**Please note the following stipulations regarding acceptance of a Department of Plant, Soil and Microbial Sciences Scholarship:**

1) *The student must notify the Department of Plant, Soil and Microbial Sciences in writing if enrollment at MSU is disrupted. The Scholarship Committee will then decide whether to reinstate the scholarship upon re-enrollment.*

2) *In the event the student changes from the IAT-Ag Industries program during a given semester in which a scholarship is issued, the scholarship will discontinue and the student must repay the value of the scholarship for that semester to the Department of Plant, Soil and Microbial Sciences.*

3) *Further, **the recipient agrees to send a letter of thanks to the donor.***
