### **Announcements**

# **PSM Procurement Card Info**

PSM has gathered all of the most current Procurement Card information that a Pcard holder may need to reference. The attached documents included are: Pcard Application, Dispute Form for Bank, Pcard Users Manual, Process for Membership/Renewal Payments, Restricted Items, PSM Procurement Card Procedures, Most Commonly Used Object Code List, PSM - Steps to Approve Edocs, and How to Look Up Edocs in EBS (even after approving). Any questions can be directed to Gina at Centeno@msu.edu.

#### **Pcard Process Reminders**

A reminder that while working from home or the office, complying with Pcard processes - including proper record keeping practices - are requirements of cardholders and fiscal officers.

- ➤ Please review and approve Pcard eDocs when they appear in your Action List. Don't let them auto approve.
  - > Cardholders must approve within 14 calendar days.
  - Fiscal officers must approve within 31 calendar days.
- > All Pcard purchases require receipts.
  - > Scan and attach receipts to the Notes and Attachments tab of the eDoc.
  - > Receipts must be itemized and legible.
- ➤ A business purpose must be indicated either on the receipt, the description line, or in the Notes and Attachments tab. Include details of how/why the item or service will be used or was needed.
- > Refunds must be cross-referenced to the original eDoc.

## Using the COVID19 Project Code

Remember to use the COVID19 project code when applicable. Transactions identified with this code may quality for Cares Act reimbursement. The COVID19 project code should be used if the purchase is necessary as a result of the pandemic.

## PCard Reminder - Membership Dues

Membership dues are NOT to be paid from your MSU Procurement Card. Membership dues need to be processed by the Department Business Office where they generate a special letter and handle getting the information needed for approval and process payment. You just need to scan/forward your membership renewal request to **Lisa Bowen** at <a href="mailto:bowenli1@msu.edu">bowenli1@msu.edu</a>. Please be sure to provide the account number so that she can submit payment.

### **Building Access**

If building access is needed, please remember to have your PI email **AnnMarie Guldner** (<a href="mailto:guldner1@msu.edu">guldner1@msu.edu</a>) directly with this request. Requests cannot be accepted from anyone other than the PI.

## **PSM Office Coverage**

We will be staffing the PSM office on Wednesdays for essential needs only (Ex: keys). An appointment needs to be made prior by contacting **AnnMarie Guldner** at either <a href="mailto:guldner1@msu.edu">guldner1@msu.edu</a> or 517-353-0120. No drop ins will be allowed.

### **PSSB Entry Doors**

Please remember that you can only access PSSB through doors 9 & 10 which are on the East side across from Vet Med along Bogue Street and doors 31 & 32 which are on the South side of the corridor that connects Plant and Soil to MPS.

#### **UPCOMING VIRTUAL COURSES**

Select Organization and Professional Development (OPD) courses are now available in a live, online format. The following courses are available for registration in the EBS portal. Employees may use available educational assistance funds to pay for these programs.

Last Chance to Register! Engaging Teams for Maximum Performance December 9, 2020 8:30 AM-12:00 PM

Developing a shared vision of success is a critical factor in driving team performance. Methods of building trust, setting goals and providing feedback to help enhance employee engagement and working relationships will be shared.

Maximizing the Spartan Experience: Customer Service Training December 17, 2020 9:30-11:00 AM

Learn how to communicate effectively, create a positive first impression, and develop and maintain high service standards in this updated course, which provides a foundational perspective related to enhanced customer service delivery.

**Everything DiSC: Behavior Styles at Work** 

January 14, 2021 8:30 AM-12:00 PM

Using a simple tool designed to help you understand yourself AND other people, *Everything DiSC* allows you to build more effective working relationships based on an understanding of different behavioral styles.

Grammar Refresher January 19, 2021 9:00 AM-12:00 PM

Topic: NEW SPARTANS!

Zoom Link: https://msu.zoom.us/j/98185043710

Password: connect

If you are a newcomer to MSU within the past year please join. Also, if you have new people in your office or know of someone new who would like to connect to our community, please invite them. All Spartans are welcome to join, and to meet our newcomers!

Please connect with those that you work with, times are hard. Please consider reaching out to newcomers who are really feeling isolated and disconnected. Also, please remember that the WorkLife Office is here for information, referrals and support. Let others know that we are here and remember, we are here for you as well. You are not alone.

Traveling this holiday?

What we currently know is described in the following link of what you and your staff need to consider.

https://oihs.isp.msu.edu/travel-during-covid-19-pandemic/health-protocol-inbound-travel/

#### In summary

- In-state travel then returning to campus does not require a 14-day selfquarantine. However, we are responsible for the health of the campus community and not just our personal health. In other words, it is recommended but not required.
- Out-of-state travel for students (grad or undergrad) <u>requires</u> a 14-day selfquarantine prior to returning to campus if you are coming from an active outbreak COVID state (currently 42 out of 50 states, see the map in the link above).
- Out-of-state travel for faculty and staff, it is <u>strongly recommended</u> that you self-quarantine for 14-days prior to returning to campus if you are coming from an active outbreak COVID state (currently 42 out of 50 states, see the map in the link above).

Spartan Spit is undersubscribed, and everyone is encouraged to sign up and continue to utilize it throughout the holiday periods of November and December. Even if an individual is participating in the Spartan Spit, the return to campus travel protocol stated above still holds.

# Food and Drink Policy

Food and Drink Policy - Addendum to the PSSB Reopening Plan 7/23/2020

Based on the changing Executive Orders and needs of the MSU community, food consumption will be allowed in PSSB in posted designated areas. Please keep in mind that this change in policy may pose an increased risk of exposure and it is important to observe physical distancing, follow disinfecting protocols and spend minimal time in the room.

To meet these goals and maximize safety, the PSSB building SOP plan has been modified to:

- Note that it is always preferable to eat outside of the building when possible
- Conference and break rooms on the second floor will be open for food consumption. Please limit your time to 30-min to accommodate colleagues/other building occupants.
  - > A279 Horticulture conference room maximum occupancy is 5
  - > A271 PSM conference room maximum occupancy is 6
  - > A246 Break room maximum occupancy is 5
- Maximum occupancy signs will be posted on each door. If the room is fully occupied, please check another designated space. If all conference and break rooms are fully occupied, check back later.
- Masks must be worn in each room unless actually consuming food
- Kitchenettes will continue to be closed. There is no microwave or refrigerator usage allowed.
- Everyone should bring and remove all personal supplies for eating.
- The user is required to disinfect the space before and after each use following EPA approved guidelines (70% alcohol for 5-min; Sani-wipes for 3-min). Disinfectants
  - will be present in the room.
- Snacks and community food to share should not be brought to work.

## Face Coverings (Updated August 13, 2020)

## Face coverings

Individuals with COVID-19 are highly infectious for up to two days before the onset of symptoms. Thus, face coverings are a crucial public health measure and help protect others by reducing exposure to droplets if someone is unknowingly infected with COVID-19. Wearing a face covering, whether you feel ill or have been diagnosed with COVID-19, is critical to maintaining everyone's health and safety.

Face coverings must be worn by everyone (including all faculty, staff, students, vendors and visitors) indoors and outdoors while you are on property owned or governed by MSU and while participating in MSU-related or MSU-sponsored activities. If you have a medical condition that may prevent you from safely wearing a face covering, you should contact MSU's Resource Center for Persons with Disabilities to begin the accommodation process.

Exceptions to the requirement for face coverings will be limited. For example, if you are indoors, exceptions are limited to when:

- 1. you are in your own place of residence and can therefore properly physically distance (at least six feet of physical separation between yourself and others);
- 2.you are in a private, single-occupancy office or lab space with a closed door and can reasonably expect other individuals not to enter (but if you leave your private, single-occupancy office or lab space and proceed into a common area or hallway even if there are no other individuals present you must wear a face covering); or
- 3. you are eating or drinking but still maintaining physical distance (at least six feet of physical separation between yourself and others).

If you are outdoors, exceptions are limited to when:

- 1.you are working outdoors and can maintain physical distance from others (but you will need to wear a face covering outdoors when interacting with others or when unable to maintain physical distance); or
- 2. you are exercising or engaging in high-intensity activities outdoors (for example, jogging, running, bicycling or golfing) and can maintain physical distance from others.

If you are working, an exception may be allowed in the following situations:

- 1.you are working in a setting where a face covering may increase the risk of a hazard (for example, the face covering could become wet, the face covering could get caught in machinery, or the face covering could become contaminated with chemicals used in the work environment);
- 2.you can maintain physical distance from others; and
- 3. you have previously consulted with your supervisor to determine the appropriate face covering for your setting.

In addition, if you are working, an exception may be allowed if you need a fresh-air break outdoors **and** 

- 1.you can maintain physical distance from others,
- 2.you will not interact with others and
- 3.you have previously consulted with your supervisor.

## Face coverings should:

- 1.be non-medical grade to maintain supplies for health care use,
- 2.fit snugly against the side of your face,
- 3.cover your nose and mouth,
- 4.be secured with ties or ear loops and
- 5. allow for breathing without restriction.

## Face Coverings (Updated August 13, 2020)

Cloth face coverings should only be worn for one day at a time, and they must be properly hand washed or laundered with soap/detergent before subsequent use. Face coverings may vary (for example, disposable non-medical masks or neck gaiters are acceptable).

In addition to wearing face coverings, whether you are on- or off-campus, you also must adhere to the guidelines and recommendations from the <u>Centers for Disease</u> <u>Control and Prevention (CDC)</u> as well as federal and <u>state government</u> authorities, in order to protect your own health and the health of the entire MSU community.
