

Toledo Area Sports Turf Internship Program

This internship offers the unique opportunity to learn different aspects of managing and maintaining, not only a detailed professional stadium, but also a well-maintained recreational sports complex, thus experiencing two internships in one.

Requirements Include:

- Must be enrolled in a two or four year turf program or related field
- Be able to lift 60 lbs. with ease
- Able to work holidays, nights, weekends and long hours
- Ability to operate turf equipment
- Highly motivated with excellent communication skills

Learning opportunities include but not limited to:

- Mound and home plate clay maintenance
- Infield skin maintenance
- Field preparation for games and batting practice
- Fertilizing, spraying, aerating, topdressing and other turf practices
- Field lay out and maintenance
- Working events, games, and tournaments
- General facility maintenance
