*Galen University*

## Master’s degree student projects supervised

- August, Freya, Economics (Alternate exchange rate regimes in Belize) May 2006
- Lui, Harry, Economics (Assessment of the financing of higher education in Belize) May 2006
- Rosado, Cindy, Economics (Impact of economic integration on foreign investment) August 2006

**SERVICE AND MEMBERSHIPS IN PROFESSIONAL SOCIETIES***Professional service*

- U.S. Environmental Protection Agency, Board of Scientific Counselors  
Chairperson, Sustainable and Healthy Communities subcommittee 2014 – 2017
- Michigan Environmental Council  
Project Advisory Committee, “Bringing the Latest Science to Michigan’s Management  
of Our Coastal Dunes,” funded by Michigan Department of Environmental Quality 2014 – 2015
- Panelist, National Geographic Center for Sustainable Destinations 2007 – 2009

*Professional associations*

- American Association for the Advancement of Science 2017 – present
- International Society for Ecological Economics 2000 – present  
Member, Education Committee 2003 – 2005  
Session chair, 2008 conference 2008
- U.S. Society for Ecological Economics 2001 – present  
President-elect 2018 – present  
Chairperson, Scientific Committee, 2017 conference 2016 – 2017  
Secretary-Treasurer 2009 – 2015  
Chairperson, Conference Committee, 2011 conference 2010 – 2011  
Member, scientific committee; session chair, 2009 conference 2009
- 5<sup>th</sup> World Sustainability Forum, Scientific Advisory Committee 2015
- E3 Network: Economics for Equity and the Environment 2007 – present

*Academic and scientific journals*

- Associate Editor, *Environmental Management* 2014 – present
- Associate Editor, *Journal of Natural Resources Policy Research* 2015 – present
- Associate Editor, *Society and Natural Resources* 2010 – 2018
- Co-editor, Special Issue: Agricultural ecosystem services, *Environments* 2017 – 2018
- Editor, Special Issue: Transforming our world. *Societies* 2016 – 2017
- Associate Editor, *International Journal of Ecological Economics and Statistics* 2008 – 2013
- Editor, Special Issue: Measuring socio-economic well-being. *Sustainability* 2012 – 2013
- *Ad hoc* reviewer: *Agroforestry Systems*; *Climate Research*; *Climatic Change*; *Conservation Biology*; *Ecological Economics*; *Economic Development Quarterly*; *Ecosystem Services*; *Energy for Sustainable Development*; *Environmental Conservation*; *Environmental Management*; *Forests, Trees, and Livelihoods*; *Global Environmental Change*; *Journal of Environmental Management*; *Food Security*; *Journal of Leisure Research*; *Journal of Sustainable Tourism*; *PLOS ONE*; *Risk Analysis*; *Tourism Economics*; *Tourism Geographies*; *Tourism Management*; and *World Development*

*Other scholarly publications*

- Reviewer, *National Climate Assessment*, U.S. Global Change Research Program 2012
- Reviewer, educational modules, Network of Conservation Educators and Practitioners,  
Center for Biodiversity and Conservation, American Museum of Natural History 2011
- Reviewer, textbook, John Wiley & Sons, Inc. 2009
- Reviewer, Northeast Michigan Integrated Assessment, Michigan Sea Grant 2008

**UNIVERSITY SERVICE***Michigan State University*

- University Committee on Undergraduate Education, Member 2017 – present
- Editorial Advisory Board, Michigan State University Press, Member 2008 – present
- Steering Committee, Tanzania Partnership Program, Member 2011 – present
- Faculty Board of Advisors, Center for Community and Economic Development, Member 2010 – present

**UNIVERSITY SERVICE**, *continued*

- Environmental Science and Policy Program, Core Faculty 2007 – present
  - Member, Graduate Program Committee 2013 – 2016
  - Member, Fate of the Earth Symposium Committee 2013 – 2014
  - Member, Program Advisory Group 2008 – 2010
  - Member, Curriculum Review Committee 2009 – 2010
- Academy for Global Engagement Fellows program, Faculty mentor 2014 – 2015
- African Studies Center, Core Faculty 2007 – present
- Center for Advanced Study of International Development, Core Faculty 2007 – present
- Center for Latin American and Caribbean Studies, Core Faculty 2007 – present
- Center for Gender in the Global Context, Affiliated Faculty 2015 – present
- Center for Regional Food Systems, Affiliated Faculty 2013 – present
- Interdepartmental Graduate Specialization in Environmental and Resource Economics, Core Faculty 2008 – present

*Michigan State University, Department of Community Sustainability*

- Associate Chairperson 2018 – present
- Member, Faculty Advisory Committee 2017 – 2018
- Member, Department Chairperson Search Committee 2016 – 2017
- Coordinator, Peace Corps Master's International program 2008 – 2016
- Graduate Affairs and Curriculum Committee
  - Chairperson 2014 – 2015
  - Member 2013 – 2014
  - Chairperson 2008 – 2010
  - Member 2007 – 2008
- Member, Faculty Advisory Committee 2011 – 2013
- Member, Undergraduate Curriculum Working Group 2011 – 2012
- Coordinator, Sustainable Development in Belize (study abroad program) 2008 – 2011

**OTHER APPOINTMENTS**

- Member, Alumni and Parent Admissions Committee, Tulane University 2018 – present
- Visiting Professor, Department of Economics, Appalachian State University 2015 – 2016
- Visiting Professor, Institute of Resource Assessment, University of Dar es Salaam, Tanzania 2015 – 2016
- Associate Director, Institute for Sustainable Solutions, Portland State University 2011
- Honorary Fellow, Gaylord Nelson Institute for Environmental Studies, University of Wisconsin 2005 – 2006
- Adjunct Professor, Department of Economics, San Francisco State University 2005
- Adjunct Professor, Department of Economics, University of San Francisco 2005
- Fellow, Center for Energy and Environmental Studies, Boston University 2003 – 2004
- Fellow, Gund Institute for Ecological Economics, University of Vermont 2002 – 2003

**MISCELLANEOUS**

- Written and spoken French
- Certified, Advanced Underwater Diving (PADI) 2004
- Returned Peace Corps volunteer, Côte d'Ivoire (Urban environmental management, Bouna) 1998
